Subject: RE: FPL BCE

Just received the corrected BCE with an addition reduction of \$50,951 in the underground installation cost which I pointed out that should not have been charged to us. After the reductions in the GAF and DSS credits, our cost dropped \$14,245. Typically, the cost to FPL generally runs 45% to 50% of the FPL Project Cost. Compared to the FPL total project cost of \$6,582,235, FPL will pay 48.5%.

Subject: FPL BCE

I received the FPL binding Cost Estimate documents (excluding the prints which should come soon). The credits for the feeders that I thought would be around \$300K were about twice that. So the price if FPL was to do the work ended up being about \$3.4M. Their BCE for the Town to install the Underground Facilities was showing the payment to FPL as \$409,039. I always reconstruct their numbers to coincide with the tariff sheets and found an indication that they left out a credit of \$140,409 which would reduce the total payment to FPL to \$293,109. We have paid a deposit of \$24,479, so the remaining amount to be paid to FPL should be \$268,630. John Lehr is in Miami today, but I talked with him and sent him the calculations. He acknowledged that the credit was due and will get it resolved.

John had indicated that the price was coming in at around \$3.5M excluding the increase for the Vista switches which would have been about 13 x \$53K, or \$689K, which would have put us at around \$4.2M. However the credits for the feeders and the extra cost for the equivalent hardened overhead line facilities resulted in higher credits than expected. So we are in very good shape cost wise. We will have 180 days to execute the FPL contract which will give us time to get bids and be sure the contractor prices are not too high.

Can you have your staff send me a report of expenses for March and April so I can update the tracking spreadsheet.

The two BCEs should look like this after they fix their error:

Option 1: All Underground Work Performed by FPL

Mayor/Commission:
April 2018

Please bear with me regarding monthly stats and reports the report writing management system we purchased about 4 years back has not been utilized properly and we are closing in on using it as the central depository of most police information.

Another month (hoping) and we should have a handle on it., the system is capable of many more things than we had used it for and I have been speaking with the developers almost weekly. We spend around 18 thousand dollars yearly in maintenance fees and we need to get our monies worth out of it.

I hope everyone has noticed the high visibility patrol, walking, Segway usage ATV and routine patrol our folks are doing a great job with the improved closed house checks and the way we ensure it is being done. Any thoughts or suggestions you may have are welcomed.

I continue to meet with the north county chiefs of police and then with the entire county chiefs once a month we are much more involved than in years past and we are onboard with the chiefs LEX system, tethering police reports around the county into a central depository (soon the license plate readers will also be tethered) we are also involved with the Sheriffs fusion center. Trying to keep abreast of local crime trends, the uptick continues to be car burglaries especially cars that are left unlocked with the key fob still in the car.

Thank you very much for allowing the cabling project to move forward the process of moving all phone lines individually and then together along with computer and cameras data lines has proved tedious for the company but they are doing it. We now know what goes where and the nest of wires in the ceiling are slowly diminishing. These wires and data lines are the heart of the computers and surveillance of the town, the closet they were in was not conducive to a very long life span and difficult if not impossible to have technicians work on them.

The vendors have all been in for the CCTV project and I have had some luck in meeting with vendors that operate both live cameras and license plate readers in the same system. Should have some hard numbers in the next 3 to 4 weeks if not sooner.

We are awaiting the final report on our soon to be newest part time officers. He is a full time assistant state's attorney working in West Palm Beach and Palm Beach County State's attorney Aronberg has given permission for him to work part time with us as a police officer. He also has about 5 years of experience with the Capitol police and the highway patrol before settling in at the states attorney's office. Besides patrol he will bring us the most up to date information regarding cases and how to improve writing skills and successful prosecution.

As usual thank you for the support you have given to our men and women and we very much appreciate it.

She lives just over the bridge in North Palm Beach and has a beautiful view of our amazing intracoastal waterway! She has taken over the front desk duties which include being that smiling face who greets all our visitors on a daily basis, either in person or over the phone. She will also be assisting me and the building official with the Building Department. As if that is not enough, she will also handle the Community Center events, Accounts Payables, and be the Administrative support to our Police Chief, Fire Chief, and Public Works Director. Please stop by and meet her the first chance you get.

Re: Zoning Code Development Process
Date: May 21, 2018

The purpose of this memo is to outline the process for the development of new or modified zoning codes. We are reviewing this because

- We have a number of new Commissioners,
- We haven't been through this process recently and
- We will be reviewing two potential zoning code modifications tonight.

Zoning Code Revision Process:

The P&Z is the designated Local Planning Agency (LPA) for the Town. They are responsible for managing the Town's Comp Plan. The steps for establishing or revising zoning code is as follows:

1. Staff identifies an issue requiring a zoning code change. We bring it to the Commission for consideration. (That is what we are doing tonight.)
2. The Commission agrees in concept to the requested change. Assigns the P&Z/LPA the task of proposing the specific code language.
3. The P&Z works with the Town Attorney and Planner to develop an appropriate ordinance addressing the problem.
4. The P&Z then re-convenes as the LPA to approve the new code and send it to the Commission for final action.
5. The Commission approves (1st and 2nd reading), modifies or rejects the new ordinance. The Commission can send it back to the P&Z for further work.

Re: Proposed Ordinance: Site Plan Review for Pools, Decks, Slabs etc.

Date: May 11, 2018

Purpose:

The purpose of this memo is to describe the need for a new ordinance modifying the regulations governing site plan approval for new pools, decks, enclosures, slabs and other site modifications outside the house.

