9. This certification is required by the Drug Free Workplace Act (30 ILCS 580). The Drug Free Workplace Act requires that no grantee or contractor shall receive a grant or be considered for the purpose of being awarded a contract for the procurement of any property or service from the DEPARTMENT unless that grantee or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to suspension of contract on grant payments, termination of a contract or grant and debarment of the contracting or grant opportunities with the DEPARTMENT for at least one (1) year but not more than (5) years.

         (a) abide by the terms of the statement; and
         (b) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than (5) days after such conviction.
   (b) Establishing a drug free awareness program to inform employees about:
      (1) The dangers of drug abuse in the workplace;

(2) The grantee's or contractor's policy to maintain a drug free workplace;
(3) Any available drug counseling, rehabilitation and employee assistance program; and
(4) The penalties that may be imposed upon an employee for drug violations.

(c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.

(d) Notifying the contracting, or granting agency within ten (10) days after receiving notice under part (b) of paragraph (3) of subsection (a) above from an employee or otherwise, receiving actual notice of such conviction.

(e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program.

(f) Assisting employees in selecting a course of action in the event drug counseling, treatment and rehabilitation is required and indicating that a trained referral team is in place.

Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act, the ENGINEER, LPA and the Department agree to meet the PROJECT SCHEDULE outlined in EXHIBIT B. Time is of the essence on this project and the ENGINEER's ability to meet the PROJECT SCHEDULE will be a factor in the LPA selecting the ENGINEER for future projects. The ENGINEER will submit progress reports with each invoice showing work that was completed during the last reporting period and work they expect to accomplish during the following period.

RESOLUTION 2022-1013

WHEREAS, the County of Ogle has an obligation to provide for the safety and welfare of its citizens; and

WHEREAS, the "SAFE-T ACT" passed in the pre-dawn hours of a "lame duck" session of the Illinois General Assembly; and

WHEREAS, the "SAFE-T ACT" will result in more than half of the current detainees in the Ogle County Jail being released back into the community; and

WHEREAS, the "SAFE-T ACT" eliminates cash bail and strips the judiciary of their ability to "balance the rights of the accused to be free on bail against the rights of the public to receive reasonable, protective consideration by the courts"; and

WHEREAS, the "SAFE-T ACT" places entire categories of crimes, such as Aggravated Battery, Robbery, Burglary, Hate Crimes, Aggravated DUI's, Reckless Homicide, Armed Habitual Criminal, Drug Induced Homicide, and all drug offenses including Delivery and Trafficking of Fentanyl, ineligible for pretrial detention despite the severity of the crime or the defendant's risk to a specific citizen or the community in general; and

WHEREAS, the "SAFE-T ACT" creates an unreasonable higher legal standard for pretrial detention in forcible felonies such as murder and armed robbery; and

WHEREAS, the Ogle County Board believes that this law puts the public in danger by prohibiting detention of dangerous criminal and will discourage victim cooperation with law enforcement due to fear of retaliation by offenders immediately released back into society.

NOW, THEREFORE, BE IT RESOLVED, by the County Board of the County of Ogle, Illinois that the "SAFE-T ACT" should be immediately repealed.

FINDINGS OF FACT AND RECOMMENDATION OF THE ZONING BOARD OF APPEALS

Ogle County Zoning Board of Appeals

FINDINGS OF FACT AND RECOMMENDATION
OF THE OGLE COUNTY ZONING BOARD OF APPEALS

This is the findings of fact and the recommendation of the Ogle County Zoning Board of Appeals concerning an application of Bonnie L. and James A. Harder of 16547 E. McNeal Road, Monroe Center, IL in case #007-22SU. The applicant is requesting a Special Use Permit in the AG-1 Agricultural District to allow a Small Rural Business (equestrian sports chiropractic clinic) on Parcel Nos. 12-08-100-006, a 6.77 acre parcel located in part of the Northeast Quarter (NE 1/4) of the Northwest Quarter (NW 1/4) of Section 8 Monroe Township 42 North, Range 2 East of the 3rd P.M., Ogle County, IL and located at 16547 E. McNeal Road.

After due notice, as required by law, The Zoning Board of Appeals held a public hearing in the case on September 29, 2022 in the County Board Room, 3rd Floor, Ogle County Courthouse. Oregon, Illinois and hereby reports its findings of fact and recommendation as follows:

1. That the proposed special use will not be unreasonably detrimental to the value of other property in the neighborhood in which it is to be located or the public health, safety, morals, comfort or general welfare at large.

   The proposed special use would not have a significant impact on the value, health, safety, morals, comfort, or general welfare of the surrounding property. STANDARD MET.

2. That the location and size of the special use, the nature and intensity of the operation involved in or conducted in connection with it, and the location of the site with respect to streets giving access to it are such that the special use will not dominate the immediate neighborhood so as to prevent development and use of neighboring property in accordance with the applicable zoning district regulations. In determining whether the special use will so dominate the immediate neighborhood, consideration shall be given to:

   a. The location, nature and height of building, structures, walls and fences on the site; and,

   b. The nature and extent of proposed landscaping and screening on the proposed site.

   The distance to the closest non-participating dwellings, the size and the scope of the proposed special use will not cause it to dominate the immediate neighborhood. STANDARD MET.

3. That off-street parking and loading areas will be provided in accordance with the standards set forth in these regulations.

   Adequate off-street parking and loading areas are provided by an existing driveway and gravel area. STANDARD MET.

4. That adequate utilities, ingress/egress to the site, access roads, drainage and other such necessary facilities have been or will be provided.

   It has been satisfactorily demonstrated that adequate utilities, ingress/egress to the site, access roads, drainage and other such necessary facilities are present for the proposed special use. STANDARD MET.

5. That the proposed use can be operated in a manner that is not detrimental to the permitted developments and uses in the zoning district; can be developed and operated in a manner that is visually compatible with the permitted uses in the surrounding area; and is deemed essential or desirable to preserve and promote the public health, safety and general welfare of Ogle County.

   The proposed special use is located in the AG-1 zoning district and would be compatible with the permitted uses in the surrounding area. STANDARD MET.

6. That the proposed special use complies with all provisions of the applicable district regulations.

   The proposed special use appears to comply with all provisions of the AG-1 Agricultural District, specifically 16.5.1 C Special Use for a equestrian sports chiropractic clinic. STANDARD MET.

In presenting any application for a Special Use Permit, the burden of proof shall rest with the applicant to clearly establish that the proposed special use shall meet the above standards.

