Registration Deadlines may vary. Please contact 303.450.8800 for inquiries on specific programs.

Do I need to create an account to use the online registration system? Yes. You can create an account at northglenn.org/playnorthglenn. You will need to create a unique username and password, and add your household members to the account.

What can I do with the online registration system? You can use the registration website to register for classes, make a payment, look up your transaction history and check your account balance.

Is your system secure? Yes. We have taken many steps to ensure the security of your transaction. Our online registration employs 128-bit encryption along with other industry standards.

Are there programs that are not available through online registration? Yes. In these cases, in-person registration is required. However, in most cases, you will still be able to view the details online. In this guide, the classes with a class code indicate online registration availability. Please call 303.450.8800 for further information.

I am a non-resident. Can I use online registration? Yes. The registration process is the same for both residents and non-residents. However, non-resident fees and registration times may be different from resident fees and registration times.

I don’t feel comfortable using a credit card over the internet. Can I still register online? Yes. If you already have a credit on your account, that credit can be used toward payment for registration. The credit must be large enough to cover the full amount of the class. Otherwise, a credit card will need to be used to pay the difference. You may add credit to your account by going into the Recreation Center. Our online registration system uses a variety of security measures to maintain the safety of your personal information.

What if I received a credit from a recreation program or service? Credit balances are kept on your household account to be used for memberships and program registration. Any special accommodations or adaptations that may be necessary for participation in our programs and services. Assistance requests need to be made at least two weeks prior to the activity. Contact the Recreation Center at 303.450.8800 or 303.450.8171/TTY for information.

Private Outdoor Summer Pool Parties
Private pool parties in the warm summer evenings are great for celebrating a birthday, team get-together, or any other special event with family and friends. The facility has locker rooms, covered picnic tables, and underwater lights when it gets dark. The toddler pool is protected with a shade cover, and lifeguards are on duty to supervise the pool and facility. The splash pad is available until dark. There is a slide at the large pool. The facility offers plenty of deck space for your gathering. You may bring your own food. No alcohol or glass containers are permitted.

Pool Party Weather Cancellation Policy
If the pool is closed due to weather before the end of the first rental hour, a pro-rated amount of the rental fee will be refunded. If a rental is canceled less than seven days before the event, a processing fee of 25% of the rental will be assessed. Refunds may take up to three weeks to process.

For more information and the most up-to-date pool schedule, visit www.northglenn.org/kiwanis.

THEATRE & CULTURAL ARTS

Theatre & Cultural Arts
Northglenn Arts is always looking for volunteers to help at the Parsons Theatre. If you are between 14 and 18 years old, and are interested in what happens behind the scenes, apply to be on our youth technical team for our Northglenn Youth Theatre (NYT) productions.

Anyone can volunteer to help our patron services team by scanning tickets, ushering patrons to their seats and being an official greeter in the lobby. We depend on our volunteers to help make the experience a memorable one for all of our patrons.

Northglenn Bike Program
Do you have an unused, old or broken bike lying around, collecting dust? We’ll fix it up before giving it to a local family.

Neighborhood Beautification
Do you have an eye for a beautiful yard? Each summer, volunteers search the community for particularly spectacular front yards.

Neighborhood Watch
Learn how to keep your streets safer from crime and how to be a better neighbor. Northglenn already has a number of Neighborhood Watch programs — join one or start a watch up in your area.

Boards and Commissions
Boards and commissions give people a voice in the city’s government! Influence decisions that shape the quality of life in Northglenn by advising the city or City Council on specific topics relating to their board.
- www.northglenn.org/boards

Senior Center
Support your peers by helping at the information desk, planning parties or providing a friendly face. Your wisdom, experience and joy are welcomed.

Youth Recreation
Volunteer coaches are always needed for our youth sports programs. As a bonus – your child receives a 50% discount to play!
