Five Council Spots on November Ballot

► Ward 4 to Select Two Candidates

Northglenn voters will elect five council members at the Nov. 2, 2021 regular municipal election. One council member will be elected from wards 1, 2, and 3 to serve four-year terms.

Two council members will be elected from Ward 4 – one to serve a four-year term and one to serve a two-year term due to the previous vacancy created by Council Member Antonio B. Esquibel's resignation in June. Ward 4 candidates must decide whether they want to run for the two-year term or four-year term; they cannot be a candidate for both positions.

City Council members have the opportunity to

help shape the city's future and represent residents in their ward. Serving the community as an elected official can be a very rewarding experience. It takes dedication, a willingness to learn, and a substantial time commitment.

If you want to know more about being a council member and the requirements involved in the election process, stop by the City Clerk's Office (located in City Hall, 11701 Community Center Drive) to pick up a candidate information packet.

Getting to Know Your Council Member: Ward 4

Shannon Lukeman-Hiromasa

New Council Member Shannon Lukeman-Hiromasa focuses on making an impact. With roots in Puerto Rico, she came to Colorado as a young adult, earning degrees from CU Denver. For the last six years, she and her husband have lived in Northglenn. Although their three children are grown, having Northwest Open Space next door comes in handy with a 2-year-old granddaughter. She has been co-CEO of Colorado Krav Maga for the last 24 years, and she and her husband own five of the self-defense schools. Recently, she became one of the inaugural members of the Community Co-Production Policing Advisory Board. Council then selected her to fill the remaining term of Antonio B. Esquibel in June.

- Why Did You Run for Office?** I wanted to take on a more proactive role because I love our little city and serving in this capacity enables my voice and others to be heard on issues shaping Northglenn now and into the future. I want to keep our city beautiful, safe, and thriving. I have always lived by the psychology of “Do Something,” so that’s why I applied for the Ward 4 vacancy.

- What Community and Regional Issues Are You Most Interested in Addressing?** The Northglenn Marketplace can provide much-needed jobs and revenue for the city and its residents. This is also true for the ongoing Civic Center plan. Let’s get Northglenn on the map!

We need to continue to address the community’s concerns regarding speeding on residential streets, road conditions, need for multi-modal transportation, safety, and the upkeep of our parks and neighborhoods. Lots of programs are in place already but we need to stay on top of it. Keep Northglenn beautiful!

I care very much about finding meaningful, compassionate, long-term solutions that address our population experiencing homelessness as well as addressing housing affordability.

Regionally we need to have a bigger voice and say on issues such as access to transportation, homelessness, and crime as it ties in with our neighboring cities.

CCPP ADVISORY BOARD LISTENING SESSION NO. 2

Tues., Aug. 24, 6-8 p.m., City Council Chambers, 11701 Community Center Drive

Over the past year, the city has hosted a number of discussions about diversity and equity in the city – especially as it pertains to law enforcement.

At this listening session, hosted by the Police Department, learn about the findings from these discussions, and then provide direct feedback. The Police Department will use this information to work with the Community Co-Production Policing (CCPP) Advisory Board to develop the department's strategic planning.

BerryDunn will lead the discussion. Not only did this independent firm compile the findings, it helped the Police Department in a recent department-wide 360 assessment, and is helping the police move to a Community Co-Production Policing philosophy of law enforcement.

Mayor's Memo: A Message from Mayor Meredith Leighty

Meredith Leighty

Working Together to Benefit All Residents

The City of Northglenn works hard to address resident concerns and meet city goals

Leighty

– sometimes directly and sometimes through incentives.

For example, we have code enforcement to encourage residents to follow our community standards, and we also have a Neighborhood Beautification Program to recognize residents for keeping their homes looking nice.

Another example is water use – we charge for water use, and also offer conservation programs and rebates to encourage using water wisely. When we work collaboratively with residents we accomplish so much more!

During the summer months, there are two issues that impact residents across all four wards – vehicle speeds in residential neighborhoods and dogs. We have park rangers, animal control officers, and police officers to respond to violations and issue citations if necessary,

Pet waste bag dispensers like this are available at City Hall and the Northglenn Recreation Center.

and we also have programs to encourage residents to follow Northglenn rules and codes.

