MISCELLANEOUS: Chris Johnson, FOP #15 – North Royalton Police Department

Mr. Johnson stated he realizes Council has already voted on what he came to talk about. If you would have told me a year and a half ago that he would close a contract, like this one, in one meeting and 6 emails, he wouldn't believe it. We were able to meet one time, 6 emails to close a contract. I think the Mayor is also very proud of that. I put it out to a vote, and I had zero no votes. That is the culmination of probably about a year, 14 months of working together with probably the best administration in my time. the relationship had started out very rocky with the Mayor and the administration now runs very smoothly. Thank you for voting yes. We (felt or feel) we got a good contract I had zero no votes on it. The other thing I want to do is thank Council. You have probably been one of the most involved City Councils in my 22 years. Before this I don't think we ever had a Councilmember come and tour the department. I believe everybody has. And for those of you who will be missed, thank you very much for your service. I will miss you. For those of you coming onboard, I look forward to working with you. And for those of you who remain, hopefully we can keep this going. I'm actually a happy man right now. As always, feel free to get a hold of me if you have any questions. And thank you very much.