Background:

Currently, our code section 14-62 calls for site plan review of the following:

- New house construction
- Front yard fences, walls, gates or hedges
- Renovations of existing structures which change the façade or existing house footprint
- Permanent generators

As part of the site plan review for these items, the DRC and P&Z verify that the proposed construction meets the code requirements. Some of the important factors considered are the building height, landscape screening for privacy, placement of AC and pool equipment for noise abatement and percent of lot coverage for drainage requirements.

In the process of site plan reviews for a recent house renovation project, we discovered that the owners had added a pool. This was legal and permitted properly. The only plan review was by the Building Official.

Plan review by the DRC and P&Z is designed to protect both the homeowner and the neighbors in the areas of privacy, drainage and noise. It requires a great deal of expertise and time to evaluate the plans for all of the relevant details.

A pool or a new deck are significant changes to a property with many requirements and opportunities for resulting issues. We believe that such projects would benefit from a DRC/P&Z site plan review. In the past, pool projects have resulted in drainage issues affecting neighbors' yards, incorrectly placed pool equipment and inadequate landscaping.

Code Revision Process:

The P&Z is the designated Local Planning Agency (LPA) for the Town. They are responsible for managing the Town's Comp Plan. The steps for revising any affected code is as follows:

1. Staff identifies an issue requiring a code change. We bring it to the Commission for consideration.
2. The Commission agrees in concept to the requested change. Assigns the P&Z/LPA the task of proposing the specific code language.
3. The P&Z works with the Town Attorney and Planner to develop an appropriate ordinance addressing the problem.
4. The LPA approves the new code and sends it to the Commission for final action.
5. The Commission approves the new ordinance (1st and 2nd reading.)

Staff Recommendation:

The Commission is requested to assign the task of developing the relevant code to the P&Z as outlined above.

The staff and Town Attorney have created a draft ordinance as a starting point (attached.)

ORDINANCE NO. O-3-18

AN ORDINANCE OF THE TOWN COMMISSION OF THE TOWN OF PALM BEACH SHORES, FLORIDA, AMENDING CHAPTER 14. BUILDINGS AND BUILDING REGULATIONS. ARTICLE II. ADMINISTRATION. DIVISION 3. BUILDING CONSTRUCTION AND SITE PLAN REVIEW, APPROVAL. AT SECTION 14-62. PROCEDURE. TO REQUIRE SITE PLAN REVIEW FOR THE CONSTRUCTION OF NEW SWIMMING POOLS, POOL DECKS, SLABS, AND SCREENED ENCLOSURES, THE INSTALLATION OF NEW POOL EQUIPMENT, MODIFICATIONS TO EXISTING SWIMMING POOLS, POOL DECKS AND SCREENED ENCLOSURES WHICH RESULT IN INCREASED IMPERVIOUS AREA, THE RELOCATION OF EXISTING POOL EQUIPMENT; MODIFICATIONS TO EXISTING EMERGENCY ELECTRICAL GENERATORS WHICH RESULT IN INCREASED IMPERVIOUS AREA OR A REDUCTION IN BUFFERING OR SCREENING, AND THE RELOCATION OF EXISTING EMERGENCY ELECTRICAL GENERATORS; PROVIDING THAT EACH AND EVERY OTHER SECTION AND SUBSECTION OF CHAPTER 14. SHALL REMAIN IN FULL FORCE AND EFFECT AS PREVIOUSLY ENACTED; PROVIDING A CONFLICTS CLAUSE, A SEVERABILITY CLAUSE, AND AUTHORITY TO CODIFY; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

WHEREAS, Town regulations currently require site plan review for specific development activities proposed within the Town; and

WHEREAS, the Town Commission of the Town of Palm Beach Shores desires to expand these regulations to require site plan review for the construction of new swimming pools, pool decks, slabs, and screened enclosures, the installation of new pool equipment, modifications to existing swimming pools, pool decks and screened enclosures which result in increased impervious area, the relocation of existing pool equipment, modifications to existing emergency electrical generators which result in increased impervious area or a reduction in buffering or screening, and the relocation of existing emergency electrical generators within the Town; and

WHEREAS, the Town Commission has determined that such amendments to the Town's code are in the best interests of the citizens of the Town of Palm Beach Shores, and will serve to promote the public health, safety and welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COMMISSION OF THE TOWN OF PALM BEACH SHORES, FLORIDA, THAT:

Section 1: Chapter 14. BUILDINGS AND BUILDING REGULATIONS. of the Code of Ordinances of the Town of Palm Beach Shores is hereby amended at Article II. ADMINISTRATION. Division 3. Re: Proposed Ordinance: Fence Definitions
Date: May 21, 2018

Purpose:

The purpose of this memo is to describe the need for a new zoning ordinance modifying the regulations governing fences.

Background:

Currently, our code Appendix A, Section II Definitions and Section IX Walls, Fences and Hedges govern construction and maintenance of fences.

In Section II, the definition of a hedge is clearly defined but fences and walls are not. This leads to ambiguity and difficulty in enforcing our code governing fences.

Staff Recommendation:

The Commission is requested to assign the task of developing the relevant code to the P&Z/LPA.

The staff and Town Attorney have created a draft ordinance defining fences and walls as a starting point (attached.)

