Additionally, the MOU clarifies roles and expectations between the participating entities to foster an efficient and cohesive program that will build a positive relationship between police officers, school staff, and the students. The parties agree and acknowledge that by participating in the SRO program, NRPD and the SRO are not providing school security and the District specifically agrees and acknowledge that the necessary security forces required by the school shall be determined and provided solely by the school and its employees, not the NRPD or the SRO.

II. Mission

The mission of the SRO Program is to encourage school safety by building a positive school climate in which everyone feels safe and students are supported to succeed and to encourage safe, secure, and orderly learning environment for students, teachers and staff. SROs will establish a trusting channel of communication with students, parents, and teachers and establish regular feedback opportunities. The role of the SRO is not to provide security, enforce school discipline or punish students. SROs will serve as positive role models to instill in students good moral standards, good judgment and discretion, respect for other students, and a sincere concern for the school community. SROs will provide information on community resources available to students and parents. Goals and objectives are designed to develop and enhance rapport between youth, families, police

officers, school administrators, and the community in order to promote overall student achievement and success.

A. NUMBER OF SROs TO BE ASSIGNED

The NRPD agrees to assign two full time officers and one part time officer to North Royalton City Schools during specific periods of time identified by NRCS and agreed upon by the NRPD. District agrees and acknowledges that the assigned officers may be withdrawn from SRO duties, including those specific periods of time identified by NRCS, if determined necessary by the Chief of Police for the peace and security of the City of North Royalton. In order to ensure that mutual goals are achieved, the selection of assigned personnel shall be the responsibility of the NRPD, with agreed satisfaction from NRCS. NRPD shall determine the guidelines and criteria for the selection of the officers to serve as SROs. District will be consulted and allowed to provide input, however the appointment of the SRO shall be made solely by NRPD.

The Parties agree and acknowledge that the second full time officer will not be assigned until the selection and training process has been completed, which is anticipated to take place no sooner than January, 2023.

III. Goals of the SRO Program

SRO program goals include:

1. To encourage a safe learning environment for all children and adults who enter the building.
2. To foster a positive school climate based on respect for all children and adults in the school.
3. To create partnerships with behavioral health and other care providers in the community for student and family referral.

This SRO program is unique to the community, based on input from the school administration, teachers, faculty, students, families and community members. The program is designed to fulfill three overall roles:

1. Law Enforcement
2. Fostering Positive School Climate /Crime Prevention
3. Education

Law Enforcement Role - SROs are responsible for the majority of law enforcement activities occurring at the school during school hours but not general student discipline. A determination of whether an activity raises to the level of a law enforcement activity shall be solely determined by SRO with consultation with a school administrator, when deemed warranted by SRO. Parents, students, teachers and other school personnel should bring complaints about student misbehavior to the school principal and/or designee, rather than the SRO.

While the enforcement is the role of SROs, alternatives to arrest should be used whenever possible, and arrest of students should be a measure of last resort. The SRO's discretion to act remains the same as that of any other police officer.

Fostering Positive School Climate /Crime Prevention - One of the primary roles SROs fulfill is fostering a positive school climate through relationship-building and crime prevention. Officers will engage in various activities, in consultation with school administration, teachers, and students, and should strive to build a school culture of open communication and trust between and among students and adults by focusing on officers getting to know students at the school, serving as a role model, and working with teachers and administrators to identify students who may be facing challenges and need additional resources or attention to be successful in school.

Education -SROs should participate in the school community by becoming a member of the

educational team where appropriate, and by representing the law enforcement community to build positive relationships with youth, their families, and school staff.

Whether talking to students in the hallway or delivering a presentation in the classroom, SROs are embedded in the education fabric within the school. SROs are expected to be proactive in creating and taking advantage of educational situations, and school administrators are encouraged to leverage this resource.

IV. Organizational Structure

A. Composition

The SRO Program will consist of **two (2)** full time and one (1) part time Uniformed Police Department Personnel that are certified Peace Officers for the State of Ohio and meet all requirements as set forth by the North Royalton City School District and North Royalton Police Department Rules and Regulations.

B. Officer Recruitment & Selection

The police department shall decide on guidelines for the selection of officers to serve as SROs. School district administration will be consulted and allowed to provide input, however, the appointment of the SRO will be made by the law enforcement agency.

SROs should meet three general criteria:

2. **Experience as a police officer and commitment to student well-being** – SROs must have a minimum of two years' experience as a patrol officer, be at least 21 years of age and have extensive experience with juvenile assignments. Experience working with youth and an interest in student success, juvenile justice, child and adolescent development and psychology, and creating a positive school climate are essential.
