

Ogle County Highway Department
APPLICATION FOR ENGINE BRAKING SIGN PERMIT

Application is hereby made for a permit to erect an Engine Braking Sign to be located and described hereinafter. An application must be filled out for every sign to be installed.

APPLICANT

County _____ Contract Name _____
Municipality _____ Telephone No. _____
Address _____ Fax No. _____

PROPOSED SIGN LOCATION

- 1, County Road _____
2. Sign will be located _____ feet _____ of _____
(See attached layout) (direction) (Intersection/Side Road)
3. Sign will be located _____ feet from the edge of pavement and _____ feet from the right-of-way line.
4. Proposed sign will be located _____ feet from the nearest existing highway sign.

INSTALLATION

Engine Braking Signs are installed in accordance with the Ogle County Supplemental Signing Policy. This policy requires the applicant to be responsible for the costs of the sign and it's installation. This responsibility extends to the replacement and/or re-erection of the supplemental sign should it be damaged or need replacing. By submission of this application, the applicant agrees to this responsibility and agrees to make payment to the Ogle County Highway Department for costs incurred for the purchase of the sign, post, and erection of the requested sign.
