

## Festive Opening for Northglenn Sculpture Garden

The city and the Northglenn Arts and Humanities Foundation dedicated the Eleanor M. Wyatt Centennial Park Sculpture Garden on June 10. Located at Kennedy Drive and Melody Drive behind the Northglenn Marketplace, the Sculpture Garden is dedicated to the presentation of public art. Four sculptures are currently in the garden and it could eventually grow to as many as 20. Visitors are encouraged to tour the garden and enjoy the art and peaceful surroundings. About 180 guests attended the dedication, including former Northglenn Mayor Odell Barry and Eleanor M. Wyatt, who was instrumental in the original development of the park. They are pictured to the right with Mayor Joyce Downing.

## Justice Center Takes Shape

### ■ Facility for Police, Courts to be Built at Community Center Drive & 112th Ave.

The new Northglenn Justice Center is now in the design phase of the process, and it's looking awfully good.

Since Hoefer Wysocki Architecture LLC was contracted to create the design this February, they have been hard at work designing a building that will meet the needs of the Police Department, Municipal Court and the residents of Northglenn into the future.

Because the building will overlook Interstate 25 and be highly visible, we are creating a landmark – one residents and travelers will identify as being with the city of Northglenn. The building will be two stories, with the Municipal Court and police functions requiring public access on the main floor, and police functions not requiring public access on the bottom level.

The new center will be on a six-acre site owned by the city in the area of

Renderings of the new Northglenn Justice Center from the west (top) and from the east (bottom.) The public will enter from the west side, while motorists on Interstate 25 will see the east side.

112th Avenue and Community Center Drive, near the water towers.

A new center has been needed for some time, as the current space simply became too small and the existing infrastructure is unable to accommodate modern police standards.

A 2014 assessment identified spatial and functional needs and the plan for a

new building started to move forward.

Cost of the project is estimated to be in the \$21-\$23 million range. Completion will be in early 2018.

A public open house and tours will be held after completion so that everyone can see the new Justice Center.

## Tornadoes Happen in Colorado.

### If you are at home during a tornado:

- Go to a windowless interior room on the lowest level of your house. If there is no basement, go to an inner hallway or a smaller inner room without windows.
- Get away from the windows.
- Go to the center of the room. Stay away from corners because they tend to attract debris.
- Get under a piece of sturdy furniture and hold on to it.
- If you are in a mobile home, get out and find shelter elsewhere.
- Use your arms to protect your head and neck.

### If you are in a vehicle during a tornado:

- Never try to drive faster than a tornado. Tornadoes can change direction quickly and can lift up a car or truck and toss it through the air.
- Get out of the car immediately and take shelter in a nearby building.
- If there is no time to get indoors, get out of the car and lie in a ditch or low-lying area away from the vehicle. Be aware of the potential for flooding.

### Northglenn Marketplace

The Northglenn Marketplace has gone through a lot of change recently. Marshall's and Ulta closed in May, and due to a company-wide bankruptcy, Sports Authority will close all of its stores by August. Additionally, the Armadillo Restaurant will be closing, and IHOP will start renovation on the space, with plans to open in November.

## Selling to the Beat of Your Own Drummer

## ■ Charlie's Auto and Truck Sales Uses Personal, Casual and Hands-On Tactics to Win State and City Awards

Charlie Ehmka started his career as many other 17-year-olds do – at the bottom and working his way up. Beginning as a lot tech at a Ferrari dealership in Lakewood, he quickly moved up to salesman. He was soon overseeing sales teams, and then managing entire car lots.

Ehmka paid keen attention to how an auto dealership worked – and didn't work. He had a mentor early in his career that helped him realize the value of honesty, trust, integrity and customer service. His motto is "Make a friend – make a car sale." Today, he has third-generation families who continue to buy from his dealership.

Eventually, his wife Teri encouraged Charlie to start his own dealership. In 1997, with Teri pregnant with their second child and \$2,000 in a business account, they opened Charlie's Auto and Truck Sales. Two years later, they moved to Northglenn at 2225 E. 104th Ave.

At Charlie's there are no suits and ties, back room negotiations with salespeople or pressure to buy a vehi-

cle. But if you do buy – Charlie will treat you to a drum solo!

Their hands-on and personalized approach eventually led to Charlie's Auto Sales being named the 2013 Quality Dealership of the Year winner by the Colorado Independent Auto Dealer Association. From this, they were honored with the 2015 Small Business of the Year award from the city of Northglenn.

## I-25 Express Lane Tolling Starts July 12

The Express Lane on Interstate 25 has been open for several weeks at no cost to drivers, but toll collection will start July 12.

If you plan to use the Express Lanes once billing starts, you can obtain an ExpressToll pass, which will automatically track your usage. The pass is available at [www.expresstoll.com](http://www.expresstoll.com) or by calling 303-537-3470.

Vehicles that do not have a pass can still use the Express Lanes, but they will be billed through license plate identification and receive a bill in the mail.

CDOT is creating Express Lanes as a response to increased vehicle traffic in the metro area and to encourage carpooling.

Using the Express Lanes can reduce drive times by as much as 50 percent, which is good news and a time saver, especially for those who commute to downtown. The availability of Express Lanes also reduces the number of vehicles in the non-toll lanes.

Please note that starting in January 2017, three people in the vehicle will be required to qualify as a carpool or high occupancy vehicle (HOV) and use the Express Lane at no charge.

For information about how to use Express Lanes go to [www.codot.gov/programs/expresslanes](http://www.codot.gov/programs/expresslanes).

## A Family Affair

■ Comedic Musical Production Based on Television Classic

The talented cast of the Northglenn Players presents the musical adaptation of *The Addams Family*.

It’s sure to be a hit with seasoned TV watchers and even those who have fallen in love with it thanks to the re-runs on Nickelodeon or YouTube.

This original comedy centers around a now more grown-up Wednesday Addams (*played by Ashleigh Evans*), who falls in love with a “normal” young man, Lucas Beineke (*played by Collin Hill*). Her father Gomez must then struggle to keep this secret from his wife Morticia, and the juggling match between the Addams females is almost too much to handle. Audiences will also recognize many of the other famous characters from the show including Lurch, Fester, Pugsley and Grandma.

The cast has a variety of backgrounds – a perfect combination for a hilarious night of entertainment.

“I love doing the Players’ shows,” said
