

Paul Heaton

Nominated by Crystal Lehman

“

Every winter for 21 years he has gone out of his way to snowplow the corner of 105th, before the plows are able to get out. He drives up and down Ura lane, and around the neighborhood, to help seniors that can't get out to do their driveways. He has a Christmas Eve party for the neighbors, but not this year due to COVID. He is a great man, always lends anyone a helping hand. Paul also volunteers at a food bank.
