WELCOME TO NORTHGLENN!

Welcome to Northglenn - where families and businesses can thrive! Our city officially turned 50 in 2019, though the area grew from the Perl-Mack subdivision dubbed "the most perfectly planned community in America" by Life magazine and the National Association of Home Builders in 1961. Today Northglenn covers 7.5 square miles, and is home to 39,000 residents and 1,000 businesses.

CITY OF Northglenn

Thank you for choosing Northglenn! We welcome you to our close-knit community and invite you to explore the great things the city offers. We have a variety of vibrant neighborhoods; wonderful parks and trails; a recreation center, senior center and theatre (with a new facility opening in late 2021); and many community events. We strive to be inclusive, and greatly value the arts & culture, diversity, and input from and engagement with our residents. The City of Northglenn provides municipal services such as public safety, public works, water/trash, parks, recreation, and arts programming. We feel Northglenn offers an excellent level of service to residents and businesses, and we work hard to respond to the needs of our community. Again, welcome, and we wish you the best in making Northglenn your new home. ~ Mayor Leighty & City Council