ORDINANCE NO. O-2-18

AN ORDINANCE OF THE TOWN COMMISSION OF THE TOWN OF PALM BEACH SHORES, FLORIDA, AMENDING APPENDIX A. ZONING ORDINANCE. AT SECTION II. DEFINITIONS. TO ADD DEFINITIONS FOR THE TERMS FENCE, CHAIN-LINK FENCE, STOCKADE FENCE AND WALL; PROVIDING THAT EACH AND EVERY OTHER SECTION AND SUBSECTION OF APPENDIX A. ZONING ORDINANCE. SHALL REMAIN IN FULL FORCE AND EFFECT AS PREVIOUSLY ENACTED; PROVIDING A CONFLICTS CLAUSE, A SEVERABILITY CLAUSE, AND AUTHORITY TO CODIFY; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

WHEREAS, Town regulations currently include a section governing walls, fences and hedges within the Town; and

WHEREAS, Town regulations currently include a definition for hedge but not fence or wall; and

WHEREAS, the Town Commission of the Town of Palm Beach Shores desires to define the terms fence, chain-link fence, stockade fence, and wall with the Town Zoning Ordinance; and

WHEREAS, the Town Commission has determined that such amendments to the Town's code are in the best interests of the citizens of the Town of Palm Beach Shores, and will serve to promote the public health, safety and welfare.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COMMISSION OF THE TOWN OF PALM BEACH SHORES, FLORIDA, THAT:

Section 1: APPENDIX A. ZONING ORDINANCE. of the Code of Ordinances of the Town of Palm Beach Shores is hereby amended at SECTION II. DEFINITIONS. to add definitions for the terms fence, chain-link fence, stockade fence, and wall; providing that new sections, appropriately numbered as Pf. 2.22.1, Pf. 2.22.2, Pf. 2.22.3, and Pf. 2.37.1, shall be inserted alphabetically within SECTION II. DEFINITIONS as follows:

SECTION II. - DEFINITIONS

Pf. 2.22.1 - Fence.

Any artificially constructed barrier of any material or combination of materials constructed along the full length of any or all property line(s), or within the property for the purpose of protection or confinement or as a boundary or for the purpose of blocking part of the property from view or access. Hedges, plants, shrubs or foliage shall not constitute a fence under this definition. Any such barrier made of concrete block, masonry or similar material is considered to be a wall; see definition Pf. 2.37.1 below.

Pf. 2.22.2 – Fence, chain-link.

An open mesh fence made entirely of wire woven in squares with vertical supports.

Pf. 2.22.3 – Fence, stockade.

A fence constructed of vertical wood strips or material similar in appearance.

Pf. 2.37.1 - Wall.

A vertical structure made of concrete block, masonry or other similar material which may or may not have a foundation and may or may not be stuccoed and painted and which forms a physical barrier.

Section 2: Each and every other section and subsection of APPENDIX A. ZONING ORDINANCE. SECTION II. DEFINITIONS. of the Code of Ordinances of the Town of Palm Beach Shores, shall remain in full force and effect as previously enacted.

Section 3: All ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed.

Section 4: Should any section or provision of this ordinance or any portion thereof, any paragraph, sentence or word be declared by a Court of competent jurisdiction to be invalid, such decision shall not affect the validity of the remainder of this ordinance.

Section 5: Specific authority is hereby granted to codify and incorporate this ordinance into the existing Code of Ordinances of the Town of Palm Beach Shores.

**Hearing
Dates with
July 1
Certification**

- Hold the tentative hearing from September 3 to September 18, which is 65 to 80 days from certification of taxable value.
- Hearings must take place Monday through Friday after 5:00 p.m. or any time on Saturday. Do not hold hearings on Sunday.
- No taxing authority, except multicounty/water management districts, can hold a hearing on the same day as a school district or county commission.

If a taxing authority does not provide the required information within 35 days to the property appraiser, the taxing authority cannot levy a millage rate greater than the rolled-back rate for the upcoming year. The property appraiser will calculate the rolled-back rate and use it to prepare the Notice of Proposed Property Taxes (TRIM notice) (s. 200.065(2)(b), F.S.).

Day 55

In compliance with section 200.65, F.S., the property appraiser mails the TRIM notice within 55 days after certification of value.

August 24

If the Department has issued a review notice to the county's property appraiser, the property appraiser cannot mail the TRIM notice until the Department has approved the assessment roll under section 193.1142, F.S.

Days 65-80

Sept 3 to 18

Within 65 to 80 days of certification of value, the taxing authority holds a public hearing on the tentative budget and proposed millage rate (final hearing for school districts). The TRIM notice, which the property appraiser mails, publicizes this hearing.

At this hearing, the taxing authority:

- Amends the tentative budget.
- Re-calculates the proposed millage rate.
- Publicly announces the percentage, if any, by which the re-calculated proposed millage exceeds the rolled-back rate.
- Adopts a tentative millage and budget.

If the tentatively adopted millage rate is greater than the proposed rate used for the TRIM notice, each taxpayer in the jurisdiction must receive notification of the increase by first class mail at the taxing authority's expense (s. 200.065(2)(d), F.S.).

TRIM requirements

Day 95 Within 15 days after the tentative budget hearing, the taxing authority advertises its intent to adopt a final millage and budget.

Sept 18 to

Oct 3 The taxing authority **must advertise a**

NOTICE OF PROPOSED TAX INCREASE if the tentatively adopted millage rate is greater than the rolled-back rate. The advertisement must be 1/4 page and headed, "Notice of Proposed Tax Increase" (s. 200.065(3)(a), F.S.)

OR

NOTICE OF BUDGET HEARING if the tentatively adopted millage rate is equal to or less than the rolled-back rate. This advertisement does not have a size requirement and will be headed, "Notice of Budget Hearing" (s. 200.065(3)(b), F.S.)

