ENTREPRENEURSHIP AND ASSISTANCE FOR SMALL BUSINESS GUIDE

Entrepreneurship and small business development are a vital part of the City of North Royalton's growth. We are committed to helping local businesses succeed and prosper. The information on the following pages is designed to help provide tools to help in the process of opening a successful small business.

For additional information contact Thomas Jordan, Community Development Director tjordan@northroyalton.org or 440-237-5484.

TECHNICAL ASSISTANCE

Who provides technical assistance and training to entrepreneurs in our region?

10,000 Small Businesses. In conjunction with Cuyahoga Community College, this national program provides business advice and education, technical assistance and access to capital for 30 businesses per year that participate in a series of educational sessions. Term loans can be considered for companies completing the program, in amounts up to \$250,000; loans can be for any business purpose, including working capital. The educational program is free courtesy of scholarships from the Goldman Sachs Foundation.

Additional Details: Businesses must have been in operation for at least two years, have at least four employees and have revenues between \$15,000 and \$4 million.

Contact: Kirby Freeman, 216-987-3689 or Kirby.freeman@tri-c.edu.

**CUYAHOGA VALLEY
CAREER CENTER**

Cuyahoga Valley Career Center

With technologically advanced programs and equipment, CVCC provides a strong technical foundation for today's employers. Each year, CVCC students earn state and national skill recognition and provide valuable community resources. An important educational resource for adults and groups from small local businesses to large corporations, CVCC begins career education and exposure in kindergarten.

For additional information, visit the [CVCC](#) website or call 440-526-5200.

Magnet-Wire Net

The mission of MAGNET, the Manufacturing Advocacy & Growth Network, is to support, educate and champion manufacturing in Ohio with the goal of transforming the region's economy into a powerful, global player. WIRE-Net is a non-profit economic development organization dedicated to improving the community through nurturing manufacturing and the jobs and prosperity that come with it. WIRE-Net is a problem solver. It works as a consultant, collaborator, referral source and hands-on provider in workforce development, growth and operational improvement initiatives, peer to peer and expert knowledge sharing, supply chain development, governmental assistance programs and urban redevelopment.

These two organizations are now teaming up to offer a series of seminars and training sessions to help existing businesses target new work. For additional information on these seminars, please view the [Wire Net](#) or [Magnet](#) website.

STATE AND COUNTY FINANCING PROGRAMS

JobsOhio

JobsOhio offers a wide range of financing options for companies looking to start, relocate, and expand within Ohio. JobsOhio is a private, non-profit corporation designed to drive job creation and new capital investment in Ohio through business attraction, retention, and expansion efforts. If you would like additional information, please visit [JobsOhio](#) or call them at 614-224-6446.

State of Ohio: Treasurer's Office

The Treasurer's [GrowNOW](#) interest rate reduction program is designed to help small businesses grow by providing them with critical cash flow. When a business is approved for a loan from one of the hundreds of eligible banks in Ohio, GrowNOW provides an additional three percent discount on the loan's already negotiated interest rate, when the loan is linked in creating or saving jobs in Ohio. If you would like to contact GrowNow by phone, please call 614-466-2160.

CUYAHOGA COUNTY DEPARTMENT OF DEVELOPMENT

The Cuyahoga County Department of Development offers various financing opportunities designed to create local business growth and enhanced employment opportunities within Cuyahoga County. Listed below are financing programs available through the County.

216-443-7260

North Coast Opportunities (NCO) Technology Fund

The **NCO Tech Fund** program targets technology companies that are candidates for future venture capital investment and possess high growth job creation potential. Approved companies will receive a payment-deferred, low interest loan to complete a specific initiative or project that is expected to make the company significantly more attractive to pre-seed investors. You can learn more about this fund by visiting:

Economic Development Loan Program

This program provides businesses with financial assistance to support the retention and creation of jobs for County residents. The fund provides long term, fixed-rate financing at interest rates lower than conventional financing. Please visit the website below for additional information.

Economic Development Loan Program

BANK LOANS (specifically SBA)

SBA 7(a). This is a loan guarantee program; funds can be used for any business purpose. The borrower begins the process at any bank, and negotiates rate and term. The SBA guarantees a portion (typically 75 percent) of the loan, so this is most useful in borderline cases, or to negotiate a better rate.

Additional Details: applicant must be a for-profit business; the maximum business size for SBA loans is determined by annual sales or number of employees, depending on NAICS/SIC code.
