2 New Council Members

City Ballot Items for Sales Tax Extension, Gender-Silent Titles Pass

City residents elected two new members and five returning members to City Council during the Nov. 7 election. At the time of printing, the election was not yet certified, but unofficial results indicate the following candidates have won their races:

- Incumbent Meredith Leighty will serve a second term as mayor.
- Incumbent Megan Burns was elected to fill a two-year term in Ward 3.
- Adam Nowicki was elected as the new Ward 2 representative.
- Incumbent Katherine Goff will serve a second term in Ward 3.
- Incumbent Rich Kondo was elected to fill a two-year term in Ward 3.
- In Ward 4, incumbent Shannon Lukeman-Hiromasa was elected to fill a four-year term.
- In Ward 4, incumbent Shannon Lukeman-Hiromasa was elected to fill a four-year term.
- Adam Nowicki, left, and Jody Roper were elected to serve in Ward 2 and Ward 4, respectively.
- Also in Ward 4, Jody Roper was elected to fill a two-year term.

Voters in Wards 3 and 4 elected two council representatives due to vacancies on council that were filled by appointment, as required by the City Charter, in May 2022 and February 2023. The shortened two-year terms are necessary to keep the council terms staggered.

Additionally, voters approved two local ballot measures this year. Ballot Issue 3G, approved by 67% of voters, will extend the current 1% sales tax on non-food purchases with the revenue dedicated to supporting public safety, capital improvements including residential streets and park amenities, and other general operations, without a scheduled end date. Ballot Question 3H, approved by 55% of voters, will amend the City Charter by replacing gender-specific pronouns and terms with gender-silent position titles.

The mayor and council members will be sworn in at the Dec. 11 council meeting, which starts at 6 p.m. Term-limited Ward 2 council member Becky Brown and outgoing Ward 4 council member Tim Long will also be recognized for their service on Dec. 11. A public reception will follow in the recreation center community rooms.

AN HONOR FOR THOSE WHO SERVED

The city once again honored all those who served in the United States Armed Forces during a Veterans Day ceremony at the Northglenn Veterans Memorial on Nov. 11. Special thanks to American Legion Post 22, which gave a rifle salute and presented the colors. In addition to the Legion members, speaking at the event were the mayor, members of City Council and Doug Good Feather of the Lakota Way Healing Center. After the ceremony, many gathered in the rec center for a free lunch served by senior center staff. City Manager Heather Geyer, Rosie Garner and Girl Scout Troop 6579. They were treated to a performance by the Colorado Chord Company. Thanks to all who attended and helped out!
CITY MOURNS PASSING OF PROMINENT VOLUNTEER

On Nov. 18, the city lost a valued volunteer and respected community member, Lucille Rivera. Rivera served on the Northglenn Arts & Humanities Foundation (NAHF) and was a former member of the Diversity, Inclusivity and Social Equity (DISE) Board. Her impressive service included Executive Director of the Chicano Humanities and Arts Council, Inc., eight years of leadership at Clinica Tepeyac, photographer (she had her own business), and more. In her NAHF board application, this response from Lucille stood out: "I believe that my purpose in life is to be a servant. Something that I have done in different ways my whole life. I feel honored and humbled to be able to serve in my community if given the opportunity." She will be deeply missed by many. Our condolences to her loved ones.

MEETINGS & STUDY SESSIONS

Council must have two meetings a month. They also typically have two study sessions monthly to learn about and discuss topics in-depth. Special meetings are scheduled if more time is needed to complete city business.

Time/Date: Council meetings and study sessions are both at 6 p.m. Meetings are on the second and fourth Monday of the month; study sessions are on the first and third Monday.

Location: Meetings are held in City Council Chambers in City Hall, 11701 Community Center Drive.

Do you know of a young Northglenn student who has demonstrated this ideal?

We’re looking for nominees for the Adams County Mayors & Commissioners Youth Awards. These honor young people who have overcome overwhelming obstacles to become successful and productive students and members of the community. Nominees must be in sixth through 12th grade and up to 20 years old as of Dec. 31, 2023.

Council will honor Northglenn nominees at a special event on Feb. 5, and at least one of them will be recognized at the county level in April.

Looking for a way to give this holiday season? New toys, diapers and non-perishable food are being collected by the city through Dec. 15.

The toys will be distributed as part of the Police Department’s participation in the KYGO Christmas Crusade for Kids, while local food banks will receive the food and diapers. (Diapers are particularly high on the wish list this year.)

Thanks again to the Northglenn-Thornton Rotary Club, which is sponsoring and promoting the drive!

The city has apparel and merchandise that supports events, activities and programs in Northglenn.

Northglenn Community Foundation offers utility bill assistance to Northglenn households that have lived in the city for at least six months and meet certain income thresholds. Funds are paid directly to the city utility account.

