

STORM WATER COMMITTEE MINUTES
JUNE 6, 2023

The Storm Water Committee meeting was held on June 6, 2023 at North Royalton City Hall, 14600 State Road. The meeting was called to order at 6:04 p.m.

PRESENT: **Committee Members:** Chair Linda Barath, Vice Chair John Nickell, Mike Vos; **Council:** Paul Marnecheck, Joanne Krejci, Jeremy Dietrich; **Administration:** Mayor Larry Antoskiewicz, City Engineer Justin Haselton, Law Director Tom Kelly, Service Director Nick Cinquepalmi, Wastewater Superintendent Mark Smith, Finance Director Jenny Esarey; **Other:** Joel Spatz.

APPROVAL OF MINUTES

Approval of May 2, 2023 Storm Water Committee minutes. Moved by Ms. Barath, seconded by Mr. Nickell. Vote: Yeas: 3 Nays: 0. **Motion carried.**

UNFINISHED BUSINESS

1. Storm Water/Infrastructure Maintenance Monthly Report

See report.

2. Maintenance Projects

No update.

3. Turnpike Mitigation

No updates.

4. York Road Property

Mr. Kelly advised that Judge Laura Gallagher of the probate court has signed the judgement entry to transfer the title of the property into the name of the City of North Royalton. We are seeking to obtain a certified copy, which we can record with the recorders office in order to give affect to the order. The property should be in the name of the City within the next 30 days.

5. Cleaning the Mains

Mr. Smith reported that we finished Prince Charles Development and are currently starting on Bennett Road. We will be going to Spy Glass to Akins Road; Ward 6.

Ms. Krejci inquired about where we are going next and if there is a schedule. Mr. Smith did not have a schedule; we just wait and see what is needed.

6. NEORSD projects update

Mr. Haselton reported on the creek flood mitigation efforts in the area of Sprague Road and Thornhurst Drive, whereas the culvert is in place. They plan to pave the road this week and are hoping it will be open before the last week of June. However, they are still uncertain because they are working with the Cleveland Water Department to get some things tested before they can open it. They have started on the Stream Restoration Project just downstream of the culvert. He spoke of the project that we are designing just downstream of that on the other side of Thornhurst, in which we submitted a 60% design to the district last week; they are reviewing those drawings.

NEW BUSINESS

There was none.

ADJOURNMENT

Moved by Ms. Barath, seconded by Mr. Nickell **to adjourn the June 6, 2023 meeting.** Yeas: 3; Nays: 0. **Motion carried. Meeting adjourned at 6:08 p.m.**
