

Mark & Courtney Montgomery

Nominated by Valerie McNew

AUGUST
2020

“

For the last few years this couple has taken their time to make sure snow is cleared from my property so I don't get fined. They bring me baked goods and make sure every year that I receive a Christmas gift. Always have a kind word or take time to make sure I am doing good. Not only for me but for others on the block as well. Truly an inspiration to see the kindness this young couple and their children spread.