September 1, 2022

1. Call Meeting to Order: Chairman Sparrow called the meeting to order at 1:30 p.m. Present: Billeter, Griffin, Miller, Nordman and Sparrow. Others present: County Clerk and Recorder Laura Cook, Chief Deputy Coroner Jeanette Bennett and IT Director Larry Callant. Absent: Larson and Youman.
2. Public Comment: None
3. Budget Review FY2023:
   - Revenue: Sparrow reviewed the updated Revenue, Expense, Salary and Non-Salary reports. County Clerk Cook reported she increased the Video Gaming Revenue with the increase per machine that was approved earlier this year. Sparrow stated the Chairman asked to start with the FY2020 Amended Budget for expenses. Sparrow stated the difference between the FY2020 Amended Budget and the Non-Salary has increased about $800,000. Sparrow asked the committee to look at this report and see if they have any ideas before the next meeting on how to pare down expenses. There are some areas that you may not be able to such as petroleum and elections. Sparrow commented on computer hardware for the IT Department, Callant has been good about saving money. Sparrow said there are some items such as elections expenses that will be higher than normal.
   - County Clerk and Recorder: County Clerk Cook presented her FY2023 proposed budget which is an increase of 7% overall. Cook asked for and will be presenting to the Personnel and Salary Committee a salary adjustment/stipend for the Chief Deputy Clerk – Elections and Chief Deputy Recorder. Cook stated she has updated job descriptions to present for the increase request. Cook asked for an increase for Election Judges since it is very hard to find Election Judges at $100 to $120 and there has not been an increase since 2008. Sparrow asked how many elections would be held in 2023. Cook stated only one the Consolidated unless there is a Primary. Cook asked for an increase for the Township Supervisors and Election Rent as there has not been an increase since 1993. Cook asked for an increase in Travel, Dues and Seminars; the Chief Deputies attend conferences and seminars to learn of the changes first hand. Cook also explained the mailing of the VBM cards which was an unfunded mandate that cost the county $23,000. Sparrow stated the figures would remain subject to a recommendation from Personnel and Salary. Griffin asked how the new election equipment worked. Cook stated the new machines worked very well. The concern Cook has is the humidity in the basement with the new equipment and explained the issues with the dehumidifiers. There is also concern of the building not being climate controlled even upstairs, the HVAC is turned off over the weekend. Nordman asked how is the staff paid when attending a conference. Cook stated the conferences are usually during working hours and they are paid for the day. Nordman asked how many conferences are attended per year. Cook stated the Illinois Association of Clerk and Recorders Conference which is twice a year and maybe IACO.
   - Buildings and Grounds: Sparrow presented the report from the Treasurer. There was discussion regarding electricity and gas, which may increase. Nordman explained the

planned and unplanned events portion of the B&G budget. Nordman stated the Sheriff has said there is a need for an additional padded cell. Griffin asked if the padded cell near the intake could be utilized.

- Human Resources: Sparrow asked Nordman and Kenney for a proposed budget for the next 3 years as ARPA funds will be used. The proposal is for the full-time HR Director and a part-time clerical position. The part-time clerical would not qualify for benefits and would work under the 1,000 hours annually. There was discussion as to where to place this department in the budget. It was determined to allow the Treasurer to decide what would be more efficient for her.
- Health Insurance: Sparrow reviewed the Insurance Fund on page 11 and explained the insurance for the retirees. Sparrow stated there would be about a 5% increase for the Health Insurance.
- Judiciary: Sparrow stated he contacted Judge Roe and told him he did not need to attend a budget hearing.
- Next Meeting: Sparrow setup the next meeting for September 8, 2022, at 9:00 a.m.
- Middle Mile Grant: Sparrow spoke about the Middle Mile Grant that will be submitted at the end of September and the county portion is $1.9 million. The discussion ensued about using ARPA funds and paying the Bonds from the Judicial Center Annex. The county must commit to the $1.9 million and the county will not know until March of 2023 when the grant will be awarded.
- Sheriff: Nordman stated the Sheriff will be asking to replace all of the county cameras as one of the servers crashed. He is looking to use a Cloud based system. The discussion was to check on the warranty on the system that crashed.

Ogle County Clerk & Recorder

TO: Finance Committee
FROM: Laura J. Cook – County Clerk and Recorder
RE: FY2023 Proposed Budget

I am not able to attend the Finance meetings this week as I will be attending the County Clerk and Recorder Conference in Springfield. I will be available for questions when attending the additional Finance meetings. I have explained the increase for the following:

- Salaries: I have included a 3% increase for the County Clerk and Recorder employees. I have included a stipend of $3,600 for the Chief Deputy of Elections and the Chief Deputy Recorder. This salary adjustment will put them in "mid" range according to the last "Wage Range 2018" study that was presented (see attached);

- Election Salaries (see attached):
  - Election Judges: I am asking for an as there has not been an increase since 2008. It is hard to find Election Judges willing to serve a 15-hour day for $100-$120. The County receives reimbursement of $45 per Election Judge that worked on Election Day. That money is receipted and turned over to the Treasurer's Office;
  - Election Set-up and Rent: There has not been an increase since 1993. The Township Supervisors and/or designee pick-up supplies, deliver supplies and set-up of tabulators in their precinct(s). There are 5 facilities that we pay "election rent" directly.

- Office Supplies: It will remain at "0" as I will use Recorder Automation Funds – However, when the County approves Ordinances that need to be Codified it will need to come from a Finance Line Item as it had in the past;

- Travel Expenses, Dues & Seminars: I increased this line item to $3,500 to cover expenses to attend conferences in 2023. I do take the Chief Deputy of Elections and Chief Deputy Recorder to conferences since it directly affects their office responsibilities;

- Election Supplies:
  - The State gives us unfunded mandates that changes during each election cycle. We are required to send out notifications to ALL registered voters about Permanent Vote by Mail requests. These postcards will be sent out very soon at a cost of $23,500 this includes startup and date processing fee, postage, paper and printing of approximately 32,397 registered voters;
  - Election Vendor provides Election Services – 6-year contract (24 quarterly payments $18,630/ea) - $74,520 per year. This covers the services for each election up to the 2027 Consolidated Election;

- Voter Registration Supplies: A Voter Purge will need to be completed in 2023;

****Historically the County Clerk and Recorder's Office has been able to use dedicated funds:**

a. Purchase copy machines for Clerk and Recorder's Offices – in 2018 replaced 11-year-old copier;
b. Upgrade office computers, printers and software;
c. Purchased tablets for County Board for automated packets;
d. Microphones for County Board Room (26)

The Finance Committee asked for a reduction of staff through attrition; in January 2017 an employee left the Recorder's Office and that position has not been replaced.

