

Cathy & Stu Melvin

Nominated by Margaret Hansen

“

I would like to nominate Cathy O’Grady Melvin and her husband, Stu Melvin. Cathy is a nurse practitioner and she is our neighborhood nurse, as well as, the church nurse at the Catholic Church in Northglenn. Cathy is a volunteer in several organizations and is always willing to offer a helping hand, as well as, delivers her chicken noodle soup when you’re sick, and also shares delicious goodies.

I want to nominate Stu Melvin because so many times he, or Cathy, pulls my trash receptacle off of the street up to my garage. It is so appreciated. They are wonderful neighbors.