No Need for Speed Program

The No Need for Speed Program is a way for neighbors to work together to discourage speeding in their neighborhood. The Police Department and Public Works staff work collaboratively with residents by attending a neighborhood meeting. We discuss all options and listen to specific concerns. Some ideas include: engineering options

to curb speeds, police enforcement, and speed awareness through monitoring equipment.

Through the No Need for Speed program, residents work together to raise awareness about area speed limits, make a commitment to reduce neighborhood speeds and can also provide yard signs that demonstrate a commitment to reducing speeds.

If you are interested, please fill out the online form and get your neighborhood involved.

► For more information, go

online to www.northglenn.org/nonneedforspeed.

Dog Courtesy

Northglenn is a dog-friendly city and many of our residents have furry friends! Dog complaints center around off-leash dogs and dog waste. All dogs should be on a leash unless they are in a fenced yard or at the dog park. This is out of consideration for others as well as pet safety; some people are afraid of dogs, and even the best-behaved dogs can be unpredictable at times and run into danger.

Our Happy Tails Dog Park is a great place to give your dog some leash-free time to run around, so be sure to check it out! (It's a great place to meet other dog lovers!) We are lucky to have awesome parks and trails in Northglenn – and it's up to all of us to help keep them clean. That includes picking up dog waste and putting it in the trash can. We have too many dogs in our parks to leave waste around, and it is bad for the environment – specifically, it contaminates water run-off that goes into our water retention areas, ditches and canals.

The city is now handing out handy-dandy pet waste bags that clip right to your dog leash. What a great way to encourage our dog owners to pick up after our pets and use a leash! I grabbed two myself. Rangers are handing them out at parks, we are giving them out at community events, and you can pick them up at City Hall or the recreation center.

Thanks for working with us to keep our city clean and safe!

– Mayor Meredith Leighty

City Manager's Column: A Letter from Heather Geyer

Heather M. Geyer

New Economic Realities and Local Impacts

The City of Northglenn has been in a fortunate position to weather COVID-

Geyer

19 impacts differently than other cities and towns due to our stable and healthy financial position. However, though we are still facing some COVID-19 impacts, we now have the new economic realities of increased costs of doing business and labor shortages.

We have not been able to fill all our seasonal positions, meaning the workload is shifted to existing staff when possible and work is reprioritized. While we are doing everything possible to minimize the outward facing impact visible to residents, we know there has been a visible impact in services

\$9.7M
Amount the city will be receiving in American Rescue Plan Act funding

such as park and trail maintenance. Pre-pandemic, it would take two weeks to order a new park bench. Today, it is taking up to 10 weeks and the cost for the park bench is 20% more.

Despite these new economic realities, the city remains committed to moving forward the Council's strategic priorities and providing a high level of service. We've continued to repave roads, move forward with planned park and trail upgrades, install new playground equipment, and invest in our water and sewer infrastructure.

American Rescue Plan Act

The city will be receiving \$9.7 million in American Rescue Plan Act funding. Recently, City Council had the first of many discussions to come about how to prioritize and leverage this funding. The funds are designated for several specific areas including COVID-19 mitigation efforts, addressing negative economic impacts caused by COVID-19, and water, sewer and broadband infrastructure. This is a fantastic opportunity to not only address unfunded city capital improvement projects, but a way to support surrounding businesses and create jobs.

We plan to take a measured, thoughtful approach to decide how to invest the funds. How can this build on what we are currently doing and support

Northglenn priorities? What opportunities might we take advantage of in the next few years? Investing the dollars wisely, seeking ways to best leverage the funds, and committing to projects that benefit as many of our residents as possible are all key.

2022 Budget

The 2022 Budget is currently under development and I'll share more information about it in the coming months. Rest assured, the city is in a stable and healthy position. I remain hopeful and optimistic that in the months ahead we will continue to recover from COVID-19 and find our way through our new economic challenges.

The winner will be decided through popular vote.

The only criteria is that the business is located in Northglenn, in good standing with the city, and cannot win two years in a row.

Everyone is invited to cast one vote at www.northglenn.org/businessvote. Voting ends at 4 p.m. Friday, Sept. 3.

WHICH CITY BUSINESSES, NONPROFITS MADE AN IMPACT DURING COVID-19?

