Town of Ocean Ridge, Florida**Town Commission Agenda Memorandum****Office of the Town Manager, Lynne Ladner**

Meeting Date: January 8, 2023
Subject: Town Manager's Report

Mayor, Commissioners & Residents of Ocean Ridge:

Happy New Year! I hope that everyone enjoyed the holidays as we bid farewell to 2023. December was a fun and exciting time in Ocean Ridge. We started the month off with the annual Light the Lights event and the turnout of residents and their families was a testament to the camaraderie and positive relationships in our community.

I apologize for not having been in the office as much as I would have liked in December, I have tried to focus my efforts on rehabbing from my knee replacement in November and I am thrilled with the results thus far.

As we start the new year residents and others doing business with the town will see several changes to our processes during January. Beginning the week of January 8th through 26th we will be finalizing the implementation of new financial management software for the town. I ask that you please be patient with the staff as we learn the new software and become comfortable with the new processes. A major change that you will see immediately when you interact with staff is a new cash register computer and receipt printer. All transactions will be entered into the system and printed not handwritten receipts, will be provided.

Respectfully,

Lynne Ladner
