

North Royalton Police Department

Dear Business Owner:

Our Department maintains a computerized information directory on our local businesses. The information we maintain is for emergency contacts, security, storage of hazardous material, etc. This information is important to the police officers and fire fighters that may have to respond to your business.

We review and update our records periodically and we need your help in keeping our records as current as possible. In doing so, we are asking you to please complete the attached questionnaire and return it to the Police Department. The information you provide is for Police Department use ONLY and is not released to the public.

Completed questionnaires may be emailed, faxed, mailed, or dropped off at the Police Department, care of: Sgt. John Stolarski. Also, you may call the Police Department and we will have an officer pick it up.

If you have any questions, please contact me. Thank you for your time and assistance!

Sergeant John Stolarski
