

The covid-delayed Tuesday men's golf league finally started the season. Conditions were brisk on the front nine at St. Annes Golf Course, but that didn't stop the Chris "The Illustrated Man" Manning and Tony "Follow Us on Facebook" Starkey trios from racking up an impressive 26 points each, the top scores for the week.

At the other end of the spectrum, four crews tied for the booby prize with a meager 14 points a piece: Eric "Everything is Bigger in Bigger Township" Johnson, Bryce "Retired not Retread" Mayer, Doug "Grandpa Again" Schroeder and Dave "Never Too Cold for Shorts" Shaw.

Brock "Hippie Hair" Starkey and Jeff "Countdown to the 500" O'Connor collected skins with birdies on Nos. 4 and 5, respectively.

Ron "I'm Back" Sanders and Larry "Toe Jam Football" Foga won closest-to-the pin money on Nos. 2 and 4, respectively.

Following are the standings after the first week of play (points, which are based on Stableford best-ball scoring, are accumulated each week) with updated handicaps in parentheses. Teams are listed by captains' names.
