Neighborhood Beautification

Do you have an eye for a beautiful yard? Each summer, volunteers search the community for particularly spectacular front yards.

Park and Trail Partners

Even if your thumb is less than green, help is still needed to plant and care for flowerbeds or keep a park or stretch of trail free from trash and debris.

Snow Stormers

Many city residents physically cannot clear their sidewalks when it snows. If you could shovel their snow - whether in the evening or morning - it would make a huge difference.

Neighborhood Watch

Learn how to keep your streets safer from crime and how to be a better neighbor. Northglenn already has a number of Neighborhood Watch programs — join one or start a watch up in your area.

Northglenn Bike Program

Do you have an unused, old or broken bike lying around, collecting dust? We'll fix it up before giving it to a local family.

Holiday Bike Giveaway

Sat., Dec. 2, 9-11 a.m., Stonehocker Farmhouse, 10950 Fox Run Parkway

Volunteer Projects

Have a volunteer project in mind, or need to volunteer to fulfill school or other requirements? Give us a call to see how we can help.

Community Events

City events vary in size and theme, but we can always use a smiling face and ready hand to assist with set up and event day activities. Events include Derby Day, July 4th Festival, Pirate Fest, Noel Northglenn and more! If you have high energy and excel in organized chaos, this is for you!

Youth Recreation

It takes a lot of effort to put a game together - but your time and commitment pay off. We especially need volunteers for coaching basketball and going on trips.

Senior Center

Support your peers by helping at the information desk, planning parties or providing a friendly face. Your wisdom, experience and joy are welcomed.

Theatre & Cultural Arts

Northglenn Arts needs volunteers (ages 14+) for its Northglenn Youth Theatre (NYT) productions and its Presents series on the night of performances to help with greeting, ushering, ticket taking and concessions. If you want to get more involved behind the scenes of NYT, we also need adult volunteers (ages 18+) to help with costuming and set painting and construction.

For more details contact Jenni Murphy at 303.450.8904 or jmurphy@northglenn.org or visit www.northglenn.org/volunteer.

Yes. Please create a new account at northglenn.org/playnorthglenn. The registration link is located at the top of the page. Create a username and password, and add your household members to your account.

What can I do with online registration?

You can use the registration website to register for classes, make a payment, look up your transaction history and check your account balance.

Is your system secure?

We have taken many steps to ensure the security of your transaction. Our online registration employs 128-bit encryption along with other industry standards.

Are there programs that are not available through online registration?

Yes. In these cases, in-person registration is required. However, you will still be able to view the details online. In this guide, the classes with a class code indicate online registration availability. Please call 303.450.8800 for further information.

I am a non-resident. Can I use online registration?

Yes. The registration process is the same for both residents and non-residents. However, non-resident fees and registration times may be different from resident fees and registration times.

I don't feel comfortable using a credit card over the internet. Can I still register online?

Yes. If you already have a credit on your account, that credit can be used toward payment for registration. The credit must be large enough to cover the full amount of the class. Otherwise, a credit card will need to be used to pay the difference. You may add credit to your account by going into the Recreation Center. Our online registration system uses a variety of security measures to maintain the safety of your personal information.

Preschool Aquatics Program

Our preschool swimming program focuses on safety and developmental needs of young children. All preschool classes take place in the Recreation Center Activity Pool.

GUPPIES CLASSES PARENTS & TOTS

Ages 6 months-3 years

Help your infant or toddler become more comfortable in the water. Please note that your child will not learn to swim or survive in the water in this class. The children must have a swim diaper or plastic pants under their swimsuits. Only one parent per child is allowed in the water.

Our preschool received a Colorado Shines Level 5 rating!

What does that mean? Colorado Shines rating is a symbol of quality. It is a guarantee to families that our program is licensed, in good standing and meets basic health and safety standards. A level five score distinguishes us as one of the best programs in the state!

Ages 3 - 5 | 8:30am - 12pm | M/W/F, T/TH or M - F

Preschool education plays an essential role in early childhood development. Our state licensed preschool program is the perfect place for your child to develop socially, emotionally, physically, and cognitively. Children explore an environment in which they learn through play and engagement with staff and peers. Staff utilize the Second Step® curriculum for social emotional learning and plan activities that align with Colorado Early Learning Development Guidelines.

Children aged 4 in their year before kindergarten may qualify for free universal preschool. Applications must be submitted through the state portal at <https://upk.colorado.gov/>. Once matched to our program by the state, we will reach out to set up registration into our preschool program.

Families with children ages 3 - 5 can self-pay for our preschool program. Payment plans are available and secure your child's spot through the remainder of the year. Payment plans can be set up over the phone or in person at the Recreation Center. Month-to-month payment without a payment plan does not guarantee your spot for the next month.
