Officer Involved Shooting in Northglenn: 300 block of Malley Dr

On April 14th, 2023 officers learned the whereabouts of a suspect wanted on a probation violation out of Denver for Attempted Murder. The suspect was located in an apartment in the 300 block of Malley Dr. Officers learned the suspect was not alone, he was with an adult female and three smaller children. The Northglenn/Thornton SWAT was activated to respond to the location and the reverse 911 system was activated to clear surrounding apartments.

While attempting to negotiate the release of the children, shots were fired from within the apartment. Sometime later the suspect opened the patio door of the apartment and fired several more shots. A Thornton officer fired his weapon striking the suspect. Officers immediately performed lifesaving efforts. The suspect was taken to an area hospital where he was pronounced deceased.

This incident is being investigated by the [17th Judicial District Critical Incident Response Team](#).

The identity of the suspect will be released by the Adams County Coroners Office.

Due to the fact this is an ongoing investigation, no further details will be released.
