## **Asbestos Notification Statement** (Required for **ALL** demolitions and/or renovations)

Per the Florida Building Code 105.9, each building permit for the demolition or renovation of an existing structure to contain an asbestos notification statement. The statement must indicate the owner's/operator's responsibility to comply with the provisions of Florida Statute Section 469.003. The owner/operator must notify the Palm Beach County Health Department of the intention to remove asbestos, when applicable, in accordance with state and federal law.

Written notification is required to be submitted to the Palm Beach County Health Department ten (10) working days prior to the commencement of any demolition or regulated renovation activity pursuant to Section 469 Florida Statutes. Asbestos notification requirements and forms can be found online at <http://palmbeach.floridahealth.gov/programs-and-services/environmental-health/air-quality/asbestos-demolition-renovation.html>.
