## Master Plan for Civic Center

### ■ Resident Input Desired to Shape Future of Area Southeast of Interstate 25 and 120th Ave.

How should the Northglenn Civic Center look and feel 25 years from now?

The city of Northglenn is working on the Civic Center Master Plan, an exciting project that will write the next chapter in the community's bright future!

#### What is a Master Plan?

A master plan is a vision for the future of a particular area that is based on thoughtful and strategic analysis along with community input.

#### Where is the Civic Center Site?

The southeast section of Interstate 25 and 120th Avenue, including the Municipal Campus, where City Hall and the Northglenn Recreation Center sit.

#### The Project

In 2011 the city embarked on the redevelopment effort. With the development of the Webster Lake Promenade and the SCL Health Community Hospital under construction, the city turned its attention to the Municipal Campus site, with the master plan process beginning in June 2015. The city must plan wisely to ensure the best use of the land where the Northglenn Recreation

Center and City Hall are located.

#### Project Goals

- Enhance community identity;
- Evaluate the best location and design for municipal facilities;
- Build on the success of the Webster Lake Promenade and SCL Health;
- Strengthen connections between the possible uses of the land.

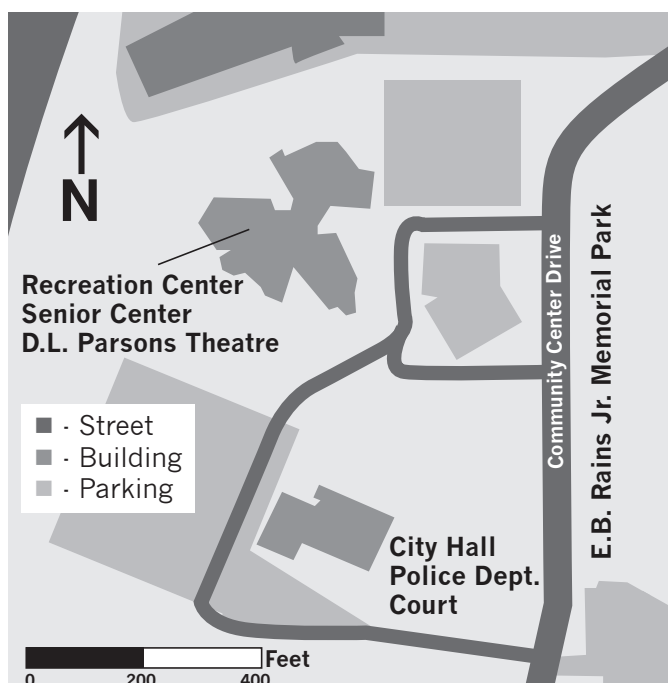

Once complete, the city envisions an inviting and functional heart of the community, one residents will be proud of and that will serve the needs of residents now and for generations to come.

#### Schedule

The plan is scheduled to be completed by the end of the year. Implementation of the plan will take several years and will be phased in over time. Cost is also a consideration; being fiscally responsible is a top priority.

#### Online

Go online to [www.northglennciviccenter.org](http://www.northglennciviccenter.org) for details on what has been done to date and how you can contribute to this once in a generation effort.

Northglenn Celebrates Colorado Cities & Towns Week

Our city is a great place to live, work and play. Celebrate with us – these activities are for everyone!

Northglenn has events and activities throughout the year. Some are regularly scheduled, such as Coffee with the Mayor. Some are designed to engage with the residents on a specific issue, like the Civic Center Master Plan Open House. Others are just for fun, like Pirate Fest. We celebrate our community and residents year round, so for Colorado Cities and Towns Week 2016, we hope you enjoy our salute to city services video, and Where in Northglenn Is It? contest. Celebrate Northglenn, a place to call home.

Where in Northglenn Is It?