Please do not hesitate to contact me with ANY questions.

4. Long Range Invoices: None

5. New Business:
   - Ogle County Public Safety Space Needs Assessment: Griffin stated there is an invoice for Larson and Darby in the amount of $7,450. Griffin has spoken to Chairman Finfrock and Vice-Chairwoman Nordman and this will be paid for with ARPA funds. Motion by Sparrow to approve, 2nd by Fox. Oltmanns asked for feedback after the tour. Fox was surprised with the structure of the main building but it is in a bad spot. The maintenance Quonset hut is in really bad shape. Reising is concerned about the portable trailers and being dangerous when carrying items in and out of the structures. Reising proposed asking the Ogle County Fair Board if they may be interested in any structures. Janes stated it is a poor layout and we need to work on a better layout. Reising stated maybe we should look into making repairs versus building new. Heuer stated there is black mold in one of the buildings which is a health hazard. Reising reported the State of Illinois is pushing to have a more comprehensive recycling program than what we have now for all communities. There is concern about a reduction in the collection of landfill fees since that is how the county funds projects. Motion carried.

6. Old Business
   - FY2023 Budget: Griffin presented the proposed FY2023 LRP Budget to the committee. Motion by Reising to approve, 2nd Janes.
   - Judicial Center: Griffin commented on the chiller tower and the need to clean the coils. Motion by Oltmanns to approve Alpha Controls to assess the issue in an amount not to exceed $1,000, 2nd by Heuer. Griffin stated he will be asking for ARPA funds to pay for this.
   - Solar Project Update: Griffin stated the project is moving ahead.
   - Old Jail Update: Griffin spoke about the quote for the unhooking of the generator from the jail and the hooking up of the generator to the Courthouse. Motion by Janes to approve the quote in the amount not to exceed $4,320 with Engel Electric to be funded by ARPA funds for a generator investigation, 2nd by Oltmanns. There was discussion regarding the generator being hooked up to the Courthouse.

County Highway Engineer Jeremy Ciesiel spoke to the committee in regards to having utilities disconnected from the old jail before demolition. Ciesiel stated Callant is working with Comcast for the disconnect. Ciesiel stated Engel Electric will need to disconnect the building from the transformer then ComEd can disconnect the power. Ciesiel spoke about the issue with the sewer lines for the buildings. County Clerk Cook stated she has the plans from the remodel of the Courthouse and will get them to Ciesiel. Ciesiel stated he is still working on where to place the historical limestone marker outside of the old jail. Cook recommended putting it in with cannons and maintenance will not need to mow around another obstacle.

7. Adjournment: With no further business, Chairman Griffin adjourned the meeting. Time: 3:54 p.m.

Respectfully submitted,
Laura J. Cook

Territory	Coverage

Terms and Conditions

1. Warranty coverage begins on the date that the Solar System is installed on the property by a properly licensed contractor (the "Start Date") and continues for 30 years. Battery product coverage ends 20 years after the installation date.
2. Solar Insure will pay for both the parts and labor necessary to, at its option, repair or replace Components that are defective or fail to work as intended. This includes shipping costs and labor costs related to uninstalling defective Component(s) and re-installing repaired or replacement Component(s). If Solar Insure is unable to replace a Component and repair is not commercially practicable or cannot be timely made, then Solar Insure may refund the cost of the Component.
3. Repair or replacement will be made with identical new or re-manufactured Component(s). If identical new or re-manufactured Component(s) are not available, then repair or replacement may be made with parts that differ in size, color, shape, model number, and/or power level. 7. Solar Insure warrants the battery product retains at least 30% of Nominal Energy at the end of the warranty period, so long as the system is operated under normal use per the operation and installation manual provided by the manufacturer. The "Nominal Energy" refers to the initial rated capacity of the battery module, as measured at the DC side.
8. Solar Insure does not warrant or guarantee a specific power output, and the inability of the Solar System to generate a specific power output does not necessarily mean that a Component is defective.
9. The remedies set forth in this Limited Warranty are the sole and exclusive remedies for defects in the Solar System and/or its Components. Any repair or replacement work performed under this Limited Warranty shall not extend the term of the warranty.

Tentative Minutes
September 13, 2022

1. Call Meeting to Order: Chairman Kenney called the meeting to order at 9:08 a.m. Present: Heuer, Corbitt, Droege, Huber, Larson, McKinney and Kenney. Others present: Finfrock, Nordman, Director of Court Services Cindy Bergstrom, County Clerk and Recorder Laura Cook, Solid Waste Director Paul Cooney, State's Attorney Office Manager Christy Egyed and Chief Public Defender Kathleen Isley. Absent: None.

2. Approval of Minutes – August 9, 2022 - Motion by McKinney to approve the minutes as presented, 2nd by Corbitt. Motion carried.

3. Public Comment: none

4. New Business:

   - Review Departmental Salary Adjustment Requests
     - Solid Waste: Solid Waste Director Paul Cooney requested a salary adjustment in the amount of $1,000 for the Administrative Assistant. She has taken on additional duties since they are short one person in the office. Cooney did factor this adjustment in his FY23 Solid Waste budget. Heuer asked if this is for FY22 or FY23. Cooney stated it will be FY23. Heuer asked if these duties would be reassigned when the Solid Waste Specialist is hired. Cooney stated yes, some of the duties would revert back. Kenney asked if this is a one-time adjustment because of the current situation where she is performing extra duties. Cooney stated yes this would be a one-time stipend. Kenney asked if there were any adjustments made when the transition took place. Cooney stated no there were no adjustments. Motion by Heuer to approve a $1,000 stipend for FY23, 2nd by Huber. Kenney stated he does not like the use of stipends. Corbitt stated she agrees with the adjustment when you look at the Solid Waste Budget decreases and the money is there. There was discussion that this will not affect the base salary as it is a one-time payment. Motion by Larson to amend and strike "stipend" and insert "one-time performance bonus based on the additional duties assumed for the period of one year", 2nd by Corbitt. Amended motion carried. Original motion as amended carried.
     - Public Defender: Chief Public Defender Kathleen Isley stated they have three full-time attorneys and one attorney has left. She has been unable to fill the position since the vacancy. Isley has a temporary attorney who is currently working but he has to stay within 599 hours due to his IMRF. Isley stated when the Public Defender's Office was created the salaries for the attorneys were low. Isley stated there is a shortage of lawyers in rural areas. Isley had requested $80,000 in her FY23 budget presentation. Isley would like to amend that and ask for $81,600 for the First Assistant Public Defender due to possible weekend bond court. The second position is currently at $56,650 and she asked for $66,000 which she feels is a salary that could entice good candidates. Isley has put together job descriptions as there were none when the Public Defender's Office was created. There was discussion regarding weekend bond court and how it would affect the PD Office. Isley stated that is unknown at this time. Isley stated since the department is small that the attorneys would have to work one weekend every third Saturday of the month. Finfrock asked if there is no weekend bond court would the salaries revert back. Isley stated she increased the First Assistant by $1,600 and the Second Attorney by $1,300. There was discussion on how to attract differently like pay back school loans versus the base salary. Isley stated there is no legal justification to

