

July 25, 2022

## ATTENTION RESIDENTS

OCHA is continuing the following measures for the protection of our residents and employees.

- We recommend all residents continue practicing social distancing and wear face coverings in in-door common areas (hallways, laundry rooms, lobbies, etc.).
- Our Management and Maintenance Staff are onsite working Monday through Friday and our offices will remain closed at this time with certain social distancing guidelines in place. In person meetings with your manager, will be by appointment only. **Face coverings will be required until further notice.**
- All common areas are open with social distancing guidelines in place.
- Common areas and common surfaces (elevators, door handles, railings, chairs, tables and countertops, etc.,) are disinfected daily.
- We continue to advise all residents to limit visitors coming into the building to those that are **essential to maintaining their health and safety**. We ask that you encourage any guests or visitors to your property who are sick to stay home. Front doors will continue to be 24/7 access controlled.
- All activities and group gatherings may resume with proper social distancing procedures in place. Meals may still be prepared and packaged so that the individual will take the meal to their unit upon request. For your health and safety, we recommend that you wear a mask in in-door group settings.
- Oklahoma City Housing Authority (OCHA) bus transportation is beginning July 27, 2022 in a limited capacity. **Face coverings will be required.** However, you may contact EMBARK Transit at (405) 297-1331 or (405) 235-7433 or visit their website <https://embarkok.com/connect/service-center> to request Senior and Disability Services.
- On August 27, 2021, the U.S. Supreme Court ended the Eviction Moratorium. All rent is currently due. Residents must also follow all other terms of their lease. For rental assistance, please visit, <https://okcommunitycares.org/> or call 2-1-1. Residents should request an interim re-examination if they have lost wages during this period.
- We encourage all residents to continue to utilize CDC recommended health and hygiene guidelines: wash your hands frequently; avoid touching your face, eyes, and mouth, sanitize commonly used surfaces, wear a face covering in in-door public areas, and maintain proper social distancing (6 feet away).
- Get tested if experiencing COVID-19 symptoms (fever, cough, shortness of breath, etc.) and isolate if you've tested positive. Call 2-1-1 if you need help finding a testing location. Please continue to monitor your symptoms, such as fever, cough, and/or difficulty breathing and call your health care provider or COVID-19 hotline at 877-215-8336 for recommendation first. If you have the virus or been exposed then you need to self-isolate per CDC guidelines.
- All residents are eligible to order free over-the-counter COVID-19 tests by visiting [www.covidtests.gov](http://www.covidtests.gov) or calling 1-800-232-0233.
- OCHA strongly encourages all residents to get the Covid-19 Vaccination. Vaccines are free of charge regardless of immigration or health insurance status. Please visit [www.vaxokc.com](http://www.vaxokc.com) or call 2-1-1 to schedule your vaccine.
- If you are experiencing COVID-19 symptoms or have tested positive for COVID-19 and have a work repair or inspection scheduled, please notify your housing manager to reschedule.

The health and safety of our residents is our top priority, and as such, we must take these measures to help keep you and your families healthy. **We will continue to keep our residents updated by sending and/or posting notices around the properties. You can also visit [https://www.ochanet.org/alert\\_detail.php](https://www.ochanet.org/alert_detail.php) for additional guidance and information.**
