Basketball (BANR): Mike Lee – The girls' season started on Nov. 11th and boys' starts Dec 2nd. They had low attendance for tryouts this year, so overall participation is down. They are struggling to get gym time. BANR created new website www.royaltonhoops.org to help with promoting the league. BANR is taking over girls' program instead of running separate from the boys' program. They are looking at ways to promote basketball, especially boys' leagues. They are considering holding clinics to help promote the program. They are working with the high school to get more time on the bigger gym instead of the smaller elementary gyms. They have a Cavs day on march 20th at Quicken Loans Area to help promote NR basketball. They are also attending two NRHS games to help promote the program. There was a lot of discussion

on a way for each group to be able to share available and unwanted gym times, so gym slots do not go unused, if allocated group does not need to use them.