pay the Public Defenders less than the State's Attorney attorneys. Larson would like to see a pay structure for the department. Heuer stated a job description needs to be presented to the Finance Committee. Motion by Larson to accept the FY23 recommendation as proposed and send to the Finance Committee for approval, 2nd by McKinney. County Clerk Cook informed Isley she can get the salary comparison of the State's Attorney Department after the meeting. Motion carried.

- State's Attorney: Kenney stated a couple of months ago it was noted there are problems with retention due to low salaries in the State's Attorney Office. Kenney informed the committee State's Attorney Mike Rock was out on a personal issue today. Kenney did say if anyone on the committee has any questions, get in touch with Rock. State's Attorney Office Manager Christy Egyed spoke to the committee about the proposed salary adjustments. Egyed said the FY23 salary proposal was 3% increase to non-union personnel and funds to attract someone to fill the vacancy. There is a contracted attorney now that is assisting with cases. Egyed stated they lost an attorney to another county due to the low pay. Kenney stated there are salary adjustments for others because of additional duties and Rock has it all documented. Motion by Kenney to accept the recommendation as presented, 2nd by McKinney. Motion carried.
- County Clerk and Recorder: County Clerk Cook reviewed the last wage study that was done in 2018 with the assistance of County Highway Engineer Jeremy Ciesiel and former Solid Waste Director Steve Rypkema. Cook requested a $3,600 stipend for each Chief Deputy in the County Clerk and Recorder Offices. Cook distributed updated job descriptions for each Chief Deputy. Cook stated whether the committee calls it a stipend or salary adjustment, she asked for $3,600 each. Heuer asked if it is base or merit. Cook stated base as they are low compared to the wage study. It is in line with other Chief Deputies or Administrative Assistants and their job description has changed over six years. Nordman asked if they received an increase when they became Chief Deputies. Cook stated they did get a little increase, but their job descriptions have changed in six years. Larson commented on the reduction in the part-time line item. Cook stated she reduced the part-time/extra time line item by $5,500. There is a need for the remaining $3,500 as the Recorder's Office has 2 employees and when one is out of the office, they work through their lunch hour if someone cannot relieve them. Larson and Nordman stated they cannot do that. It was stated they must take their lunch hour. Nordman stated to turn the phones over and close the office. Nordman stated this is a violation. Cook stated maybe she will need to come back and ask for a part-time position so the office can stay open when the situation arises. Cook reminded the committee that the Finance Committee came to her when she first took office and asked if she would honor the staff reduction that the prior clerk had committed to. Cook spoke to the prior clerk about the staff reduction and agreed to the reduction. Cook stated now I must close the office for 20 minutes minimum when there is only one staff member for the day. It was stated yes, according to the law. Cook stated she will close the office during the noon hour when the need arises. Larson commented the Public Defender's Office will have the same issue if weekend bond court happens next year. Kenney asked Cook about the conversation they had about appointing a Chief Deputy and at that time you were not going to appoint one and if you have a succession plan. You stated things are lined up and asked has anything in the office changed since that conversation, said Kenney. Cook stated she does not understand the question because there is an appointed Chief Deputy. Kenney said Cook is comparing Chief Deputies of other offices and wants to know what has changed. Cook stated each office is different and there is one Chief Deputy in the County Clerk's Office and one Chief Deputy in the Recorder's Office;

there used to be three Chief Deputies. Heuer asked Larson what the Finance Committee is thinking. Larson stated it is not a question as to whether it fits within the budget but how it will affect the other employees. Larson commented prove it out. Cook stated she presented updated job descriptions to the committee. If you look at the 2018 wage study they are under the mid pay range. Finfrock asked what other Chief Deputies did she use for a comparison. Cook stated she used Administrative Assistants, other Chief Deputies in the Circuit Clerk Office and others who received a $3,600 supervisory stipend. Nordman stated they have talked to the Circuit Clerk about coming down to one Chief Deputy. Kenney stated he cannot understand why there was only one Chief Deputy in the office and now there are two. Cook stated there had always been three, two in the Clerk's Office and one in the Recorders Office. Cook did decrease the part-time line item to help offset the increase. Cook stated the Personnel and Salary Committee will need to look at increasing wages since the minimum wage is going to $15/hr soon. Cook stated if the $3,600 salary increase is approved, she will not be giving them the 3% as it would be a tradeoff. Heuer asked about longevity. Cook stated Heather has been with the Recorders Office for 15 years and Becky has been with the Clerk's Office for about 5 years. Cook is asking for an increase since their job duties have changed. Nordman asked if there is another way to reward them and not add it their base salary. Cook stated the additional duties for the Chief Deputies warrants the increase, whether you call it a stipend or merit. Finfrock commented the HR position will be going before the Executive Committee tonight and County Board next week. Larson asked Cook if she was looking to increase their salary with this increase. Cook stated yes. Nordman asked if this could be a one-time payment with the understanding of reclassification of salaries. Cook stated they are already behind since the last time salaries were reviewed was 2018 which was based off the 2010 wage study. Motion by Larson to recommend the proposed $3,600 as a one-time merit performance bonus for FY23 pending the salary analysis that the HR Department will complete in the coming year, 2nd by Heuer. They will still receive the annual increase. Motion carried.

