

NORTH ROYALTON HOMETOWN HEROES

To further acknowledge our hometown heroes we have decided to start a banner program. Thanks to Ward 4 Councilman Jeremy Dietrich for all his hard work in bringing this program to North Royalton. Please read the details below and contact the Mayor's office at 440-237-5686 or stop in at City Hall, 14600 State Road to pick up an application. Banners will be displayed for a two-year cycle.

HOMETOWN HEROES BANNER PROGRAM

Limited space is available on a first come, first served basis

Each banner will be in honor of a specific military service person with North Royalton ties and will include their name, branch of service, and photo. Banners will be displayed on Royalton Road, between West 130th and York. The city is looking to start displaying banners this year in August. The regular banner program will run Memorial Day through Veteran's Day. Banners will be returned to the sponsor after the 2-year display period.

Banners are printed double-sided in color and measure 24 W X 72 H. Full payment of \$100.00 must be included with the application. Checks should be made payable to "City of North Royalton".

Photos are the most important part of these banners. We require signed consent to display each individual's photograph.

Please send in high-quality images ONLY (what looks sharp and crisp on your computer screen might not look sharp in print!)

HOMETOWN HERO BANNERS

- Printed Photographs: Photos need to be at least 8" x 10" and must not be enlarged from a smaller print or photocopied from an original print. The photo may be in color, black & white, or sepia toned (brownish). It doesn't matter how old the photo is as long as it is clean and in focus.
- Digital Photographs: Images need to be at least 300dpi high-resolution photos in a JPEG, TIF, or PNG file format as (RGB or CMYK) that would print clearly at a 8" x 10" size. Please **DO NOT enlarge existing images electronically as this degrades the image quality.** Web images or cellphone shots of the original print are not acceptable. Images saved in any other document other than JPEG, TIF, or PNG are not usable.
