Oxford Police Department Recognition for outstanding service

The Unit citation is awarded to Officer Tim Ellis in recognition of his actions involving a domestic assault.

Officer Ellis was called to assist the Chief of the Lake Orion Police Department. Upon arriving in Lake Orion, the male subject involved in the domestic had allegedly chased his fiancé into a bathroom with a machete. Officer Ellis observed that the machete had blood on it as well as the male subjects hands. The Lake Orion Police Chief and Officer Ellis held the responsible until a Lake Orion Officer arrived to apply handcuffs and place into a Lake Orion patrol unit.

After a short period the subject had somehow escaped the back of the patrol unit and slipped off a cuff. Officer Ellis then wrestled the responsible to the ground to secure the other cuff. Once placed in the patrol car the subject continued to attempt to slip the cuffs and bash his head against the divider of the patrol unit.

During the struggle Officer Ellis sustained a laceration to his right finger as well as injuring his knee and shoulder. Orion Fire arrived on scene to render aid to everyone involved as the scene was now secure.

The Oxford Police Department awards Officer Tim Ellis for his outstanding and professional actions.

Thank you,

Chief Micheal Solwold #119

Subject: Departmental issued service weapons

For many years the Oxford Police Department allowed three different types of calibers for service weapons. The 9mm, 40 and 45 cal. Officers were always responsible for the purchase of their own weapons up until approximately 15 years ago. The Department paid for and issued weapons to full and part-time officers leaving the Reserve Officers to purchase their own weapons. This was still a problem because of the multiple calibers and ammo that had to be purchased. The weapons that were issued are outdated and need to be replaced. Sgt. Ascroft had a piece break off his weapon during training just recently.

Our goal has been to eventually supply all members of the Oxford Police Department with the same caliber weapons. This accomplishment is important because tactically everyone will have the same weapon and ammo to train with and the Department will only have to purchase one kind of ammo instead of three. This is tactically important and cost efficient for the Police Department.

This was a bucket list to be discussed at a future budget meeting. Recently, the Oxford Reserve Officers donated \$7,293.00 for their weapons and another \$2006.00 for the holsters leaving Oxford PD to only have to purchase five weapons and holsters. The cost of these five weapons including the holsters was \$2835.00.

Michigan Schools & Government Credit Union donated \$3000.00 to the Oxford Police Department to help upgrade or add needed tactical equipment to the Department due to the recent high school tragedy. With the help of the Reserve Program and the donation from the credit union Oxford PD was able to purchase 9mm handguns and holsters and fulfill an important need for our Police Department. Full-time, part-time and Reserves will ALL carry 9mm Glock handguns effective in May 2022.

Thank you,

Chief Micheal D. Solwold #119

VILLAGE OF OXFORD ORDINANCE NO. 417

THE VILLAGE OF OXFORD ORDAINS:

ARTICLE V. RESIDENTIAL RENTAL ORDINANCE REGISTRATION AND OTHER

Sec. 10-83. Purpose and intent.

For the health and safety of landlords and tenants and for the ongoing and general welfare of the public, the Village of Oxford recognizes the need for an organized registration program for residential rental units located within the Village in order to ensure, when determined to be necessary, that rental units in the Village are proactively identified and known to all public safety officials. The Village hereby finds that the most efficient system to achieve these objectives is a program requiring the registration of residential rental units within the Village.

Sec. 10-84. Definitions.

As used in this article, the following terms and words shall have the following meanings, unless the context clearly indicates that a different meaning is intended. Any term not specifically defined shall have its plain meaning.

(5) The dwelling of a surviving spouse who is living in a home which is owned by the deceased spouse's heirs, estate or trust;

(6) A dwelling in which a parent, child, brother, or sister of an owner is living; and

(7) Dwelling units in which an owner of such unit resides unless the nonowner occupant(s) of such dwelling unit pays rent or makes other forms of compensation to the owner for occupancy of the dwelling unit.

Landlord means any person who owns or controls a dwelling, dwelling unit, or rental unit and rents such unit, either personally or through a designated agent, to any person.

Owner means the legal title holder of a rental unit or the premises within which the rental unit is situated.

Owner-occupied rental unit means a rental unit that is occupied, in whole or in part, by an individual who is an Owner or whose name specifically appears on the deed for the property where the rental unit is located.

