Gain Insight Into Public Works

OPEN HOUSE: Tues., May 23, 3-7 p.m., Maintenance & Operations Facility, 12301 Claude Court

Get a better idea of how Public Works supports the Northglenn community at

our fourth annual open house as part of National Public Works Week.

You'll be able to meet Public Works staff, see and climb on some of the equipment we use, and learn about how we process

and conserve the city's water.

There will be hands-on activities, giveaways and fun for the whole family. The entire event is free – we're even providing food.

PUBLIC WORKS WEEK: MAY 21-27

More than 30,000 departments in the U.S. and Canada use National Public Works Week to energize and educate the public on the importance of public works to their daily lives: planning, building, managing and operating at the heart of their local communities to improve everyday quality of life.

NOW HIRING!

With so many exciting things happening in Public Works, we are excited to share we are growing our team! Stop by our booth to learn more about the job opportunities currently available and what it's like to work for the city!

Department Earns National Accreditation

The Public Works Department recently received full accreditation from the American Public Works Association (APWA) for the first time.

This accreditation formally verifies and recognizes that the agency is in full compliance with the recommended management practices set forth in APWA's Public Works Management Practices Manual.

Northglenn is the ninth agency in Colorado to achieve accreditation.

"It is a tremendous accomplishment to have accreditation, this honor certifies

what we have built over the last four years. This kind of thing doesn't happen without the managers and staff that put in the work and effort every day," said Public Works Director Kent Kisselman.

This voluntary process has taken over two years and required intense evaluation of 561 specific areas – everything from the department's procedures to communication to culture. This has led to improved operating procedures, more efficiency and increased preparedness in case of an emergency.

The purpose of accreditation is to promote excellence in the operation and

management of a public works agency, its programs and employees.

Open to all governmental agencies with responsibilities for public works functions, initial accreditation from APWA is for a four-year period, during which time semi-annual updates will be required to demonstrate continuing compliance. After that, there is a re-accreditation process that builds on the original accreditation, encouraging continuous improvement and compliance with newly-identified practices.

Getting to Know Your Council Members: Ward 1

Megan Burns

It didn't take Megan Burns long to get active with the city. She moved to the Grant/Washington neighborhood with her husband and son (and now there's a little girl on the way!) in March 2022. She quickly joined the Citizen's Affairs Board and then was appointed in March to the Ward 1 council position after Ashley Witkovich left office.

• What Do You Like Most About Northglenn? This is an amazing and supportive community. I take my son for walks most days and love seeing my neighbors and casually chatting. Everyone is so friendly and welcoming. It reminds me of the Philadelphia suburb I grew up in.

I also love the parks and open spaces. I enjoy taking long walks to catch a beautiful sunset on the trails.

Also, as a busy mom, I am a big fan of our easy access to so many diverse stores and the amazing events that my family loves to attend!

• What is Your Education and Career Experience? I got my BA at Ithaca College, where I studied pre-law,

business, and psychology, and during the pandemic, I got my certificate in journalism from Michigan State. I have spent most of my career in content marketing and social media.

• Why Did You Run For Office? The main reason was to represent the views of my neighbors who are young families moving into the area and want to help shape our community and make sure we are planning for a sustainable future for our children.

I also would love wider sidewalks!

• What Community Issues Are You Most Interested in Addressing? More local and small businesses. Ward 1 only has three restaurants! Also, I would love to make Northglenn more walkable and accessible to all community members.

• What Regional Issues Are You Most Interested in Addressing? Expanding access to public transportation. The N Line is great; however, it's not always easy to get to.

TREE TOPS

Some trees are pretty. Others picturesque. But it takes a special quality to take the title of Northglenn's Most Magnificent Tree!

If you know of a tree inside city borders that stands out among the rest, nominate it for the award. It can be on public or private land. A plaque will be made for the winning tree and the owner will receive a \$100 discount on their water bill.

