Waitlist Policy

1. If a camp is full, we can place you on a waiting list and will contact you if a space opens up. Many campers who use the waitlist are eventually offered a spot in their preferred camp, but this is not guaranteed.
2. For camps that are *more than 5 business days from the start date*, you will have 48 hours to confirm your spot before it is given to the next person on the waitlist.
3. If a camp is *5 business days or less from the start date*, you will have 24 hours to confirm your spot before it is given to the next person on the waitlist.
4. If a spot is open for a camp on the *Friday or Saturday before the start date or after the camp has already started*, we will email all individuals on the waitlist and the first to get back to us with payment will take the spot.
5. If you are already registered for a different camp and are offered a spot off the waiting list for the same week, we can transfer you into the new camp if you wish to accept the spot. See details below on transfers.

Refunds & Cancellations

1. Satisfaction guaranteed! If you are not satisfied with any of our camps, we will refund the full amount if you call before the second day of camp. If two days of camp have passed, we will pro-rate your refund. Refunds are not issued after the third day of camp.
2. **Camp Withdrawals:** Refunds for camp registrations are subject to a \$25 cancellation fee per session/week. A full refund, excluding the cancellation fee, will be issued if cancellation notification is received at least 14 days before the camp session's first date. If withdrawal occurs within 2 to 14 days of the camp session's start, the cancellation fee will be 25% of the total camp fee. Withdrawals after 5:00 pm on the Friday before a camp week will incur a cancellation fee of 50% of the total camp fee. No refunds will be given after the camp begins unless the satisfaction policy applies.
3. **Camp Transfers:** Transfers are allowed at no cost, provided there is an available spot; however, campers transferring from a camp to a waiting list will be charged the appropriate fee. For most camps, you may transfer to another camp/session that has availability by using your online account or by contacting Customer Service.

Summer Camp

Become a Summer Camp Counselor!

Each year, Olympia Parks, Arts and Recreation brings on collaborative, innovative and effective leaders to run our youth summer camps (Traditional Day Camps, Sports Camps, Outdoor Adventure Camps, Mini Camps and the Summer Kids in Parks Program - SKIPP).

Annual hiring begins in late February and closes in early April. For specific deadlines and applications, visit: olympiawa.gov/jobs.

The Olympia Parks, Arts, and Recreation Department is committed to building a diverse workforce. We strongly encourage people who are Black, Indigenous, people of color, transgender, non-binary, LGBTQ, immigrants, people with disabilities, and women to apply.

Although not a requirement, we are always in need of summer staff that are 21 years of age or older and have a clean driving record. We have found that students in these fields of study have found great value working in a summer camp environment: Early Childhood Education, Nursing, Recreation/ Industry Management, Hospitality and Business, Sociology and Psychology. Any outdoor/safety certifications such as CPR/First Aide, Lifeguard, Wilderness First Responder, etc. are also great assets to our summer staff team.
