ATTENTION RESIDENTS

OCHA is continuing the following measures for the protection of our residents and employees.

- Our Management Offices are now open 8am-5pm Monday through Friday.
- Residents are not required to wear face coverings in common areas at this time but people can choose to mask at any time.
- All common areas are open.
- All activities and group gatherings may resume. Meals may still be prepared and packaged so that the individual will take the meal to their unit upon request.
- Oklahoma City Housing Authority (OCHA) bus transportation began July 27, 2022 with a limited capacity. **Face coverings will be required.** You may also contact EMBARK Transit at (405) 297-1331 or (405) 235-7433 or visit their website <https://embarkok.com/connect/service-center> to request Senior and Disability Services.
- On August 27, 2021, the U.S. Supreme Court ended the Eviction Moratorium. All rent is currently due. Residents must also follow all other terms of their lease. For rental assistance, please call 2-1-1. Residents should request an interim re-examination if they have lost wages during this period.
- We encourage all residents to continue to utilize CDC recommended health and hygiene guidelines: wash your hands frequently; avoid touching your face, eyes, and mouth, and sanitize commonly used surfaces.
- Get tested if experiencing COVID-19 symptoms (fever, cough, shortness of breath, etc.) and isolate if you've tested positive. Call 2-1-1 if you need help finding a testing location. Please continue to monitor your symptoms, such as fever, cough, and/or difficulty breathing and call your health care provider or COVID-19 hotline at 877-215-8336 for recommendation first. If you have the virus or been exposed then you need to self-isolate per CDC guidelines.
- OCHA strongly encourages all residents to stay up to date with Covid-19 Vaccinations. Vaccines are free of charge regardless of immigration or health insurance status. Please visit www.vaxokc.com or call 2-1-1 to schedule your vaccine.
- If you are experiencing COVID-19 symptoms or have tested positive for COVID-19 and have a work repair or inspection scheduled, please notify your housing manager to reschedule.

The health and safety of our residents is our top priority, and as such, we must take these measures to help keep you and your families healthy. **We will continue to keep our residents updated by sending and/or posting notices around the properties.