COVID-19 brought huge challenges to everyone, but many Northglenn businesses and nonprofit organizations stepped up and served our community. We are grateful for their kindness and generosity. If you are aware of businesses and/or nonprofits that made a positive impact during this tough time, please share the story with Debbie Tuttle at dtuttle@northglenn.org, and they will be recognized at the city's Business Appreciation Event.

FORCE MAIN A PROGRESSING
The Force Main A project is a major sewer line replacement that stretches from East 105th Place and Irma Drive to 124th Avenue and Claude Court. Construction is expected to last until January.

The neighborhood crew on Irma Drive has pipe installed all the way to Gilpin Street. The north side crew has successfully tied the two new pipe sections together at 120th and Race, and they have returned to the Northglenn Maintenance & Operations Facility to work on final details.

Watch for door hangers notifying you when work is in the area. There may be minor interruptions to water/sewer services, but extra notifications will go out at least 48 hours in advance.

► For more on the Force Main A project, go to www.northglenn.org/forcemainaproject.

Road Work on Washington

One of the city's biggest thoroughfares is getting a facelift.

Even during the day, motorists should expect a rough driving surface.

We thank everyone for their patience. This short inconvenience should lead to a smoother ride long-term!

Despite what this photo shows, helping out with the Northglenn Community Foundation at events such as Pirate Fest can be a lot of fun and not so ... cutthroat.

Northglenn Community Foundation Seeking Volunteers for Events

The Northglenn Community Foundation (NCF) makes a difference through the spirit of giving, with generous donors and passionate volunteers. We are dedicated to our community and surrounding areas by compassionately meeting their needs. You too can make a difference by volunteering to serve as a board member or help with an event.

Here are just some of the organizations and activities that the NCF supports:

- Backpack and school supply drives
- Utility assistance grants
- Meals on Wheels
- Christmas Crusade
- Military Christmas stockings
- Safe Street Halloween
- Financial support for the Northglenn Bike Program
- Northglenn Senior Organization
- Ralston House

- Local food banks
- Holiday meals
- Day camp scholarships
- Adams County Mayors and Commissioners Youth Awards
- Support of Parks and Recreation Department grants
- Donation collection for A Precious Child

In order to support these activities, the NCF does fundraising at local events including Pirate Fest, Food Truck Carnival, and Noel Northglenn. This year Pirate Fest is on Sept. 17 and 18. If you are over the age of 21 and would like to help us pour or serve at the bar, we would welcome your help. It is always a fun event.

If you are interested in becoming a member to make our community even better or helping us with Pirate Fest, please contact Leslie Carrico at 303.908.9293.

TOKEN OF APPRECIATION

Volunteers are the grease in the gears that make Northglenn go! From planting flowers to serving on boards and commissions to helping organize events in the senior center, we as a city government couldn't effectively serve the residents without their assistance! As a very small token of our appreciation, the city held its annual Volunteer Appreciation Dinner on July 7 at E.B. Rains Jr. Memorial Park. If you're looking for ways to help out in Northglenn, go to www.northglenn.org/volunteer.

Now it be the time to get y'er ship ready to set sail on Webster Lake Saturday, September 18.

CITY SHOWS OFF ITS PRIDE

Diversity, Inclusivity, & Social Equity Board members Autumn Romero and Cheryl Huffman, along with Council Member Katherine Goff, show off the Northglenn Pride t-shirt at the city's inaugural PRIDE Night. They were such a huge hit, we decided to make them available to everyone! The design is not only on t-shirts, but hoodies, fanny packs and totes as well. Get yours at www.northglenn.org/gear. Proceeds benefit the Northglenn Community Foundation.

Over 400 people celebrated at the city's first PRIDE Night on June 26 at E.B. Rains Jr. Memorial Park. They enjoyed the opportunity to gather with friends and like-minded community members to enjoy a special presentation by the Northglenn Youth Theatre, see a drag show, and dance to great tunes during the silent disco. One of the featured guests was Mythica von Griffyn, shown above, in orange. The body painting artist was featured on the television series "Skin Wars." She is pictured here with attendees of the event, her wife and another model who were both body-painted during the event, plus Northglenn Police Officer Priscilla Duke. ► Memories, Experiences Sought of 9/11

Courtesy North Metro Fire Rescue District

This year marks the 20th anniversary of the 9/11 attacks, and North Metro Fire Rescue District, the Broomfield Police Department and the City and County of Broomfield will host a special 9/11 Memorial Ceremony to honor those lost in the tragedy two decades ago.

