

# Geneva Sandusky

Nominated by Sherry Clark

AUGUST  
2020

“

**Geneva Sandusky is truly a good neighbor. She keeps an eye out for any unusual activity around our home when we are not here. She has even contacted law enforcement when she has noticed something out of the ordinary when we were gone. She collects our mail often as we are out of the state for extended periods and has even mailed items to us when we are gone. We so appreciate Geneva and are very thankful that she is our neighbor.**
