AMENDED RESOLUTION FOR
A CLARIFICATION OF WASTEWATER RATES AND THE CREATION OF
ADDITIONAL MINIMUM WASTEWATER RATES
OF THE NORTH VERNON MUNICIPAL UTILITES
FOR 2018, 2019, 2020**

WHEREAS, it is the goal of the North Vernon Utility Service Board and of the North Vernon Common Council to ensure that rates and charges made by the City for services be nondiscriminatory, reasonable, and just;

WHEREAS, the rates and charges are currently providing the minimum coverage required for the existing debt under certain assumptions and need to continue providing the minimum coverage;

WHEREAS, the Utility Service Board, recognizing the need to maintain the minimum debt service coverage and the need to provide reasonable funds to operate and maintain the wastewater utility has passed a resolution, attached hereto, maintaining the annual increases over the next three years;

WHEREAS, the Utility Service Board recognizes the need to further clarify the previously passed and attached resolutions maintaining the annual increases over the next three years; and

WHEREAS, the Utility Service Board, recognizes that users with meters larger than 5/8 – 3/4 inch that are using a minimum amount of water are not currently paying a minimum rate that is representative of the system capacity set aside for those minimum users, and that those customers should be paying such a minimum rate.