Person means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation or receiver, executor, personal representative, trust, trustee, conservator or other representative appointed by order of any court.

Premises means a lot, plot or parcel of land, including the buildings or structures thereon, which also includes dwelling units and dwellings.

Rental unit means any "dwelling unit" containing sleeping units, including but not limited to apartments, boarding houses, or sleeping rooms, which is leased or rented from the Owner or other person in control of such units, to any Tenant, whether by day, week, month, year or any other term of time.

Responsible local agent means a natural person having his or her place of residence in the State of Michigan and designated by the property Owner as the agent responsible for operating such property in compliance with the ordinances adopted by the Village.

 - Sec. 70 126. Stormwater Engineering Design Standards. The Village of Oxford adopted the Oakland County Water Resource Commission Stormwater Engineering Design Standards. (The OCWRC Design Standards will be inserted here, 132 pages). The Village of Oxford Zoning ordinance also addresses storm water design and controls during the site plan approval process. Long term operations and maintenance agreements will be in place in case the property owner fails to maintain storm water structural controls.
 - Section 70 127. Violations, Enforcement, and penalties. It shall be unlawful for any person to violate any provision or fail to comply with any of the requirements of this article. Any person who violates any of the provisions of this article shall be subject to one or more of the enforcement actions outlined in this section. Any violation or threatened violation may be restrained by injunction or otherwise abated in a manner provided by law. In the event the violation constitutes an immediate danger to public health or public safety, the enforcement agent is authorized to enter upon the subject private property, without giving prior notice, to take any and all measures necessary to abate the violation and/or restore the property. The enforcement agent is authorized to seek costs of abatement as outlined in subsection 70-116(5).
 - (1) Compliance directive. In addition to any other remedy available to the Village of Oxford or Oakland County, village or county inspectors may issue compliance directives at the time of inspection to require a person to implement actions that will correct any violation of this article.
 - O (2) Notice of violation. Whenever the enforcement agent finds that a person has violated a
 prohibition or failed to meet a requirement of this article, the authorized enforcement agency
 may order compliance by written notice of violation to the responsible person. Such notice may
 require without limitation:
 - a. The performance of monitoring, analyses, and reporting.
 - b. The elimination of illicit connections or discharges.
 - c. The violating discharges, practices or operations shall cease and desist.
 - d. The abatement or remediation of stormwater pollution or contamination hazards and the restoration of any affected property; and
 - e. Payment of a fine to cover administrative and remediation costs; and

VILLAGE OF OXFORD ORDINANCE NO. 416(a) AMENDMENT Chapter 70 – Utilities - Article V: STORMWATER – ENGINEERING AND DESIGN STANDARDS.

- f. The implementation of source control or treatment BMPs. If abatement of a violation
 or the restoration of affected property is required, the notice shall set forth a deadline
 within which such remediation or restoration must be completed. Said notice shall
 further advise that, should the violator fail to compete the remediation or restoration
 within the established deadline, the work may be done by the authorized enforcement
 agency, or its designee and the expense thereof shall be charged to the violator.
- (3) Appeal of notice of violation. Any person receiving a notice of violation may appeal the determination of the enforcement agent. The notice of appeal must be received within ten days from the date of the notice of violation. Hearing on the appeal before the appropriate authority or its designee shall take place within 15 days from the date of receipt of the notice of appeal. The decision of the municipal authority shall be final.
- (4) Enforcement measures after appeal. If the violation has not been corrected pursuant to the requirements set forth in the notice of violation, or, in the event of an appeal, within 10 days of the decision of the municipal authority upholding the decision of the enforcement agent, then the enforcement agent and/or assistants are authorized to enter upon the subject property and are authorized to take any and all measures necessary to abate the violation and restore the affected property. It shall be unlawful for any person, owner, agent or person in possession of any premises to refuse to allow the representatives or the enforcement agent to enter upon the premises for the purposes set forth above.
- o (5) Cost of abatement of the violation. If the village abates a violation, then within 60 days after abatement of the violation, the owner of the property will be notified of the cost of abatement, including administrative costs unless such costs are continuing. Such notice shall be given by personal delivery or by mail to the last known address of the owner as shown in the records of the county assessor. Such notice shall be effective upon the date of mailing or personal delivery. The property owner may file a written protest objecting to the amount of the assessment within ten days of the effective date of the notice. If no protest is filed, then the charges shall become due and payable on the date set forth in the notice, which date shall be after the expiration of the time in which to file an appeal, and such charges shall become a special assessment against the property and shall constitute a lien on the property of the amount of the assessment. In the event the protest is filed, a hearing on such protest shall be held before the appropriate authority or its designee within 60 days from the date of such charges and if affirmed shall become due and payable 10 days after the issuance of the order and shall constitute a lien on the property for the amount of the assessment. Such charges may also be recovered in a civil proceeding against the owner or other person in control of the premises for which such charges were incurred, and any person in violation any of the provisions of this article shall be liable to the Village of Oxford, Oakland County for all fees