▶ For guidelines or to apply, go to www.northglenncf.org and click “Utility Assistance” on the top menu.

What do you get for the city resident who seemingly has everything? That’s right: Northglenn Gear! The city has apparel and merchandise available so you can show off how much you love being from Northglenn.

▶ Just go to www.northglenn.org/gear to see the designs and items available.

And for a little more incentive, from Dec. 1 through 20 everything is 10% off!

All proceeds from the site go to the Northglenn Community Foundation, which supports events, activities and programs in the city.

The Northglenn Connection is delivered monthly to residents and to learn about what is happening in the community. This and past editions are also at www.northglenn.org/connection. Contact John Eisel at jreisel@northglenn.org for any questions, comments or concerns.

To win the award, the city had to publish a budget that serves as a policy document, operations guide, financial plan and a brighter day." If you can make it through the night, there’s a brighter day. “— Tupac Shakur

2023 Wrapping Up Nicely

Happy holiday season Northglenn!

I’m honored to have been re-elected as mayor of the City of Northglenn and I’m dedicated to serving our whole community. I look forward to seeing you all at a variety of events and celebrations in the next few months. As we look back on 2023, we have a lot to appreciate about our great city!

Business growth in Northglenn is on the rise! Have you made it over to Raising Cane’s Chicken? It recently opened at 1208 and Irma, and I was excited to meet the manager on grand opening day.

In the Northglenn Marketplace, Prost Brewery is scheduled to be open by the end of 2023. Prost Brewery expects to open at the end of the year! With 300,000 annual expected visitors, 200+ new jobs, and a $25 million investment in our community, it will also be a fun new place to gather with friends.

Our city has enjoyed some serious “sprucing up” this year. We had the widening of 120th Avenue, many park improvements, repaired streets, water and wastewater infrastructure upgrades, and also construction began on our new City Hall (read more below). I am thankful we have the resources to invest in our community and continually improve city services and facilities for our residents.

In my role, I have the opportunity to represent Northglenn regionally and locally to ensure that we have a voice in state decisions. Using feedback from residents, business owners and city staff is a priority for me. Our “small but mighty” city has a chance to be a frontrunner in the climate efforts in our state and we should all be proud of the direction we are heading. I am excited to work with a newly-elected City Council and we will continue to seek out your input and engagement.

I wish you all a healthy and safe holiday season!

– Mayor Meredith Leighty

And to Top It All Off…

New City Hall Reaches Construction Milestone

On Nov. 13, council and project teams gathered to mark the last beam placed atop the new City Hall! The topping out ceremony is a tradition in which the tallest and last beam is placed on a project, marking a major construction milestone. Project team members including city staff, FCI Constructors (general contractor), Cumming Management Group (project managers), and Anderson Mason Dale Architects pointed out construction highlights to elected officials and then all could sign their name on the building.

As a reminder, the new City Hall building design process began in fall 2021, the project broke ground in fall 2022, and is scheduled to be complete by March 1, 2024. Drilling can run for up to three years and will begin just south of the Water Treatment Plant, 2350 W. 112th Ave., and should be complete by March 1, 2024. Drilling can run 24 hours a day at times. Soundwalls are in place to help mitigate the noise, but those nearby may still be able to hear the drilling.

The city thanks you for your understanding and apologizes for any inconvenience.

For more on the project, contact Water Resources Administrator Silas Adams at sadams@northglenn.org or 303.450.4045.

Broadband Work Continues

Broadband infrastructure continues to be installed in Northglenn. This is a private industry project, however, if you have questions about work in your area there is information at www.northglenn.org/h-fiber and links to the companies doing the work.

If interested, you can be listed on a commemorative plaque in the lobby if you would like to donate towards the public artwork that will be a focal point in the main lobby area. For details, go online to https://nordthglennarts.org/city-hall-campaign.

City Manager’s Column: A Letter from Heather Geyer

City Looking at Underground Water Storage

Drilling Near Water Treatment Plant to See Viability

The city is testing the viability of using Aquifer Storage and Recovery, or ASR, for storing excess water supplies during wet or average years. ASR injects water into deep bedrock aquifers for long-term storage. The water is then available for future recovery during droughts or seasonal high-demand periods. If successful, ASR will provide additional drought resilience and sustainability to the city’s water supplies. The viability of the project will be decided sometime in 2024.

As part of the project, two wells are being drilled just south of the Water Treatment Plant, 2350 W. 112th Ave., and should be complete by March 1, 2024. Drilling can run 24 hours a day at times. Soundwalls are in place to help mitigate the noise, but those nearby may still be able to hear the drilling.

The city thanks you for your understanding and apologizes for any inconvenience.

