The LPA agrees to assume and contribute the entire cost and expense of the improvement less the amount of Federal-aid funds set aside by the Director of Transportation for the financing of this improvement from funds allocated by the Federal Highway Administration, United States Department of Transportation.

The LPA agrees to assume and contribute one hundred percent (100%) of the cost of any work included in the construction contract, at the request of the LPA, which is determined by the Director not to be part of or made necessary by the improvement.

The LPA further agrees that change orders and extra work contracts required to fulfill the construction contracts shall be processed as needed. The State shall not approve a change order or extra work contract until it first gives notice, in writing, to the LPA. The LPA shall contribute its share of the cost of these items in accordance with other sections herein.

The LPA agrees to include a completion schedule acceptable to ODOT and to assist ODOT in rating the consultant's performance through ODOT's Consultant Evaluation System.

Section 3. AUTHORITY TO SIGN

The LPA hereby authorizes the Mayor of said City to enter into and execute contracts with the Director of Transportation which are necessary to develop plans for and to complete the above-described project; and to execute contracts with ODOT pre-qualified consultants for the preliminary engineering phase of the Project.

Upon request of ODOT, the Mayor is also empowered to execute any appropriate documents to affect the assignment of all rights, title, and interests of the City to ODOT arising from any agreement with its consultant in order to allow ODOT to direct additional or corrective work, recover damages due to errors or omissions, and to exercise all other contractual rights and remedies afforded by law or equity.
