Do I have to create an account to use the online registration system?
Yes. Please create a new account at northglenn.org/playnorthglenn. The registration link is located at the top of the page. Create a username and password, and add your household members to your account.

What can I do with online registration?
You can use the registration website to register for classes, make a payment, look up your transaction history and check your account balance.

Is your system secure?
We have taken many steps to ensure the security of your transaction. Our online registration employs 128-bit encryption along with other industry standards.

Are there programs that are not available through online registration?
Yes. In these cases, in-person registration is required. However, you will still be able to view the details online. In this guide, the classes with a class code indicate online registration availability. Please call 303.450.8800 for further information.

I am a non-resident. Can I use online registration?
Yes. The registration process is the same for both residents and non-residents. However, non-resident fees and registration times may be different from resident fees and registration times.

I don't feel comfortable using a credit card over the internet. Can I still register online?
Yes. If you already have a credit on your account, that credit can be used toward payment for registration. The credit must be large enough to cover the full amount of the class. Otherwise, a credit card will need to be used to pay the difference. You may add credit to your account by going into the Recreation Center. Our online registration system uses a variety of security measures to maintain the safety of your personal information.

What if I received a credit from a recreation program or service?
Credit balances are kept on your household account to be used for any other recreation program or service. Credit balances must be used within one year.

**Theatre & Cultural Arts**
Northglenn Arts is always looking for volunteers to help at the Parsons Theatre. If you are between 14 and 18 years old, and are interested in what happens behind the scenes, apply to be on our youth technical team for our Northglenn Youth Theatre (NYT) productions.

Anyone can volunteer to help our patron services team by scanning tickets, ushering patrons to their seats and being an official greeter in the lobby. We depend on our volunteers to help make the experience a memorable one for all of our patrons.

**Neighborhood Beautification**
Do you have an eye for a beautiful yard? Each summer, volunteers search the community for particularly spectacular front yards.

**Northglenn Bike Program**
Do you have an unused, old or broken bike lying around, collecting dust? We’ll fix it up before giving it to a local family.

**Holiday Bike Giveaway**
Sat., Dec. 7, 9-11 a.m., Stonehocker Farmhouse, 10950 Fox Run Parkway

**Volunteer Projects**
Have a volunteer project in mind, or need to volunteer to fulfill school or other requirements? Give us a call to see how we can help.

**Park and Trail Partners**
Even if your thumb is less than green, help is still needed to plant and care for flowerbeds or keep a park or stretch of trail free from trash and debris.

**Snow Stormers**
Many city residents physically cannot clear their sidewalks when it snows. If you could shovel their snow - whether in the evening or morning - it would make a huge difference.

**Boards and Commissions**
Boards and commissions give people a voice in the city’s government! Influence decisions that shape the quality of life in Northglenn by advising the city or City Council on specific topics relating to their board.

**Neighborhood Watch**
Learn how to keep your streets safer from crime and how to be a better neighbor. Northglenn already has a number of Neighborhood Watch programs — join one or start a watch in your area.

**Senior Center**
Support your peers by helping at the desk, planning parties or providing a friendly face. Your wisdom, experience and joy are welcomed.
