

Having Goosebumps During Safe Street Halloween

Northglenn High School students had fun decorating their classrooms in all sorts of fun and scary themes.

Council Member Marci Whitman hands out candy at the event.

Police Chief Jim May's latest creation is a giant yeti.

More than 3,200 people attended Safe Street Halloween on Oct. 22. Attendees wore their prettiest, most exciting and some pretty gruesome costumes. The theme for this year's event at Northglenn High School was *Goosebumps*, the series of frighteningly fun books by R.L. Stine. New features at the event this year included a Trunk or Treat, with local businesses and law officers from neighboring communities handing out candy, the Arachnophobia Corner and the Scary Hallway. City Considering Trash Rate Increase

■ No Increase in Fee Since 2004

The city of Northglenn is considering a rate increase for trash pickup and other related services.

The current rate of \$12.25 was established in 2004 – 12 years ago. Since then, costs of providing the service have increased significantly.

In order to support the trash collection services and avoid a service reduction, a rate increase is needed. The city very carefully considers a rate increase on services and will implement it only if it is determined to be necessary. Now, it is necessary.

The city serves 9,700 residential customer accounts for trash pickup and offers several additional trash-related

Proposed Increases

- The current rate for trash service is \$12.25. The proposed rate, to begin Jan. 1, 2017, is \$16, an increase of \$3.75 each month.
- The city will continue to offer two free special pick-ups. The rate on the third special pick-up will increase from the current level of \$7.50 to \$100. This service is widely used, with over 1,800 special pick-ups in the first eight months of 2016.
- Roll-off dumpster rental will increase from \$180 to \$257. This includes \$180 for the roll-off and \$77 for the tipping fee at the landfill. Free roll-offs will continue to be available for groups of five neighbors.

services. Ideally, the city doesn't make or lose money on trash services, the costs of trash collection are offset by customer fees. For many years it worked that way, however, now costs far outweigh the fees collected. The proposed increase will support the city's trash and recycling program.

Public Hearing

Tell us what you think! A public hearing about the proposed trash rate increase will be held Nov. 14, 2016, during the City Council meeting at 7 p.m.

Carpoolers Need 3 Riders Starting in 2017

What is HOV 3? HOV stands for High Occupancy Vehicles, which is the term used for carpool vehicles. HOV 3 means a carpool with a driver plus two passengers.

The Colorado Department of Transportation (CDOT) Transportation Commission passed a resolution that all CDOT High Occupancy Vehicle (HOV) Express Lanes would change from HOV 2+ to HOV 3+ on Jan. 1, 2017.

Why HOV 3?

With the state’s population exploding and transportation funding decreasing, CDOT and the High Performance Transportation Enterprise (HPTE) must look at new ways to move traffic.

Express Lanes help relieve congestion without the need for a lot of new or widened highways and provide a

desperately needed source of funding for transportation.

What You Can Do

Express Lanes have always been about choice. There are many options now and after the HOV3 change in 2017. You can:

- Find a third carpooler – CDOT and HPTE are partnering with organizations that can help. Visit codot.gov/programs/expresslanes for more information.
- Use the general purpose lanes – they are less congested because of the traffic that diverts to the Express Lanes.

- Ride the bus – Go to rtd-denver.com to explore your options.
- Pay a toll – go to expresstoll.com to get a pass and pay lower tolls
- Coming soon – motorcycles will be able to use the HOV lanes for free without a pass.

Stay in the Know

Visit CDOT’s Express Lanes website at www.codot.gov/programs/expresslanes for the most recent updates. To discuss your account, contact the ExpressToll Service Center at customerservice@expresstoll.com or 303-537-3470.

■ **RECYCLE YOUR GREEN WASTE; PICK UP MULCH:** Rather than filling your trash cart with leaves and branches, take them to the city's Yard Waste Mulching Center (YWMC). It's free for Northglenn residents to drop off green waste, which includes grass clippings, leaves and branches.

The center is open every Friday from 11 a.m. to 2 p.m. Through November, the center is also open every Saturday from 8 a.m. to 3 p.m.

The YWMC is located at the city's Maintenance and Operations Facility, 12301 Claude Court. Please bring proof of residency when dropping off green waste.

The city has free mulch available for anyone – residents, non-residents and businesses – to come and pick up. It's the same mulch we use at our parks!

For more details call 303-450-4004 or go to www.northglenn.org/yardwaste.

■ **NO SHAVE NOVEMBER:** If your friendly Northglenn police officer is looking a bit ... shaggy ... in November, know that it's for a good cause!

The department is participating in No Shave November, a benefit for the American Cancer Society.

The normally clean-shaven force is growing out their beards to raise awareness and funds for cancer research.

Last year, the department raised more than \$4,200.

Contribute to the cause through November by donating to the American Cancer Society. The Police Department is located on the lower level of City Hall, 11701 Community Center Drive.

For more information contact Officer Brian Kidwell at 303-450-8974 or bkidwell@northglenn.org.

Bicycle First Aid at E.B. Rains Jr. Park

A bike repair station was installed in October at E.B. Rains Jr. Memorial Park. City staff and the HEAL Committee will evaluate usage and feedback to determine if more stations should be installed along Northglenn trails.