AND

BUDGET SUMMARY ADVERTISEMENT, which must be adjacent to the advertisement for the final hearing and meet the requirements of section 129.03(3)(b), F.S. (s. 200.065(3)(l), F.S.).

Days 97-100 Hold the public hearing to adopt the final millage rate and budget **two to five days after the advertisement appears in the newspaper** (s. 200.065(2), F.S.).

- Discuss the percentage increase in millage over the rolled-back rate first.
- Adopt the millage before adopting the budget by a separate vote.
- **Do not** adopt a final millage rate that exceeds the tentative millage rate.
- Before adopting the millage levy resolution or ordinance, publicly announce:
 - The name of the taxing authority.
 - The rolled-back rate.
 - The percentage increase over the rolled-back rate.
 - The millage rate to be levied.

Re: Proposed Fee Changes
Date: April 16, 2018
Updated May 21, 2018

Introduction:

The purpose of this report is to provide material for a conversation towards revising the Town's fee structure for building permits, plan review and the planning approval process (DRC and P&Z.)

Staff Recommendation:

Staff recommends that we revise our fee structure to cover the staff costs of reviewing and overseeing building projects in Town.

Discussion:

Listed below are a number of recommendations for consideration by the Commission. The only mandated change is the first one. The others are open to discussion and modification.

UPDATE: RECOMMENDATION 1 HAS BEEN IMPLEMENTED AS REQUIRED BY STATE LAW. RECOMMENDATIONS 2-5 ARE STILL UNDER DISCUSSION. COMMISSIONER GILGALLON IS WORKING WITH STAFF TO COLLECT DATA FOR COMMISSION CONSIDERATION.

Recommendation #1:

Lower Florida Building Code charge from 3% to 2.5% as mandated by Florida State Statutes 468.631 and 553.721. The minimum collected should remain at \$4.00.

Florida mandates that we assess and collect a 2.5% fee on all permits issued. This fee is a percentage of the cost of the permit. This is then distributed to the State. Our current fee schedule requires a 3% charge and should be modified to reflect current requirements.

For example:

\$1,000 Project
\$30 Permit Fee + \$4 minimum = \$34.00

\$100,000 Project

\$3,000 Permit Fee + \$75 (2.5% x \$3,000) = \$3,075

Recommendation #2:

The current schedule is as follows:

Project Cost Over:	Up to:	Permit Fee:
\$0	\$1,000	\$30
\$1000	\$100,000	\$30 + 3% of amount over \$1K
\$100,000	\$250,000	\$2,500 + 2% of amount over \$100K
\$250,000	\$500,000	\$5,000 + 1.5% of amount over \$250K
\$500,000	- - - -	\$7,000 + 1% of amount over \$500K

Revise the building permit fee schedule as follows:

Project Cost:	Up to:	Permit Fee:
\$0	\$1,000	\$30
\$1000.01	\$100,000	\$30 + 3% of amount over \$1K
\$100,000.01	\$250,000	\$3,000 + 2% of amount over \$100K
\$250,000.01	\$500,000	\$6,000 + 1.5% of amount over \$250K
\$500,000.01	- - - -	\$9,750 + 1% of amount over \$500K

The current schedule does not capture all of the costs of the top three levels.

For instance, look at the \$100,000 - \$250,000 level. The calculation of the base cost should be as follows:

\$ 30	\$0-\$1K cost
<u>\$2,970</u>	\$99,000 x 3%
\$3,000	Total (Not \$2,500 as currently provided)

And the \$500,000 and above level:

\$30	
\$2,970	\$99,000 x 3%
\$3,000	\$150,000 x 2%
<u>\$3,750</u>	\$250,000 x 1.5%
\$9,750	Total (Not \$7,000 as currently provided)

Granted, we do not get many projects of over \$100,000 but those that we do require many hours of oversight by the Building Department.

Recommendation #3:

Revise the fees for applicants to go to the DRC and P&Z on a sliding scale similar to Manalapan.

Recommendation #4:

Revise the fees for variances and special exceptions to recover costs. For example, each variance request requires advertising twice at \$250 each.

Recommend that we keep the \$250 base costs plus require applicant to reimburse Town for both advertising and consultant review expenses.

Recommendation #5:

Revise the fees for meeting with the Building Official, Code Officer and other consultants such as the Town Planner, Engineer or Attorney. Set the fee schedule to accurately reflect their hourly rate.

Budget / Staff Impact:

These recommended changes will ensure that the Town is adequately compensated for staff and consultant time spent on review and oversight of building projects.

The Parkway Banyan Trees

Requesting for discussions concerning the large Banyan Trees located on the Parkway encroaching on the neighboring properties. This issue has been brought to Town Hall by the residents sharing the space of the large Banyan Trees along the Parkway. The concerns stated are damage to their properties caused by the roots of the trees and the large branches breaking and falling onto their property and issues concerning their homeowners' insurance policies. As the trees continue to grow and mature so does the ground area it requires to sustain its growth. The canopies of the trees have also increased in size protruding its large branches and leaf structures onto the neighboring properties. I have spoken to the Towns tree Arborists with Jason's Arbor care for solutions concerning the size of the large Banyan Trees. Jason, suggested to start trimming the trees back more each year for three years to help with maintaining the tree growth and not to compromise the health of the tree. The other solution would be to remove the trees entirely. The final solution would be to not do anything but what the regular tree trimming requires. I have spoken to the Environmental Committee members briefly concerning this issue. They are not in favor of removing the trees. As you can see this is a sensitive issue that requires a lot of thought. We are seeking direction from the Commission regarding this discussion.