- Medical and Comp Time: Nordman stated the Finance Committee would like for the Personnel and Salary Committee to remind department heads to stay within the approved hours of Comp Time: 40 hours for non-bargaining units, 120 hours for Sheriff, 49 hours for Probation and 21 hours for the Circuit Clerk. Nordman stated they need to clear the banks by the end of the year. Nordman stated Cook has some Comp Time on the books. Cook stated she does know that but it is not the end of the year yet. Corbitt is concerned about departments that have a shortage. It states they are to use it or lose before the end of the year. Nordman will have the Treasurer break it down by department. The discussion on personal days is the same, use it or lose it.

5. Old Business:
   - Annual Increase for non-represented employees: Kenney asked the committee for a recommendation for the annual increase for the non-represented employees. Larson said not more than 3% and Kenney stated 3.5%. Bergstrom handed out a printout with 195 non-union employees and 90 union employees. Motion by Heuer to recommend a 3% increase to the non-represented employees, 2nd by Corbitt. Motion carried.

6. Adjournment: With no further business, Chairman Kenney adjourned. Time: 10:53 a.m.

Respectfully submitted,

It was suggested that the adoption date of May 18, 2021 needs to be revised. Motion by McKinney to change the effective date to the adoption date of May 18, 2021, 2nd by Huber. Mr. Miller, what's the first order of

business?
MR. MILLER: The first order of business is to consider the request filed July 28th, 2022, of Bonnie L. and James A. Harder, 16547 East McNeal Road, Monroe Center, for a Special Use Permit in the AG-1 Agricultural District to allow a Small Rural Business (equestrian sports chiropractic clinic) on the property described as follows and owned by the Petitioners:
Part of the Northeast Quarter of the Northwest Quarter of Section 8, Monroe Township 42 North, Range 2 East of the 3rd P.M., Ogle County, Illinois, 6.77 acres.
Common Location being 16547 East McNeal Road.
For the record, a sign was posted out at the site notifying the public of the hearing this evening, as well as all the adjoining property owners were notified by certified mail.
Public notice was published in the Ogle County Life on the 28th of July, 2022.
Under the Staff Report, a copy of which all the members should have, requested action is

a Special Use Permit in the AG-1 District for the purpose of allowing a Small Rural Business for an equestrian sports chiropractic clinic.
Existing land use is Residence.
Surrounding land use and zoning, the site is located within a predominately agricultural area. Property to the south, east and west is zoned AG-1 and is in agricultural use. Property to the north is zoned AG-1 Agriculture and in residential and agricultural use.
Comprehensive Plan, the parcel upon which the Special Use Permit is applied for is not located within a mile and a half of any incorporated municipality.
The Ogle County Amendatory Comprehensive Plan designates the site and the surrounding area for agricultural and agriculturally-related open space uses.
No zoning history.
Transportation, East McNeal Road is functionally classified as a Minor Collector.
Physical characteristics, relative to the Special Use, site is approximately 6.77 acres. The site is located in an area of gently sloping

terrain and contains a residence and accessory buildings. There are no mapped wetlands or floodplain areas present.
The LESA score of 199.4 indicates a Low rating for protection. The Land Evaluation portion being 123 and the Site Assessment being 76.4.
At the September 22nd, 2022, meeting of the Regional Planning Commission, Mr. Flanagan made a motion to approve 007-22 SU, based on the fact that it is -- based on the fact that it is an agricultural business, would not be detrimental to the neighborhood, and is an allowable Special Use in the AG-1 District. Seconded by Mr. Probasco. Motion carried -- motion to approve is carried by a voice vote of five to zero.
And that's all I have, Mr. Chairman.
MR. OCKEN: Okay. Would the Petitioners please come forward to the podium?
Please raise your right hand.
BONNIE HARDER and JAMES HARDER, being first duly sworn, testified as follows:
MR. OCKEN: Please state your name and

address for the recorder.
MRS. HARDER: Bonnie and James Harder, H-A-R-D-E-R.
MR. OCKEN: And tell us why you're requesting a Special Use Permit.
MRS. HARDER: An equestrian sports chiropractic clinic. I'm a chiropractor and I'm also certified in animal care. I would like to combine the two and offer equestrian sports chiropractic at my facility, which would exist if this is approved. It does not currently exist. I do mobile practice currently and treat animals off site.
MR. OCKEN: And so you also treat humans? Or is this specifically for animals?
MRS. HARDER: I was treating people at a chiropractic clinic. Unfortunately, I had to quit that. I would like to treat the horses and the people at this property.
MR. OCKEN: So this would be specifically for horses then?
MRS. HARDER: Horses and the riders.
MR. OCKEN: Will this be in a current building that you already have?

MRS. HARDER: No. This will be a new building.
MR. OCKEN: Okay. And so will this practice -- will this take place inside the building or outside, or both?
MRS. HARDER: Both.
MR. OCKEN: Okay.
MRS. HARDER: I have an outdoor riding arena already on the property, so some of that would be functional for that, and then I will be putting in a new building to facilitate the people adjusting and a little bit of small animal chiropractic but not the main focus.
MR. OCKEN: And are these horses that you already have or do people bring their horses?
MRS. HARDER: People would trailer their horses.
MR. OCKEN: Would bring their horses to you.
MRS. HARDER: Usually it takes me about a half hour to 45 minutes to adjust a horse and about 15 minutes to a half hour to adjust a person. So I would be looking at times of about an hour to two hours' span between clients.

MR. OCKEN: So you would have essentially one patient there at a time, so you wouldn't have a large crowd there?
MRS. HARDER: No, I wouldn't, because there would be no other employees besides me. So there would be scheduling for, you know, what I physically am capable of doing in a day, probably three or four clients, depending on how many horses.
MR. OCKEN: Okay. Any questions from the Board?
MR. SULSER: You said you're going to be putting a new building up?
MRS. HARDER: Yes.
MR. SULSER: How large is this building going to be?
MRS. HARDER: I actually have a picture. Looking at this building right here.
May I bring this forward?
MR. OCKEN: Yes.
MRS. HARDER: This is an example of what I was looking at.
MR. SULSER: That's a nice she shed.
MRS. HARDER: Uh-huh, something where I

could actually have the doors come up and have the horse come in temporarily. I would have shelter overhead, so I could adjust the horses outside. And then have a place where I could easily divide the area for a small reception area, place to address people, and then also a separate area to adjust the animal, if needed.
MR. HAYES: So you're specifically -- for your people portion, you're specifically doing it for the riders?
MRS. HARDER: Yes.
MR. HAYES: So basically it's just a horse and rider?
MRS. HARDER: Yes, that's the goal.
MR. HAYES: You're not anticipating doing just people that, you know --
MRS. HARDER: I would accept a couple clients too, but it's not going to be my focus. Most people are not going to -- I'm not going to accept health insurance. So most people, when they hear you're not accepting health insurance, they're like pppfff [sound].
MR. OCKEN: Will you be boarding horses?
MRS. HARDER: No.