Use your smart phone to click on the QR Code. It will direct you to a website that shows you how to make many basic repairs on your bike.

The station is equipped with wrenches, screwdrivers and other tools to help you with repairs.

Stories and events with a HEAL Committee logo next to them mean that they promote healthy eating and/or active living.

The Healthy Eating Active Living (HEAL) Committee supports efforts that make it easier for city residents to live a healthier lifestyle. Go to www.northglenn.org/heal for more information.

You can hang your bike on the arms on the top of the station, making repairs easier. Next to the station is a pump for low or flat tires.

Name-A-Seat Aids Youth in Theater

■ Plaques Placed on Seats in D.L. Parsons

Name-A-Seat, and show your support for arts and culture in Northglenn!

For \$250, you or a loved one can be honored with a personalized name plaque on one of the seats in the D.L. Parsons Theatre.

All revenue will go to the Northglenn Arts Youth Scholarship endowment, so more youth can participate in theater programs, productions and classes through the city.

The three-line message on the seat

plaque could be used to celebrate a special occasion, honor family or friends, memorialize a loved one or acknowledge a business or social club, as examples.

All donations to the Name-A-Seat program will go to the Northglenn Arts & Humanities Foundation (NAHF) and are tax-deductible. NAHF will provide a letter for your records.

For more information, please contact Candice Marchese at 303-450-8846 or cmarchese@northglenn.org.

Businesses Needed to Take Snow Stormer Challenge

Looking for a way to benefit the community?

Many people in Northglenn are unable to shovel snow from their own sidewalks and driveways. You and your employees can help by being a part of the Snow Stormer Business Challenge.

Get involved. Simply sign up to clear snow this fall, winter and spring for one or more city residences. The need is great and the personal reward tremendous.

Shoveling can be done before, after

(or perhaps during) work – whatever works for you and your business.

Your company will be honored with certificates of participation. The most committed business will even receive a golden shovel as a small token of appreciation.

For details about the business challenge, or to sign up as a resident volunteer for Snow Stormers, please contact Jenni Murphy at 303-450-8930 or jmurphy@northglenn.org.

■ Help Sought to Shovel Snow for Elderly, Disabled

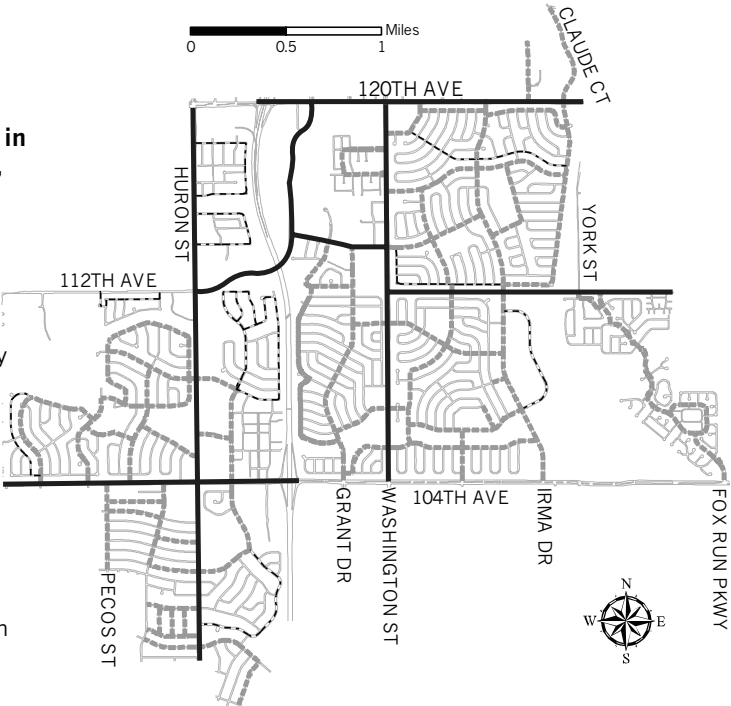

“I can’t tell you how much I appreciate it. It is such a relief not to worry about the snow. They’re wonderful...its transformed my life...”

– Mary Lou, 85-year-old resident, on the Snow Stormer Program

Street Snow Removal Routes

The city first clears snow from roads that receive the most traffic before moving on to other streets. If a major storm is in the forecast, the city will pretreat major streets, overpasses, hills and intersections to prevent ice build up.

- First Priority:** Main streets. All lanes are plowed in each direction. Examples are 104th Ave., 120th Ave., Huron St. and Washington St. *These streets appear in black on the map.*
- Second Priority:** School zones and streets motorists typically use to reach main streets. Examples are Claude Ct., Fox Run Pkwy. and Pecos St. One lane is plowed in each direction. *These streets appear in dark grey dashes.*
- Third Priority:** Residential streets that connect with first priority or second priority roads. One lane is plowed in each direction. *These streets appear as thin black dashes.*
- Fourth Priority:** Residential streets with the lightest traffic. They are plowed only if snow levels reach 8 inches, and then a single lane will be plowed down the middle of the street. *These streets appear in grey outlines on the map.*

New City Logo

Watch For It!

Community surveys told us what residents value about Northglenn...it was home, parks, and trees.

We wanted to differentiate our city from neighboring communities and have our logo reflect who we are now...

a vibrant city that’s a place to call home and a city where business can thrive.