To enter, please email Jenni Murphy at jmurphy@northglenn.org. Include your name, number and the location of the tree. Entries will be accepted until July 27.

◀ **Holly Dowling's mighty oak at 789 Dean Drive was named the 2022 Most Magnificent Tree.**

CLIMATE CHANGE DISCUSSION

Tues., May 23, 5 p.m., Northglenn Recreation Center, 1 E. Memorial Parkway

Climate change is a global occurrence that requires comprehensive action across communities. It impacts public health, water, waste management and overall quality of life.

Hear from experts and community leaders about the risks posed by climate change and the actions communities, including Northglenn, are taking to reduce their contributions to climate change and manage its negative effects. Also, learn actions you can take as an individual.

▶ For more information or to RSVP, go online to www.northglenn.org/climatediscussion.

The Parks, Recreation & Culture Department is in the midst of updating its long-range plan, called Northglenn Playbook, but it needs your feedback to make it successful! Go to www.northglenn.org/playbooksurvey, where you can answer questions online about everything from parks to facilities to programs to classes – and more! This survey will be open through the end of May.

▶ For more information about this endeavor, go to www.northglenn.org/playbook or contact Jesse Mestrovic at 303.450.8838 or jmestrovic@northglenn.org.

Mayor's Memo: A Message from Mayor Meredith Leighty

New Beginnings This Spring

Spring is in full bloom and there is evidence of new beginnings and new growth all around Northglenn!

Leighty

I'm reminded of the quote: "An optimist is the human personification of spring" by Susan J. Bissonette. Read on for several fresh happenings in our city.

Welcome

I'd like to formally welcome our two newest council members, Tim Long in Ward 4 and Megan Burns in Ward 1. Both of these individuals bring a spirit of optimism and service to their roles on council.

Mingle Feedback

The Mingle with the Mayor event

in March was reformatted to ensure that resident feedback was collected in a way that will lead to improvement and change. Thank you to those that attended and I look forward to hosting more of these types of gatherings in the future.

As promised, the feedback was presented at the following council meeting and also shared with city staff. The questions (and answers) can be found online at www.northglenn.org/virtualtownhall.

Strategic Planning

This month, council and staff will come together at a strategic planning retreat. This is the last year of our five-year strategic plan; the number of benchmarks we have met in this ambitious plan is impressive! The details will be shared at the State of the City

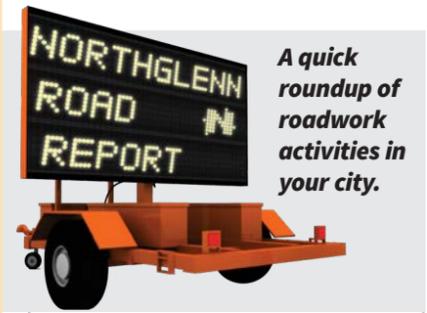

in July. Next year, council will engage in a robust strategic planning process to lead us through 2025 and beyond.

► Go online to www.northglenn.org/strategicplan for details.

State of the City

Mark your calendar for the Northglenn State of the City on July 20. This will be a free event, open to all residents. There will be fun, prizes, food and more! This is a great opportunity for City Council, staff and our most engaged volunteers to share what they are doing to ensure that Northglenn is thriving. You can also learn more about recent projects and future goals. I hope to see you there! ► Learn more about the State of the City and its sibling Neighborhood Night events on Page 8.

– Mayor Meredith Leighty

A quick roundup of roadwork activities in your city.

- Progress continues as planned on the **120th Avenue Improvements Project**. Crews are simultaneously working on lighting, curbs, stormwater infrastructure and the street itself. Motorists and pedestrians may notice some dark patches, as lighting is being removed and installed on both sides of the street.

When finished, East 120th Avenue will be widened from two lanes to three in each direction from Sylvia Drive, just east of Washington Street, to the N Line overpass, eliminating a bottleneck over that stretch. ► For more information on the project, go to www.northglenn.org/120thavenue.