MR. OCKEN: So the horses come and leave?
MRS. HARDER: Horses come and leave. I do not board. There's too much drama involved.
If you have never known any horse people, you don't want to deal with that.
MR. BULTHAUS: Little hard to get the money for hay.
MR. HAYES: Get the money first.
MRS. HARDER: That too. It's costly to take care of horses.
Any questions on that?
MR. OCKEN: Any other questions from the Board?
(No verbal response.)
MR. OCKEN: Okay. Thank you. You may be seated.
MRS. HARDER: Thank you.
MR. OCKEN: Has anyone filed for an appearance?
MR. MILLER: No, sir.
MR. OCKEN: Is there anyone here who wishes to speak in favor of this petition?
MRS. HARDER: Besides us?
MR. OCKEN: You already have.

Anyone here who wishes to speak against this petition?

(No verbal response.)

MR. OCKEN: If there are no other questions or comments from the Board, at this time I will entertain a motion to close the public portion of this hearing.

MR. URISH: I move that we close the public portion of this hearing.

MR. OCKEN: Mr. Urish moves.

Is there a second?

MR. HAYES: I'll second.

MR. OCKEN: Mr. Hayes seconds.

All in favor say aye.

(All those simultaneously responded.)

MR. OCKEN: Motion passes. The public part of this hearing is now closed. No additional public comment testimony or evidence will be presented.

The Board will now go through the findings of fact. For each of the six standards, we have two prepared statements: one statement to approve the petition and one statement to deny

this petition. For each standard, a Board member will read either the statement to approve or the statement to deny, whichever he believes is the most applicable in this situation. The Board members will either agree or disagree. All six standards must be met in order to approve this petition.

If a Board member wishes to discuss a standard before voting, please so indicate.

Mr. Miller, please read the first standard.

MR. MILLER: That the proposed Special Use will not be unreasonably detrimental to the value of other property in the neighborhood in which it is to be located or the public health, safety, morals, comfort or general welfare at large.

MR. SULSER: The proposed Special Use would not have a significant impact on the value, health, safety, morals, comfort or general welfare of the surrounding property.

That standard is met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

That the location and size of the Special Use, the nature and intensity of the operation involved in or conducted in connection with it, and the location of the site with respect to streets giving access to it are such that the Special Use will not dominate the immediate neighborhood so as to prevent development and use of neighboring property in accordance with the applicable zoning district regulations. In determining whether the Special Use will so dominate the immediate neighborhood, consideration shall be given to: A) The location, nature and height of building, structures, walls and fences on the site; and, B) The nature and extent of proposed landscaping and screening on the proposed site.

MR. URISH: The distance to the closest nonparticipating dwellings, the size and scope of the proposed Special Use will not cause it to dominate the immediate neighborhood.

I believe the standard's been met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

That off-street parking and loading areas will be provided in accordance with the standards set forth in these regulations.

MR. HAYES: Adequate off-street parking and loading areas are provided by the existing driveway and gravel area.

I believe the standard is met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

That adequate utilities, ingress/egress to the site, access roads, drainage and other such necessary facilities have been or will be provided.

MR. BULTHAUS: It's been satisfactorily demonstrated that adequate utilities, ingress/egress to the site, access roads, drainage and other such necessary facilities are present for the proposed Special Use.

Standard met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

Number 5) That the proposed use can be operated in a manner that is not detrimental to the permitted developments and uses in the zoning district, can be developed and operated in a manner that is visually compatible with the permitted uses in the surrounding area, and is deemed essential or desirable to preserve and promote the public health, safety and general welfare of Ogle County.

MR. SULSER: The proposed Special Use is located in the AG-1 Zoning District and would be compatible with the permitted uses in the surrounding area.

Standard met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

Number 6) That the proposed Special Use complies with all provisions of the applicable district regulations.

MR. URISH: The proposed Special Use appears to comply with all provisions of the AG-1 Agricultural District, specifically 16.5.1 C, Special Use, for an equestrian sports

chiropractic clinic.

I believe the standard's been met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

In presenting any application for a Special Use Permit, the burden of proof shall rest with the Applicant to clearly establish the proposed Special Use shall meet the above standards.

MR. OCKEN: All of the standards have been met. I will entertain a motion to approve this petition.

MR. HAYES: Mr. Chairman, I'd like to make a motion to approve Special Use Number 007-22 SU, on the basis that all the standards have been met, the Regional Planning Commission has approved it as well, and I think it's a good fit for that community.

MR. OCKEN: Is there a second?

MR. BULTHAUS: I'll second.

MR. OCKEN: Mr. Hayes moves; Mr. Bulthaus seconds.

Does the Board have any other questions or

comments?

(No verbal response.)

MR. OCKEN: Mr. Miller, please call the roll.

MR. OCKEN: Mr. Miller, what's the next order of business?

MR. MILLER: The next order of business is to consider the request filed August 2nd, 2022, of Michael West, 107 Oak Street in Holcomb, Illinois, for a Variation in the B-1 Business District to allow the construction of a residential accessory building (detached garage) with 14-foot side walls, in lieu of 10-foot side walls, due to parcel size (being 0.475 acres) as required by the Ogle County Amendatory Ordinance on property described as follows and owned by the Petitioner:

Lots 9 and 10 and East Half of Lot 8, Block 14 of Sheaf's 2nd Addition to Holcomb, part of the East Half of the Southeast Quarter of Section 34, Scott Township 42 North, Range 1 East of the 3rd P.M., Ogle County, Illinois, 0.475 acres, more or less.

Common location of the site being 109 West Oak Street in Holcomb.

For the record, a sign was posted along the frontage of the premises indicating that a

zoning hearing is to be held regarding this property. All adjoining property -- all adjoining owners have been notified of the hearing this evening and the specifics of the petition, and a legal notice was published in the Ogle County Life on the 2nd of August notifying the public of the hearing this evening and the specifics of the petition.

Under the Staff Report, a copy of which you should have, requested action is a Variation.