STATEWIDE MUTUAL AID AGREEMENT (SMAA)

INFORMATION SHEET

The Statewide Mutual Aid Agreement (SMAA) has been updated for 2018. To make sure that all of the counties are working under the most recent version of the agreement, the Florida Division of Emergency Management is requesting that all counties update their agreements to the 2018 version.

The 2018 update includes the following provisions:

Allowing the SMAA to be used for smaller events; no declaration of a state of emergency is needed for the agreement to be activated. This allows for a formal mutual aid process for the entities within Florida to use.

In using the SMAA for mutual aid, the requesting entity agrees to reimburse the assisting party per the terms of reimbursement in the SMAA. However, if the terms for reimbursement are to vary from the provisions of the SMAA, this needs to be specified via the Form B, and signed off by both parties prior to the assistance being rendered.

The SMAA automatically renews each year; only the contact information needs to be updated by using the Form C each year.

Signing the Agreement:

A copy of the SMAA with **original signature** should be submitted, or two if you need one signed by FDEM and returned for your records.

Counties should sign **PAGE 15** of the agreement.

Cities should sign **PAGE 16** of the agreement.

Educational Districts should sign **PAGE 17** of the agreement.

Community Colleges or State Universities should sign **PAGE 18** of the agreement.

Special Districts should sign **PAGE 19** of the agreement.

Authorities should sign **PAGE 20** of the agreement.

Native American Tribes should sign **PAGE 21** of the agreement.

Community Development Districts should sign **PAGE 22** of the agreement.

REQUIRED Documentation to Accompany the Agreement:

A cover letter stating an address to send the copy of the agreement back for your records.

A completed copy of Form C, **PAGE 23** of the agreement. Form C should be updated annually or as elections or appointments occur.

A Certificate of Liability Insurance or Resolution of Self Insurance.

Signed Agreements should be sent to:

WESLEY MAUL
Director

STATEWIDE MUTUAL AID AGREEMENT

This Agreement is between the FLORIDA DIVISION OF EMERGENCY MANAGEMENT ("Division") and the local government signing this Agreement (the "Participating Parties"). This agreement is based on the existence of the following conditions:

A. The State of Florida is vulnerable to a wide range of disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services.

B. Such disasters are likely to exceed the capability of any one local government to cope with the emergency with existing resources.

C. Such disasters may also give rise to unusual technical needs that the local government may be unable to meet with existing resources, but that other local governments may be able to offer.

D. The Emergency Management Act, Chapter 252, provides each local government of the state the authority to develop and enter into mutual aid agreements within the state for reciprocal emergency aid and assistance in case of emergencies too extensive to be dealt with unassisted, and through such agreements to ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

E. Pursuant to Chapter 252, the Division has the authority to coordinate assistance between local governments during emergencies and to concentrate available resources where needed.

Based on the existence of the foregoing conditions, the parties agree to the following:

ARTICLE I.

Definitions. As used in this Agreement, the following expressions shall have the following meanings:

A. The “Agreement” is this Agreement, which shall be referred to as the Statewide Mutual Aid Agreement (“SMAA”).

B. The “Division” is the Division of Emergency Management

C. The “Participating Parties” to this Agreement are the Division and any and all special districts, educational districts, and other local and regional governments signing this Agreement.

D. The “Requesting Parties” to this Agreement are Participating Parties who request assistance during an emergency.

E. The “Assisting Parties” to this Agreement are Participating Parties who render assistance in an emergency to a Requesting Party.

F. The “State Emergency Operations Center” is the facility designated by the State Coordinating Officer to manage and coordinate assistance to local governments during an emergency.

G. The “Comprehensive Emergency Management Plan” is the biennial Plan issued by the Division in accordance with § 252.35(2)(a), Florida Statutes.

H. The “State Coordinating Officer” is the official whom the Governor designates, by Executive Order, to act for the Governor in responding to a disaster, and to exercise the powers of the Governor in accordance with the Executive Order, Chapter 252, Florida Statutes, and the State Comprehensive Emergency Management Plan.

I. The “Period of Assistance” is the time during which any Assisting Party renders assistance to any Requesting Party in an emergency, and shall include both the time necessary for the resources and personnel of the Assisting Party to travel to the place specified by the Requesting Party and the time necessary to return them to their place of origin or to the headquarters of the Assisting Party.

J. A “special district” is any local or regional governmental entity which is an independent special district within the meaning of section 189.012(3), Florida Statutes, regardless of whether established by local, special, or general act, or by rule, ordinance, resolution, or interlocal agreement.

K. An “educational district” is any school district within the meaning of section 1001.30, Florida Statutes and any community school and state university within the meaning of section 1000.21, Florida Statutes.

L. An “interlocal agreement” is any agreement between local governments within the meaning of section 163.01(3)(a), Florida Statutes.

M. A “local government” is any educational district or any entity that is a “local governmental entity” within the meaning of section 11.45(1)(e), Florida Statutes.

N. Any expressions not assigned definitions elsewhere in this Agreement shall have the definitions assigned them by the Emergency Management Act.

ARTICLE II.

Applicability of the Agreement. A Participating Party may request assistance under this Agreement for a “major” or “catastrophic disaster” as defined in section 252.34, Florida Statutes. If the Participating Party has no other mutual aid agreement that covers a “minor” disaster or other emergencies too extensive to be dealt with unassisted, it may also invoke assistance under this Agreement for a “minor disaster” or other such emergencies.

ARTICLE III.

Invocation of the Agreement. In the event of an emergency or threatened emergency, a Participating Party may invoke assistance under this Agreement by requesting it from any other Participating Party, or from the Division if, in the judgment of the Requesting Party, its own resources are inadequate to meet the emergency.

