Street Sweeper Decal Art Contest

Stormwater Pollution Prevention

Help us highlight an important stormwater pollution prevention tool! Olympia's new street sweeper needs artwork to convey how it keeps pollution out of our local waterways.

Six designs will be chosen for display on the sides of the new street sweeper for all to see. Designs will also be used on the City's website, social media and other outreach materials. We will select artwork depicting these clean water messages:

1. Clean streets = Clean water
2. Keeping Oly clean with this sweeping machine
3. Sweeping Olympia Green
4. Keeping Oly's waters clean
5. Protecting fish and wildlife one street at a time
6. Protecting our streams, lakes, and Puget Sound
7. Sweeping pollution out of stormwater's path
8. Your own clean stormwater design
