NATURE OF THE REQUEST FOR APPEAL

Section _____ of the Town of Ocean Ridge Code requires _____

The applicant requests an appeal of the Administrative Official's decision for the following reasons (summarize here, and attach detailed description of the basis for the challenge as Exhibit C):

The Applicant shall provide complete facts and circumstances which the Applicant believes constitute a violation of the Town's Land Development Code (LDC), and a clear description of the LDC section(s) which are alleged to have been violated.

While deemed an "appeal", the hearing before the Board of Adjustment shall be a quasi-judicial, evidentiary hearing, with the right to present evidence and call witnesses. The Board shall observe fundamental due process requirements, including notice and the right to be heard. However, the Florida Rules of Evidence and Rules of Civil or Appellate Procedure shall not be so strictly enforced as to prohibit relevant hearsay or other relevant information coming before the Board. The appealing party and the Administrative Official shall each have one half (1/2) hour within which to present their respective cases, unless otherwise determined by the Board. The Board shall thereafter be free to question either party and shall decide the matter after making "findings of fact" and "determination of law". Any decision of the Board of Adjustment may be appealed, if at all, within thirty (30) days of the written order rendered as provided by law and Rules of Appellate Procedure to the Circuit Court, in and for Palm Beach County, Florida.