A. Any request for assistance under this Agreement may be oral, but within five (5) calendar days must be confirmed in writing by the County Emergency Management Agency of the Requesting Party, unless the State Emergency Operations Center has been activated in response to the emergency for which assistance is requested.

B. All requests for assistance under this Agreement shall be transmitted by County Emergency Management Agency of the Requesting Party to either the Division, or to another Participating Party. If the Requesting Party transmits its request for Assistance directly to a Participating Party other than the Division, the Requesting Party and Assisting Party shall keep the Division advised of their activities.

C. The Division shall relay any requests for assistance under this Agreement to such other Participating Parties as it may deem appropriate, and shall coordinate the activities of the Assisting Parties so as to ensure timely assistance to the Requesting Party. All such activities shall be carried out in accordance with the State's Comprehensive Emergency Management Plan.

D. Nothing in this Agreement shall be construed to allocate liability for the costs of personnel, equipment, supplies, services and other resources that are staged by the Division, or by other agencies of the State of Florida, for use in responding to an emergency pending the assignment of such personnel, equipment, supplies, services and other resources to an emergency support function/mission. The documentation, payment, repayment, and reimbursement of all such costs shall be rendered in accordance with the Comprehensive Emergency Management Plan, and general accounting best practices procedures and protocols.

ARTICLE IV.

Responsibilities of Requesting Parties. To the extent practicable, all Requesting Parties seeking assistance under this Agreement shall provide the following information to the Division and the other Participating Parties. In providing such information, the Requesting Party may use Form B attached to this Agreement, and the completion of Form B by the Requesting Party shall be deemed sufficient to meet the requirements of this Article:

A. A description of the damage sustained or threatened;

B. An identification of the specific Emergency Support Function or Functions for which such assistance is needed;

C. A description of the specific type of assistance needed within each Emergency Support Function;

D. A description of the types of personnel, equipment, services, and supplies needed for each specific type of assistance, with an estimate of the time each will be needed;

E. A description of any public infrastructure for which assistance will be needed;

F. A description of any sites or structures outside the territorial jurisdiction of the Requesting Party needed as centers to stage incoming personnel, equipment, supplies, services, or other resources;

G. The place, date and time for personnel of the Requesting Party to meet and receive the personnel and equipment of the Assisting Party; and

H. A technical description of any communications or telecommunications equipment needed to ensure timely communications between the Requesting Party and any Assisting Parties.

ARTICLE V.

Responsibilities of Assisting Parties. Each Participating Party shall render assistance under this Agreement to any Requesting Party to the extent practicable that its personnel, equipment, resources and capabilities can render assistance. If a Participating Party which has received a request for assistance under this Agreement determines that it has the capacity to render some or all of such assistance, it shall provide the following information to the Requesting Party and shall transmit it without delay to the Requesting Party and the Division. In providing such information, the Assisting Party may use Form B attached to this Agreement, and the completion of Form B by the Assisting Party shall be deemed sufficient to meet the requirements of this Article:

A. A description of the personnel, equipment, supplies and services it has available, together with a description of the qualifications of any skilled personnel;

B. An estimate of the time such personnel, equipment, supplies, and services will continue to be available;

C. An estimate of the time it will take to deliver such personnel, equipment, supplies, and services at the date, time and place specified by the Requesting Party;

D. A technical description of any communications and telecommunications equipment available for timely communications with the Requesting Party and other Assisting Parties; and

E. The names of all personnel whom the Assisting Party designates as Supervisors.

F. The estimated costs of the provision of assistance (use FEMA's Schedule of Equipment Rates spreadsheet attached to Form B.)

ARTICLE VI.

Rendition of Assistance. After the Assisting Party has delivered its personnel, equipment, supplies, services, or other resources to the place specified by the Requesting Party, the Requesting Party shall give specific assignments to the Supervisor(s) of the Assisting Party, who shall be responsible for directing the performance of these assignments. The Assisting Party shall have authority to direct the manner in which the assignments are performed. In the event of an emergency that affects the Assisting Party, all personnel, equipment, supplies, services and other resources of the Assisting Party shall be subject to recall by the Assisting Party upon not less than five (5) calendar days' notice or, if such notice is impracticable, as much notice as is practicable under the circumstances.

A. For operations at the scene of *catastrophic* and *major* disasters, the Assisting Party shall to the fullest extent practicable give its personnel and other resources sufficient equipment and supplies to make them self-sufficient for food, shelter, and operations unless the Requesting Party has specified the contrary. For *minor* disasters and other emergencies, the Requesting Party shall be responsible to provide food and shelter for the personnel of the Assisting Party unless the Requesting Party has specified the contrary. In its request for assistance the Requesting Party may specify that Assisting Parties send only self-sufficient personnel or self-sufficient resources.

B. Unless the Requesting Party has specified the contrary, it shall to the fullest extent practicable,

coordinate all communications between its personnel and those of any Assisting Parties, and shall determine all frequencies and other technical specifications for all communications and telecommunications equipment to be used.

C. Personnel of the Assisting Party who render assistance under this Agreement shall receive their usual wages, salaries and other compensation, and shall have all the duties, responsibilities, immunities, rights, interests, and privileges incident to their usual employment. If personnel of the Assisting Party hold local licenses or certifications limited to the county or municipality of issue, then the Requesting Party shall recognize and honor those licenses or certifications for the duration of the support.

ARTICLE VII.

