**PARK IMPROVEMENTS**

Funded in part by an Adams County Open Space grant, Wyco and Hugh Danahy Parks received new sports courts and LED lights. Wyco Park is home to the city’s first dedicated pickleball courts, while the courts at Hugh Danahy Park have been lined for both tennis and pickleball.

The Croke Reservoir project started in 2018 with a local subcommittee and student representation from Regis University. The project aspired to protect natural areas. It has led to the installation of new ADA pathways, updated signs and educational materials, new fencing and a new dedicated accessible fishing area.

Electrical upgrades were completed at the Jaycee Park ball field thanks in part to funding from an Adams County Open Space grant. The upgrades include a new electrical panel with energy efficient LED ball field lighting. The park is now also home to an electric vehicle charging station that is free to the public.

The E.B. Rains, Jr. Memorial Park playground got a facelift with new playground equipment. Unique play opportunities and bright colors revitalized the playground, and the poured in place safety surfacing enhances accessibility. In addition, new concrete curbing was placed around planter beds; uneven concrete was replaced and new benches were installed throughout the play areas.

The Don Anema Memorial Skate Park received maintenance funded in part by an Adams County Open Space Grant that replaced tiles and blocks on the skate bowl, repaired cracks and applied concrete sealant throughout the skate area.

Go to www.northglenn.org/parks for more information about the individual spots.

Youth Learn-to-Swim Program
The Recreation Center uses the American Red Cross Learn-to-Swim program, a progressive, multi-level instructional approach that maximizes success and includes the most current biomechanics and stroke descriptions. By completing the entire program, your child will be exposed to the front crawl, elementary backstroke, breaststroke, back crawl, side stroke, butterfly, starts, turns and diving.

LEVEL 1 | AGES 6 - 12
This level introduces basic swimming skills and strokes, including submerging independently, unsupported kicks and streamline on front and back, as well as basic front crawl while blowing bubbles.

LEVEL 2 CONT’D
The backstroke and sidestroke will be introduced as your child continues to work on the front crawl. They will try treading water and even be introduced to diving!

LEVEL 2 | AGES 6 - 12
Your child will build on the skills learned in Level 1. They will strive for longer distances using the front crawl and improve their bubbles-breatchers techniques.

For more information and to register, call 303.450.8800 or visit www.northglenn.org/aquatics.
**Swim Lessons**

**Level 4 | Ages 6 - 12**

Get ready for deeper instruction as your child tries out the deep water surface dive, diving off the block and swimming from the deck. When not diving, they will focus on the sidestroke and increasing their endurance in the water.

Neighborhood Beautification
Do you have an eye for a beautiful yard? Each summer, volunteers search the community for particularly spectacular front yards.

Boards and Commissions
Boards and commissions give people a voice in the city’s government and provide a means of influencing decisions that shape the quality of life in Northglenn by advising the city or City Council on specific topics relating to their board.

Park and Trail Partners
Even if your thumb is less than green, help is still needed to plant and care for flowerbeds or keep a park or stretch of trail free from trash and debris.

▶ See Page 8 for details on the Farmers’ Highline Canal Cleanup on March 23!

Snow Stormers
Many city residents physically cannot clear their sidewalks when it snows. If you could shovel their snow - whether in the evening or morning - it would make a huge difference.

Neighborhood Watch
Learn how to keep your streets safer from crime and how to be a better neighbor. Northglenn already has a number of Neighborhood Watch programs — join one or start a watch up in your area.

Northglenn Bike Program
Do you have an unused, old or broken bike lying around, collecting dust? We’ll fix it up before giving it to a local family.

Volunteer Projects
Have a volunteer project in mind, or need to volunteer to fulfill school or other requirements? Give us a call to see how we can help.

Youth Recreation
It takes a lot of effort to put a game together - but your time and commitment pay off. We especially need volunteers for coaching basketball and going on trips.

Senior Center
Support your peers by helping at the information desk, planning parties or providing a friendly face. Your wisdom, experience and joy are welcomed.

Theatre & Cultural Arts
Northglenn Arts is always looking for volunteers to help at the Parsons Theatre. If you are between 14 and 18 years old, and are interested in what happens behind the scenes, apply to be on our youth technical team for our Northglenn Youth Theatre (NYT) productions.