Civic Center of Attention

► Work on New City Hall Leading to Parking Adjustments

Geyer

Exciting things are happening on the Civic Center Campus!

New City Hall Construction

Phase 2 of the Civic Center Master Plan is coming to life with the construction of the new City Hall.

Construction partner FCI has been busy working on site preparations. This includes demolition of existing sidewalk, removal of trees and parking lot asphalt. The construction area is visible through the fencing on the east side of the existing City Hall. The 32,600-square-foot new City Hall will be nestled into the hillside south of Memorial Parkway. The City plans to break ground on the construction of this new facility on June 5.

Please know that there will be construction activity in this area through the fall of 2024. While we don't have an exact move-in date, we hope to be in the new facility by the fall of 2024/winter 2025.

Plan Ahead for Parking

With so much going on in such a small area, invariably parking is going to be affected. A map of the construction area and parking options is available at www.northglenn.org/newcityhall.

We will push out updates on any changes to parking via social media and in the Connection.

- Between June 2023 and November

This red area of this map is the footprint for the new City Hall. You can see the current facility to the east and the rec center in the background. Crews have started preparing the ground ahead of the official groundbreaking on June 5.

2023, parking on the south side of Memorial Parkway will be fenced off. Construction fencing will shift south and those parking spaces will be available later this year.

- Between December 2023 and October 2024, the south entrance to City Hall will not be accessible. The public can still enter through main entrance of City Hall, via Memorial Parkway.
- All city facilities will be open as usual during construction.
- Parking will be available in the old Northglenn Recreation Center lot during construction. The only exception is during Food Truck Carnival, May 19 through 21. For large city events, I recommend parking at the Wagon Road Park N Ride, located on Huron Street and 120th Avenue. Additional lighting and police presence will be provided at night to support use of the tunnel under Interstate 25 during our special events.
- Visitors are flocking to the new

Northglenn Recreation Center, Senior Center and Theatre! This means that depending on the day, time and what programming is happening at the facility, please plan extra time to find parking.

A Couple Quick Updates

- Community Center Drive Paving – Repaving between 120th Avenue and Malley Drive will start May 1.
- The current City Hall main entrance parking lot will be repaved May 8. The area needs a little extra TLC beyond just patching potholes. The repaving will be done in a financially responsible manner so it can hold up for 18 to 24 months.
- Old Recreation Center Building – Staff is working on plans to demolish the building in the fall of 2024. The facility will remain fenced off until that time. The city is required to complete environmental remediation on the site and the building, which is why the demolition has been delayed.

– City Manager Heather Geyer

▶ 30+ Years in Northglenn Leads to Longevity Award for Animal Clinic North

Animal Clinic North doesn't need nine lives to have a long run in business.

The veterinarian office, owned by Dr. Kerry Madole, won the 2022 Longevity of the Year award.

The business opened in Northglenn 31 years ago as a small office and now has expanded to a four-doctor practice with more than 12 staff members.

Animal Clinic North sees mostly cats and dogs. They have between 15,000 to 20,000 clients who have two or three pets each and offer everything from vaccines to complex surgeries.

"We are blessed with one of the best staff we could put together. My crew works extremely hard every day and comes to work with a great attitude, and I couldn't be more proud of them," said Madole.

Animal Clinic North focuses on comprehensive care for everyone who wants to take care of their pet. People have different levels of resources available and Animal Clinic North will help families make the right decision for the pet and the family. Staff have to understand what a client feels for their pets and have empathy to show that they have the situation under control.

Madole has always wanted to be a veterinarian. "I started life on a farm and gained a lot of experience. My mom jokes that when I was 5 years old, I told her that I wanted to be a veterinarian," he said.

Dr. Kerry Madole accepts the award from former council member Ashley Witkovich in October 2022.

Note: This is the sixth in a series featuring winners from the 2022 Business Appreciation Event.

He added that he feels kindred to Northglenn's welcoming, supporting community and how down-to-earth it is.