Procedures for Reimbursement. Unless the Division or the Assisting Party, as the case may be, state the contrary in writing, the ultimate responsibility for the reimbursement of costs incurred under this Agreement shall rest with the Requesting Party, subject to the following conditions and exceptions:

A. In accordance with this Agreement, the Division shall pay the costs incurred by an Assisting Party in responding to a request that the Division initiates on its own, and not for another Requesting Party.

B. An Assisting Party shall bill the Division or other Requesting Party as soon as practicable, but not later than thirty (30) calendar days after the Period of Assistance has closed. Upon the request of any of the concerned Participating Parties, the State Coordinating Officer may extend this deadline for cause.

C. If the Division or the Requesting Party protests any bill or item on a bill from an Assisting Party, it shall do so in writing as soon as practicable, but in no event later than thirty (30) calendar days after the bill is received. Failure to protest any bill or billed item in writing within thirty (30) calendar days shall constitute agreement to the bill and the items on the bill and waive the right to contest the bill.

D. If the Division protests any bill or item on a bill from an Assisting Party, the Assisting Party shall have thirty (30) calendar days from the date of protest to present the bill or item to the original

Requesting Party for payment, subject to any protest by the Requesting Party.

E. If the Assisting Party cannot reach a mutual agreement with the Division or the Requesting Party to the settlement of any protested bill or billed item, the Division, the Assisting Party, or the Requesting Party may elect binding arbitration to determine its liability for the protested bill or billed item in accordance with Section F of this Article.

F. If the Division or a Participating Party elects binding arbitration, it may select as an arbitrator any elected official of another Participating Party, or any other official of another Participating Party whose normal duties include emergency management, and the other Participating Party shall also select such an official as an arbitrator, and the arbitrators thus chosen shall select another such official as a third arbitrator.

G. The three (3) arbitrators shall convene by teleconference or videoconference within thirty (30) calendar days to consider any documents and any statements or arguments by the Department, the Requesting Party, or the Assisting Party concerning the protest, and shall render a decision in writing not later than ten (10) business days after the close of the hearing. The decision of a majority of the arbitrators shall bind the parties, and shall be final.

H. If the Requesting Party has not forwarded a request through the Division, or if an Assisting Party has rendered assistance without being requested to do so by the Division, the Division shall not be liable for the costs of any such assistance. All requests to the Federal Emergency Management Agency (FEMA) for the reimbursement of costs incurred by any Participating Party shall be made by and through the Division.

I. If FEMA denies any request for reimbursement of costs which the Division has already advanced to an Assisting Party, the Assisting Party shall repay such costs to the Division, but the Division may waive such repayment for cause.

ARTICLE VIII.

Costs Eligible for Reimbursement. The costs incurred by the Assisting Party under this Agreement shall be reimbursed as needed to make the Assisting Party whole to the fullest extent practicable.

A. Employees of the Assisting Party who render assistance under this Agreement shall be entitled to receive from the Assisting Party all their usual wages, salaries, and any and all other compensation for mobilization, hours worked, and demobilization. Such compensation shall include any and all contributions for insurance and retirement, and such employees shall continue to accumulate seniority at the usual rate. As between the employees and the Assisting Party, the employees shall have all the duties, responsibilities, immunities, rights, interests and privileges incident to their usual employment. The Requesting Party shall reimburse the Assisting Party for these costs of employment.

B. The costs of equipment supplied by the Assisting Party shall be reimbursed at the rental rate established in FEMA's Schedule of Equipment Rates (attached to Form B), or at any other rental rate agreed to by the Requesting Party. In order to be eligible for reimbursement, equipment must be in actual operation performing eligible work. The labor costs of the operator are not included in the rates and should be approved separately from equipment costs. The Assisting Party shall pay for fuels, other consumable supplies, and repairs to its equipment as needed to keep the equipment in a state of operational readiness. Rent for the equipment shall be deemed to include the cost of fuel and other consumable supplies, maintenance, service, repairs, and ordinary wear and tear. With the consent of the Assisting Party, the Requesting Party may provide fuels, consumable supplies, maintenance, and repair services for such equipment at the site. In that event, the Requesting Party may deduct the actual costs of such fuels, consumable supplies, maintenance, and services from the total costs otherwise payable to the Assisting Party. If the equipment is damaged while in use under this Agreement and the Assisting Party receives payment for such damage under any contract of insurance, the Requesting Party may deduct such payment from any item or items billed by the Assisting Party for any of the costs for such damage that may otherwise be payable.

C. The Requesting Party shall pay the total costs for the use and consumption of any and all consumable supplies delivered by the Assisting Party for the Requesting Party under this Agreement. In the case of perishable supplies, consumption shall be deemed to include normal deterioration, spoilage and damage notwithstanding the exercise of reasonable care in its storage and use. Supplies remaining unused shall be returned to the Assisting Party in usable condition upon the close of the Period of Assistance, and the Requesting Party may deduct the cost of such returned supplies from the total costs billed by the Assisting Party for such supplies. If the Assisting Party agrees, the Requesting Party may also replace any and all used consumable supplies with like supplies in usable condition and of like grade, quality and quantity within the time allowed for reimbursement under this Agreement.

D. The Assisting Party shall keep records to document all assistance rendered under this Agreement. Such records shall present information sufficient to meet the audit requirements specified in the regulations of FEMA and any applicable circulars issued by the State of Florida Office of Management and Budget. Upon reasonable notice, the Assisting Party shall make its records available to the Division and the Requesting Party for inspection or duplication between 8:00 a.m. and 5:00 p.m. on all weekdays, except for official holidays.

ARTICLE IX.