North Metro Fire Rescue
This holiday season, whether
you go all out like Clark
Griswold or keep your decora-
tions to a minimum, there are
certain fire hazards associated
with decorations all residents
should avoid. Follow these
tips from North Metro Fire
to help keep your family and
home safe this December:
• Choose holiday decorations
that are flame-resistant.
• Water your Christmas tree
daily to keep it from drying out.
• Avoid overloading electrici-
outlets. The circuit can
overheat and cause a fire.
• Never connect more than
three strings of incandescent
lights together.
• Make sure your lights are
third-party tested for safety,
and follow the manufactur-
er’s instructions.
• Use battery-powered candles
instead of traditional ones.
• If using traditional candles,
make sure they are at
least 12 inches away from
anything that can burn.
Never leave candles
untended in a room.
• Make sure all extension
cords and electrical decora-
tions are marked for proper
use and in good condition.
• Outdoor electric lights
and decorations should be
plugged into circuits
protected by Ground Fault
Circuit Interrupters (GFCIs).
• Replace any string of lights
or decorations with worn or
broken cords or loose bulb
connections.
• Turn off your Christmas
tree lights (and any other
powered decorations) before
leaving your home or going
to bed.
• Stay in the kitchen when
cooking on the stovetop, and
keep watch over anything
cooking.

package was dropped off – but now
is gone – let the Northglenn Police
Department know at 303.288.1535. The
police could respond with increased
patrols in your neighborhood and
notifications for residents to be on alert.
Still, there are steps you can take to
prevent porch piracy before it happens.

Take Precautions Against Porch Pirates
With Americans shifting their spend-
ing habits online, that means a lot
more opportunities for crooks to steal
packages right off your doorstep. These
thieves, also known as porch pirates,
can strike at any time – but especially
during the day when people are typi-
cally at work.
If you suspect a package has been taken,
first contact the shipping company
and/or seller, as there may be a delay
in delivery.
However, if you’ve confirmed the
package was dropped off – but now
is gone – let the Northglenn Police
Department know at 303.288.1535. The
police could respond with increased
patrols in your neighborhood and
notifications for residents to be on alert.

**COMMUNITY ENGAGEMENT**

**The Northglenn Recreation Center, Northglenn Senior Center and Parsons Theatre are located at 1 E. Memorial Parkway.**

**YOUTH ACTIVITIES**

Who says big kids have all the fun? These activities at the rec center give young children a place to interact in a supervised environment while having a blast! Use RECTRAC CODE: 30020000 for both.

**Adult’s Night Out**

Thurs., Dec. 21, 5:30-8 p.m. | Ages 3-10

Need a night out to get some shopping done, have a nice dinner, run errands and catch up with quiet time? Bring your kids over to the rec center, where they can bustle around the indoor playground and children’s classroom. We’ll have fun, games, crafts, pizza and plenty of playtime. Children must be potty trained. Cost is $18 for residents and $25 for non-residents, with a second child discount of $13 for residents, $19 for non-residents. Register by Dec. 14.

**Family-Friendly New Year’s Party**

Sun., Dec. 31, 11 a.m.-12:30 p.m. | Ages 0-10

Bring the family to ring in the New Year and get to bed on time. Head to the community rooms for games, treats, dancing, a noon-year countdown and more! Sign up by Dec. 27. Cost is $5 for residents per person, $6 for non-residents. Children 2 and under are free.

**FITNESS**

Whether you’re getting fit for the holidays or setting a New Year’s resolution, the rec center has classes, activities, and trainers to help you to your goals!

**Sound Bath Workshop**

Sat., Dec. 16, 12-1:30 p.m. | Ages 16+ | Ages 12+

Experience what sound vibration can do for your body, mind and energy field. Cost is $20 for residents, $25 for non-residents. Please sign up by Dec. 13. RECTRAC CODE: 30423001

**New Year’s Yoga Workshop**

Fri., Jan. 5, 5:30-7:30 p.m. | Ages 16+

Welcome the new year with intention and positivity. This workshop is designed to help you kick-start your resolutions and create a strong foundation for a healthier and more balanced year ahead.

Begin by setting intentions followed by an energizing and goal-oriented yoga session. Next, complete a vision board that will visually represent your goals. Finish with breathwork to align your mind, body and spirit. This class is suitable for all experience levels. Register by Jan. 3. Cost is $15 for residents, $20 for non-residents. RECTRAC CODE: 10423004

**6-Foot and Under Tournament**

Sat., Jan. 13, 9 a.m.-3 p.m. | Ages 18+

Adults 6 feet tall and under can hoop it up in this 4 vs. 4 tournament. Rims are set at 8.5 feet tall and dunking is allowed. Teams have four to eight players, and they must provide white and black shirts or jerseys. The single-elimination tournament is limited to 12 teams. All squads play at least three games. Cost is $140 per team. Please register by Jan. 8. RECTRAC CODE: 10746003

**STONEHOCKER HOLIDAYS**

Enjoy these events at Stonehocker Farmhouse, 10550 Fox Run Parkway.

**Free Bike Giveaway**