"What this award means to me is that the community continues to support this clinic and has allowed us to keep growing and provide more services," said Madole.

New Economic Development Director for City

▶ Moeding Comes from Evans with 20+ Years in Field

Moeding

On April 10, the City of Northglenn welcomed Allison Moeding as the new Economic Development Director and NURA Executive Director, following the retirement of longtime director Debbie Tuttle.

Moeding's economic development career spans more than 20 years, working for cities in Kansas, Maryland, and Colorado. With experience in municipal business recruitment, business retention and expansion programs, and urban renewal, Allison looks forward to getting to know the 1,000+ businesses located in Northglenn and supporting the needs of our community.

Have fun all summer long with trips throughout Northglenn, the metro area, and Colorado! Trips are starting to sell out, so sign up quickly! Cost is \$45 per trip for residents, \$50 for non-residents. Register for three trips in a week and receive a discount!

► Go to www.northglenn.org/teens for the complete list of trips, related RecTrac codes, and all the required program paperwork needed.

STREET SWEEPING MAP

The map shows areas labeled 1-7. Each area requires two days to complete. Your address determines your sweeping day.

If your address ends in 1, 3, 5, 7 or 9, you are on the odd schedule. If the number of your address ends with 0, 2, 4, 6 or 8, you are on the even schedule.

- The first date is the odd-numbered side of the street.

- The second date is the even-numbered side of the street.

You must keep the sweeping side of the street clear from 7 a.m. to 4 p.m. for both days of the cycle. You may still drive on the street, but not park.

This process will continue throughout the schedule.

Street Sweeping in May

The city's goal is to sweep all streets twice a year. It helps keep our roads, air and water clean by collecting dirt and other particulates. This spring, sweeping begins May 2 and runs through the end of the month.

However, we need help from residents. Review the map above to see when your street is scheduled, then please make sure any vehicles, trailers, carts or other large items are off the street or on the opposite side on your scheduled day. If something is in the way, the city will NOT sweep that area. Thank you for doing your part!

As a reminder, signs will be put up on the Monday before an area is swept.

To reduce confusion and disruption, the city will stick to the schedule,

weather permitting. If something causes us to miss any street(s), they will be rescheduled for the end of the month. If needed, a new schedule will be posted at www.northglenn.org/streetsweeping.

Questions? Call 303.450.4001 or go to the web page.

Neighborhood Nights Coming to Your Ward

► Enjoy Food Trucks, Music

Summer evenings in the park have become a staple of City Council's outreach with residents.

This positive policy continues with Neighborhood Nights ... coming soon to a park near you!

• June 1 – Ward 1: Central Park at Fox Run (East

108th Avenue and Fox Run Parkway)

• June 22 – Ward 2: Wyco Park (117th Way and Wyco Drive)

• July 20 – State of the City: Festival Lawn (11701 Community Center Drive)

• Aug. 10 – Ward 3: E.B. Rains Jr. Memorial Park (West of 117th Avenue and Lincoln Street)

• Aug. 24 – Ward 4: Danahy

NEW STATE OF THE CITY EVENT

The July 20 Neighborhood Night event has been leveled up to the State of the City! Meet with Mayor Meredith Leighty and council members, hear what has been accomplished, our current endeavors and where the city is going.

As a bonus, in addition to music by the popular That Eighties Band, the food at this event will be free and there will be a drone light show to wrap up the evening!

Park (Roseanna Drive and Livingston Drive)

Each evening comes complete with a local band and food

trucks – performing on June 1 will be the Steve Thomas Trio, with Darleen'z Dillaz for dinner and Kona Ice for dessert.

The festivities begin at 5:30 p.m., where you can meet with your respective City Council members, along with various staff members. As a bonus, if you meet with council, you'll receive a \$7 coupon for the food truck. The music runs from 6 to 8 p.m.

► Go to www.northglenn.org/neighborhoodnights or check out future editions of the Connection for more information.