Purpose is to allow an accessory building (detached garage) to be constructed with 14-foot side walls, in lieu of 10 foot, due to the parcel size as required by the Ogle County Amendatory Zoning Ordinance.

The size of the lot is 168 by 126.

Existing land use is a residence.

Surrounding land use and zoning, the site is located in a residential area. All land surrounding the proposed site is in residential use and is zoned R-2.

Comprehensive Plan, the parcel upon which the Variation is applied for is not within a

mile and a half of any incorporated municipality.

Ogle County Amendatory Comprehensive Plan designates the site and surrounding area for residential uses.

No zoning history.

Physical characteristics, the site is relatively flat terrain. There are no mapped wetlands or floodplain areas present on this site. The site had contained a single-family dwelling that was destroyed by a fire on February 14th of 2020.

And that's all I have, Mr. Chairman.

MR. OCKEN: Petitioner, please come forward to the podium.

Please raise your right hand.

MICHAEL WEST and SHAWN WEST, being first duly sworn, testified as follows:

MR. OCKEN: Please state your name and address to the recorder.

MR. M. WEST: Michael West, W-E-S-T, 107 Oak Street, Holcomb, Illinois.

MR. S. WEST: Shawn West, 7044 West Street in Rochelle.

MR. OCKEN: And tell us why you're requesting a Variation.

MR. S. WEST: We're wanting to build a garage that's tall enough to accept a two- or four-post lift to lift cars, because we enjoy working on cars and we're getting old enough that it's hard enough to roll around on the ground to work on them.

MR. OCKEN: So was there a building at this site that burned down?

MR. M. WEST: Yes, sir, two-and-a-half-story home. It was built around 1920.

MR. OCKEN: Okay. Do you live on the house on that property then?

MR. S. WEST: Next to it.

MR. M. WEST: Right next to that one particular lot. I bought that lot in the late summer of 2020, once they cleaned it up.

MR. OCKEN: Okay. And you own the building to the east of the house then?

MR. M. WEST: Yes, sir.

MR. OCKEN: Is that also yours? And then there's another building to the back; is that right?

MR. M. WEST: A two-car garage, which, if we have to, we can take it down or leave it. It doesn't matter.

MR. OCKEN: Okay.

MR. M. WEST: Whatever the County wants.

MR. OCKEN: And so is this building for a business or just personal use?

MR. M. WEST: Personal.

MR. S. WEST: Personal use.

MR. OCKEN: Okay. And what size building do you plan to build?

MR. S. WEST: A 30 by 32.

MR. OCKEN: And so the Variation is because you want to have a 14-foot side wall?

MR. S. WEST: Correct.

MR. OCKEN: And that's for the lift?

MR. S. WEST: Correct.

MR. OCKEN: To give enough height for the lift?

MR. M. WEST: Yes.

MR. OCKEN: And this will be a metal Morton-type building?

MR. M. WEST: Yes, sir.

MR. S. WEST: Yes.

MR. M. WEST: We're trying to get it to where it completely matches the house and the garage that's already there, the same color of walls, trim, everything.

MR. OCKEN: Okay. And have you talked to your neighbors there to the west about this?

MR. M. WEST: Yes. I have talked to everybody on Oak Street and a couple over on Maple, which is just north, and nobody had a problem with it.

MR. OCKEN: Good. I'm always happy to hear that.

MR. M. WEST: Yeah.

MR. OCKEN: Sometimes people don't talk to their neighbors, and I think it's always good to talk to your neighbors and let them know what's going on. So that's good. Thank you.

MR. M. WEST: Sure.

MR. OCKEN: Any questions or comments from the Board?

MR. BULTHAUS: How close to the property line will this be?

MR. S. WEST: The building is projected to overlap the property line towards his residence,

107, in which we had a drawn-out diagram which we showed the Zoning, so that way they knew ahead of time that's what we were thinking. And at that point in time, they said that wasn't a problem.

MR. M. WEST: The west side would be 10 foot off the property line.

MR. OCKEN: Other questions or comments from the Board?

(No verbal response.)

MR. OCKEN: Hearing none, you may be seated.

MR. S. WEST: Thank you.

MR. M. WEST: Thank you.

MR. OCKEN: Has anyone filed for an appearance?

MR. MILLER: No.

MR. OCKEN: I'm assuming there's no one here who wishes to speak for or against this petition?

(No verbal response.)

MR. OCKEN: If there are no other questions or comments from the Board, I will entertain a motion to close the public portion

of this hearing.

MR. URISH: I move that we close the public portion of this hearing.

MR. OCKEN: Mr. Urish moves.

Is there a second?

MR. BULTHAUS: I'll second.

MR. OCKEN: Mr. Bulthaus seconds.

All in favor say aye.

(All those simultaneously responded.)

MR. OCKEN: Motion's passed. The public part of this hearing is now closed. No additional public comment, testimony or evidence will be presented.

If a Board member wishes to discuss a standard before voting, please so indicate.

Mr. Miller, please read the first standard.

MR. MILLER: Number 1) The particular physical surroundings, shape or topographical condition of the specific property involved would result in a particular hardship upon the owner, as distinguished from a mere inconvenience, if the strict letter of the

regulations were carried out.

MR. OCKEN: Board member wish to read the standard? Reply?

MR. HAYES: I have a question. Is there an opportunity to ask a question?

MR. OCKEN: Go ahead.

MR. HAYES: Under it being B-1, zoning B-1, does that make this an ability to be a business at some point in time, or do they have to re-file?

MR. MILLER: Probably wouldn't allow for any kind of motor vehicle business without a Special Use.

MR. HAYES: Just kind of curious just where we're at with that. Basically are we giving a backdoor, you know, scenario into a business because it's zoned Business, you know, kind of arrangement? Or what's the -- what would be the outcome if -- you know, unforeseen outcomes?

MR. OCKEN: It would require a Special Use.

MR. HAYES: Okay.

MR. OCKEN: Any other questions or

comments from the Board?

(No verbal response.)

MR. OCKEN: Board member wish to read a response? Questions, comments or concerns from the Board?

MR. URISH: Well, I'm struggling to weigh the difference between "hardship" and "inconvenience."

MR. OCKEN: I guess it would be a matter of terms, as to how you wish to -- you can change the wording of this, if you want to.

MR. SULSER: Well, isn't there a problem with covering that much area with a building?

MR. MILLER: It would go to the -- well, that's B-1. So let me get it out.

MR. SULSER: I can't figure why it would be B-1, with all the residential houses there. I mean, what's Business District there?