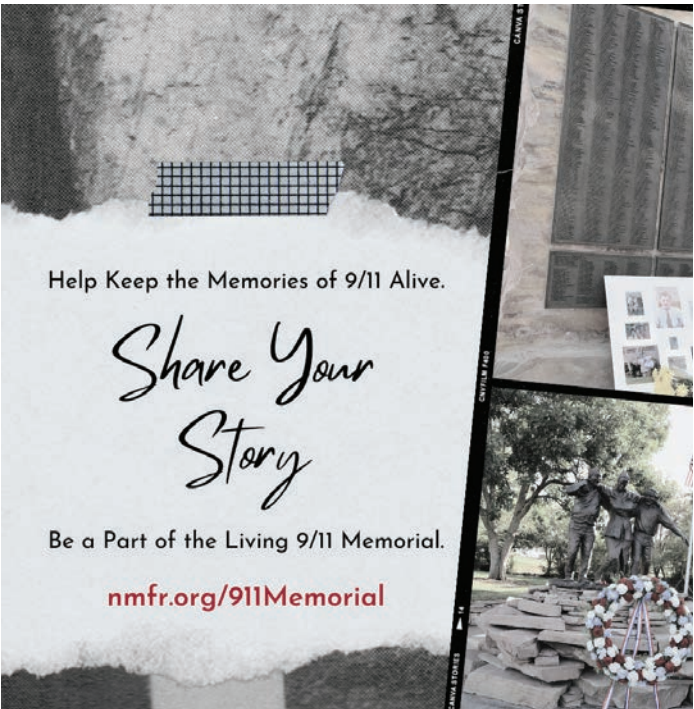

Leading up to the 20th anniversary event, North Metro Fire is

looking to recognize and share stories from Colorado residents who either lost a loved one in the attacks or who had a personal experience related to the events that took place that day and the weeks that followed.

Additionally, the fire district welcomes stories and reflections on 9/11 by Broomfield and Northglenn residents who weren't closely tied to the tragedy but who would like to share their thoughts

as part of a community exhibit to honor the 20th anniversary of 9/11.

Stories will be shared in various ways on social media and in public areas within the fire district. Any area residents who would like to share their story related to 9/11 are invited to contact North Metro Fire Public Information Officer Sara Farris at 303.252.3017 or sfarris@northmetrofire.org.

SUMMER ENTERTAINMENT AT THE PARK

ADELANTE

Just about every youngster loves Pixar films – no matter what language they speak. Visitors to E.B. Rains Jr. Memorial Park watched 'Onward' (Spanish translation: adelante) with the audio in English and Spanish subtitles on July 7. Northglenn Arts has shown at least one film of their Summer Movie Series in this format for the past few years. Muchas gracias to everyone who attended 'Onward' or one of the other movies, and plan on joining us again next year!

CATCHING SOME LOCAL MUSIC

The Summer Concert Series provides a great setting to sit back, relax, and experience the best of local music. This crowd listening to Jyemo Club on June 16 can attest to that! But this girl tossing the pigskin shows you can still have fun at E.B. Rains Jr. Memorial Park while the tunes play. Thanks to everyone who attended this year's series – and go to Page 12 to see more of the musical performers coming to Northglenn this fall!

NEIGHBORLY HONOR

These residents were nominated and will receive the Good Neighbor Award for their actions in the community. City Council will honor them on Aug. 9. Congratulations!

JULY FOURTH QUARTERS

Not knowing what types of limitations would be around for COVID, July 4th was changed for 2021 to a "progressive" event day. This allowed families and friends to gather in four parks from 8 a.m. to 7 p.m. to celebrate the Independence we share in the good old USA.

The events started in E.B. Rains Jr. Memorial Park, with the traditional car show and nearly 100 vehicles, and continued in Fox Run North Park with family activities over the lunch hour and ending the evening with

big concerts in Wyco Park and Danahy Park.

In a bit of neighboring city comradery, Northglenn invited Westminster residents to its daytime activities, while in turn, Northglenn residents were invited to attend Westminster's fireworks display.

Next year we plan to return to a large event in E.B. Rains Jr. Memorial Park. Our traditional fireworks show will be available for the opening of the new recreation center on Saturday, Oct. 9. ► See cover for more.

Congratulations to the winners at the July 4th Car Show!