- (9) Compensatory action. In lieu of enforcement proceedings, penalties, and remedies authorized by this article, the authorized enforcement agency at its option may impose upon a violator alternative compensatory action, such as storm drain stenciling, attendance at compliance workshops, creek cleanup, etc.
- (10) Violations deemed a public nuisance. In addition to the enforcement processes and penalties provided, any condition caused or permitted to exist in violation of any provisions of this article is a threat to public health, safety, and welfare, and is declared and deemed a nuisance, and may be summarily abated or restored at the violator's expense, and/or a civil action to abate, enjoin, or otherwise compel the cessation of such nuisance may be taken.
- (11) Remedies not exclusive. Except as expressly provided above, the remedies in this section are cumulative and the exercise of any one or more remedies shall not prejudice any other remedies that may otherwise be pursued for a violation of this article. Village of Oxford Resolution 2022-02 to Call on Elected Leaders to Draft Measures to Restrict Access to Firearms Among Minors and on School Grounds

WHEREAS the school shooting November 30, 2021, at Oxford High School in Oxford, Michigan, was a horrific event, immediately claiming four young lives and leaving seven other people wounded, some with life-threatening injuries; and

WHEREAS the Oxford Village Council stands with the Oxford community in mourning those who died, praying for the recovery of those injured and for healing among all those affected by this tragedy, including all Oxford High School students, family members, community members, and first responders; and

WHEREAS the Oxford tragedy was sadly the latest in a long list of school shootings, with shootings claiming seven lives over the first four months of the 2021-22 school year alone, according to Education Week; and

WHEREAS despite a one-year decline linked to remote learning during the COVID-19 pandemic, school shootings have remained a continuing horror across our nation in the past decade, with an average of six shootings a year, or one every 50 days, since 2013, according to NBC News; and

WHEREAS the United States stands alone among other developed countries in the number and frequency of school shootings, as well as in the number of those killed and wounded; and

WHEREAS this senseless and tragic moment at Oxford High School needs to be the last of its kind as schoolchildren, residents, and visitors must be assured that even the most common task of any day will not be met with such violence; and

WHEREAS this horrific event will have far-reaching implications for the victims, their families, students at Oxford High School, hundreds of heroic first responders, the Oxford community, the State of Michigan, and the United States, and must be stopped so young and innocent lives will not be taken again; and

WHEREAS the shooting at Oxford High School and other schools in other states is a reminder that no community, whether urban, suburban, or rural, is immune to this type of violence and serves as a reminder call to action for lawmakers to enact measures that bring it to an end; and

WHEREAS that while the Second Amendment of the U.S. Constitution protects the rights of citizens to "bear arms" and even though this right must be protected, additional measures must be taken to prevent the sale to vulnerable individuals and to keep firearms out of the reach of unsupervised minors.

NOW THEREFORE BE IT RESOLVED that on this 8th day of March 2022, the Oxford Village Council calls on elected leaders in the U.S. Congress and Michigan Legislature to immediately begin drafting measures that, while consistent with the Second Amendment protections, will restrict access to firearms among unsupervised minors and on school grounds, and increase penalties for adults who illegally provide firearms to minors.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to President, Joe Biden, U.S. Congress, the Michigan House of Representatives and Senate, and Michigan Governor, Gretchen Whitmer.

I, Tere Onica, Village Clerk for the Village of Oxford, hereby certify that the foregoing is a true and accurate copy of Resolution No. 2022-02 adopted by the Village Council for the Village of Oxford, Michigan, at a regular meeting held on the 8th day of March 2022, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act and that the minutes of said meeting were kept and will be or have been available as required by said act.