MR. OCKEN: That's just the way it was zoned. It was originally -- that whole area was originally zoned B-1. We see that in small towns a lot. That frequently happens. And then if they want to sell it, then they have to come get it rezoned to Residential to sell it because

the bank won't sell it if it's B-1 for a residence.

But that's not what they're dealing with here. They just want to build this. That's probably the reason it's B-1, it was probably put that way in 1965.

MR. MILLER: Yeah, it was.

The landscaped surface ratio -- area surface -- let's start that over.

The landscaped surface area ratio shall not be less than 0.35. So that's a little greater than the 30 percent in R-2. But that -- if it was R-2, it would have been 30 percent. We did away with the 3 percent that you used to see, you know, five years ago.

MR. OCKEN: I think an important factor here is, Mr. West has talked to his neighbors and none of his neighbors have voiced any concerns or disapproval of this. So if his neighbors are not concerned about it, I think that's a factor.

And as far as the responses that are listed here, you can respond any way you want to. These are suggested responses. If you wish

to reword it, a Board member's free to do that.

But we're going to have to pick one, gentlemen.

MR. HAYES: I mean, I understand in some ways of the building, because if you get underneath of a lift or whatever like that, you're going to need room, you know, kind of arrangement, and if you -- you know, if you're looking at getting underneath of something and you need a lift, you're going to need probably 14-foot side walls; 11 is just not going to cut it, you know, kind of thing -- 10 or 11 is not going to cut that at all.

So if that's the scenario that we're going to look at, and people don't mind it in that area, then I -- the only concern I would have is, you know, the precedence we would be setting. That would be my only concern, is precedence, especially in the area. You know, setting a precedence in the area, then we accept the precedence in the area.

MR. OCKEN: I think precedence is always a concern. I think Mr. West has given us a good reason for wanting to exceed that building

height by putting in a lift.

MR. HAYES: Right.

MR. OCKEN: It's not just that he's putting in a building and wants to go 14 foot up. There's a reason for doing that.

MR. HAYES: Right. Safety, you know, not putting it on blocks. You know, you don't want to sit there and dissuade somebody from doing the right thing, you know, putting in a lift.

I move that the unique size of the lot will result in a hardship upon the owner in constructing an accessory building that maintains the 10-foot side wall requirement. I believe the standard is met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

Number 2) The conditions upon which the petition for a Variation are based are unique and would not be applicable, generally, to other property within the same zoning classifications.

MR. URISH: The conditions upon which the petition for a Variation are based are unique and are not applicable, generally, to other

property within the R-2 Zoning District.

I think the standard's been met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

Number 3) The purpose of the Variation is not based exclusively upon a desire to obtain a higher financial return on the property.

MR. HAYES: Evidence indicates that the purpose of the Variation is not based exclusively upon a desire to obtain a higher financial return on the property, but rather to provide an accessory building for the owners of that property.

I believe the standard's met.

(All those simultaneously agreed.)

MR. MILLER: All agree.

Number 4) The alleged difficulty or hardship has not been created by any person presently having an interest in the property.

MR. SULSER: Evidence indicates that the alleged difficulty or hardship has not been created by the Petitioner.

Standard is met.
(All those simultaneously agreed.)
MR. MILLER: All agree.
Number 5) The granting of the Variation will not be materially detrimental to the public welfare or injurious to other property or improvements in the neighborhood in which the property is located.
MR. BULTHAUS: No evidence has been submitted that would indicate granting of the Variation will be materially detrimental to the public welfare or injurious to other property or improvements in the neighborhood in which the property is located.
Standard met.
(All those simultaneously agreed.)
MR. MILLER: All agree.
Number 6) The proposed Variation will not impair an adequate supply of light and air to adjacent property, or substantially increase the congestion in the public streets, or increase the danger of fire, or endanger the public

safety, or substantially diminish or impair property values within the neighborhood.
MR. URISH: The Variation will not impair an adequate supply of light and air to adjacent property or substantially increase the congestion in the public streets, or increase the danger of fire, or endanger the public safety, or substantially diminish or impair property values within the neighborhood.
I think the standard's been met.
(All those simultaneously responded.)
MR. MILLER: All agree.
The Zoning Board of Appeals should not vary the regulations of this Ordinance unless it shall make findings based upon the evidence presented to it in each specific case that, A) The plight of the owner is due to unique circumstances.
MR. SULSER: The circumstances are unique due to the unique size of the lot and presence of the existing house and septic system on a portion of the site.
Standard met.

(All those simultaneously responded.)
MR. MILLER: All agree.
And, B) The Variation, if granted, will not alter the essential character of the locality.
MR. BULTHAUS: The Variation will allow construction that is not out of character with the surrounding area, as many houses in the R-2 Zoning District have reduced distances to side or rear lot lines.
Standard met.
(Urish, Ocken, Bulthaus and Sulser simultaneously agreed.)
MR. HAYES: I disagree.
MR. OCKEN: All of the standards have been met. I will entertain a motion to approve this petition. All of the standards have been met.
MR. URISH: Mr. Chairman, I would move that we recommend approval of this Variation File Number 04-22 VAR. All the standards have been met.
MR. OCKEN: Mr. Urish moves. Is there a second?

MR. HAYES: I'll second.
MR. OCKEN: Mr. Hayes seconds.
Does the Board have any other questions or comments?
(No verbal response.)
MR. OCKEN: Mr. Miller, please call the roll.
MR. MILLER: Urish?
MR. URISH: Yes.
MR. MILLER: Sulser?
MR. SULSER: Yes.
MR. MILLER: Bulthaus?
MR. BULTHAUS: Yeah.
MR. MILLER: Hayes?
MR. HAYES: Yes.
MR. MILLER: Ocken?
MR. OCKEN: Yes.
(By voice vote five ayes.)
MR. MILLER: Five yes.
MR. OCKEN: This motion has been approved by a vote of five to zero.
You can go ahead and see Mr. Miller for a building permit.
MR. M. WEST: Thank you.

MR. OCKEN: Any other questions or comments from the Board this evening?

(No verbal response.)

MR. OCKEN: Mr. Miller, do we have any other business?

MR. MILLER: No, sir, we do not.

MR. OCKEN: I call this meeting adjourned at 6:39 p.m.

(The hearing was concluded at 6:39 p.m.)

Now on this 29th day of September, A.D., 2022, I do signify that the foregoing testimony was given before the Ogle County Zoning Board of Appeals.
