OTHER SCHOOL NEWS

Activity in the District and on the Board has focused on end-of-year activities banquets and awards. Nearly \$40,000 was given out to graduating seniors at senior scholarship and awards night and evenings have been busy with athletic, band and choir banquets and final concerts.

There is no new news to report on land sale progress. The board will be discussing next steps in June. The board was intending to review Safety and Security protocols in June or July especially to inform and update our new members. Those discussions are clearly much more important now given the events in Buffalo and Uvalde.

Summer repairs and construction projects for all the buildings are approved and funded. Our maintenance department will be busy getting ready for the 2022-23 school year.

Prom and After Prom was held on May 27th and went off well and without incident. Graduation is this Friday and everything is in place to bid farewell to the class of 2022.

REC BOARD MEETING REPORT for May 31, 2022

Weather improved but as we began our first weekend of games for our 2-week Anniversary Soccer Days event, some of the later Saturday games were delayed due to lightning & thunder and a few games needed to be postponed to Sunday morning or Monday evening. Sunday was fine for our Travel Teams and then the weather held out until the last few minutes of our last game of the tournament. We drew raffle tickets in the rain under the tent.

Our Anniversary Soccer Days celebration went exceptionally well. The rec league tournament, skills challenge and academy sessions were all completed without issue, and everyone seemed to have a great time. The fields were great for the last weekend. Our concessions and raffle sales reported record sales. Our spirit-wear vendor and the Kona ice truck also reported great numbers. We like to thank the mayor and council president for their help on the grill on the 21st, along with councilmembers Dawn Carbone-McDonald and Linda Barath for stopping down and helping with the raffle. We'd also like to thank the mayor for the presentation of a proclamation to commemorate our 50 years.

Our Rec and Academy seasons are complete. Travel season continues thru June 12th and 16 of our 18 teams will be participating in the MIST tournament in Medina this coming weekend. We will have a NRSC hospitality tent set up for our players at Cunningham field.

Registration for the 2022/23 Fall/Spring Rec League & Bears Academy will be open thru July 1 with late registrations taken as space is available into early August. Late fees will be applied.

Travel Registration ended this past weekend and tryouts for the 2022/23 year are going on this evening and Wednesday according to age, makeup date is Thursday evening and walkups can still tryout.

We will have a Summer Youth Soccer Camp July 18th thru the 21st, from 6 to 8 each evening at Heasley. Cost is \$75 and anyone Kindergarten thru 8th grade can sign up online through our website.
