WHEREAS, pursuant to RCW Chapter 39.34, local governmental units may enter into agreements on a basis of mutual advantage for the purpose of cooperating to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, this Interlocal Agreement (hereafter Agreement) is made and entered into between and among the City of Olympia, hereafter referred to as “Olympia,” and the City of Tumwater, hereafter referred to as “Tumwater,” and collectively hereafter referred to as "Parties" or "the Parties;” and

WHEREAS, the service demands and costs of providing fire and emergency medical services have increased dramatically and disproportionately to other municipal services; and

WHEREAS, that cost escalation continues to put pressure on the limited resources of the Parties; and

WHEREAS, in 2019, a study of fire and emergency medical regionalization options in Thurston County was released; and

WHEREAS, Washington state law, RCW Chapter 52.26, provides an option for Regional Fire Authorities to be formed between cities for the purpose of providing regional fire and emergency medical services; and

WHEREAS, the Parties desire to explore the creation of a Regional Fire Authority to provide fire and emergency services within the boundaries of the two cities and to share the costs of the study of such Authority; and

WHEREAS, the Parties agree that a planning process that looks at the viability of an Authority will require input from affected groups, including represented employees, unrepresented employees, residents and businesses, other city departments, Medic One, and community partners;