Insurance. Each Participating Party shall determine for itself what insurance to procure, if any. With the exceptions in this Article, nothing in this Agreement shall be construed to require any Participating Party to procure insurance.

A. Each Participating Party shall procure employers' insurance meeting the requirements of the Workers' Compensation Act, as amended, affording coverage for any of its employees who may be injured while performing any activities under the authority of this Agreement, and shall file with the Division a certificate issued by the insurer attesting to such coverage.

B. Any Participating Party that elects additional insurance affording liability coverage for any

activities that may be performed under the authority of this Agreement shall file with the Division a certificate issued by the insurer attesting to such coverage.

C. Any Participating Party that is self-insured with respect to any line or lines of insurance shall file with the Division copies of all resolutions in current effect reflecting its determination to act as a self-insurer.

D. Subject to the limits of such liability insurance as any Participating Party may elect to procure, nothing in this Agreement shall be construed to waive, in whole or in part, any immunity any Participating Party may have in any judicial or quasi-judicial proceeding.

E. Each Participating Party which renders assistance under this Agreement shall be deemed to stand in the relation of an independent contractor to all other Participating Parties, and shall not be deemed to be the agent of any other Participating Party.

F. Nothing in this Agreement shall be construed to relieve any Participating Party of liability for its own conduct and that of its employees.

G. Nothing in this Agreement shall be construed to obligate any Participating Party to indemnify any other Participating Party from liability to third parties.

ARTICLE X.

General Requirements. Notwithstanding anything to the contrary elsewhere in this Agreement, all Participating Parties shall be subject to the following requirements in the performance of this Agreement:

A. To the extent that assistance under this Agreement is funded by State funds, the obligation of any statewide instrumentality of the State of Florida to reimburse any Assisting Party under this Agreement is contingent upon an annual appropriation by the Legislature.

B. All bills for reimbursement under this Agreement from State funds shall be submitted in detail sufficient for auditing purposes. To the extent that such bills represent costs incurred for travel, such bills shall be submitted in accordance with section 112.061, Florida Statutes, and any applicable

requirements for the reimbursement of state employees for travel costs.

C. All Participating Parties shall allow public access to all documents, papers, letters or other materials subject to the requirements of the Public Records Act, as amended, and made or received by any Participating Party in conjunction with this Agreement.

D. No Participating Party may hire employees in violation of the employment restrictions in the Immigration and Nationality Act, as amended.

E. No costs reimbursed under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Legislature of the State of Florida or any of its agencies.

F. Any communication to the Division under this Agreement shall be sent to the Director, Division of Emergency Management, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100. Any communication to any other Participating Party shall be sent to the official or officials specified by that Participating Party on Form C attached to this Agreement. For the purpose of this Section, any such communication may be sent by the U.S. Mail, e-mail, or by facsimile.

ARTICLE XI.

Effect of Agreement. Upon its execution by a Participating Party, this Agreement shall have the following effect with respect to that Participating Party:

A. The execution of this Agreement by any Participating Party which is a signatory to the Statewide Mutual Aid Agreement of 1994 shall terminate the rights, interests, duties, and responsibilities and obligations of that Participating Party under that agreement, but such termination shall not affect the liability of the Participating Party for the reimbursement of any costs due under that agreement, regardless of whether billed or unbilled.

B. The execution of this Agreement by any Participating Party which is a signatory to the Public Works Mutual Aid Agreement shall terminate the rights, interests, duties, responsibilities and obligations of that Participating Party under that agreement, but such termination shall not affect the liability of the

Participating Party for the reimbursement of any costs due under that agreement, regardless of whether billed or unbilled.

C. Upon the activation of this Agreement by the Requesting Party, this Agreement shall supersede any other existing agreement between it and any Assisting Party to the extent that the former may be inconsistent with the latter.

D. Unless superseded by the execution of this Agreement in accordance with Section A of this Article, the Statewide Mutual Aid Agreement of 1994 shall terminate and cease to have legal existence after June 30, 2001.

E. Upon its execution by any Participating Party, this Agreement will continue in effect for one (1) year from its date of execution by that Participating Party, and it shall automatically renew each year after its execution, unless within sixty (60) calendar days before that date the Participating Party notifies the Division, in writing, of its intent to withdraw from the Agreement.

F. The Division shall transmit any amendment to this Agreement by sending the amendment to all Participating Parties not later than five (5) business days after its execution by the Division. Such amendment shall take effect not later than sixty (60) calendar days after the date of its execution by the Division, and shall then be binding on all Participating Parties. Notwithstanding the preceding sentence, any Participating Party who objects to the amendment may withdraw from the Agreement by notifying the Division in writing of its intent to do so within that time in accordance with Section E of this Article.

ARTICLE XII.

Interpretation and Application of Agreement. The interpretation and application of this Agreement shall be governed by the following conditions:

A. The obligations and conditions resting upon the Participating Parties under this Agreement are not independent, but dependent.

B. Time shall be of the essence of this Agreement, and of the performance of all conditions,

obligations, duties, responsibilities, and promises under it.

C. This Agreement states all the conditions, obligations, duties, responsibilities, and promises of the Participating Parties with respect to the subject of this Agreement, and there are no conditions, obligations, duties, responsibilities, or promises other than those expressed in this Agreement.

D. If any sentence, clause, phrase, or other portion of this Agreement is ruled unenforceable or invalid, every other sentence, clause, phrase, or other portion of the Agreement shall remain in full force and effect, it being the intent of the Division and the other Participating Parties that every portion of the Agreement shall be severable from every other portion to the fullest extent practicable. The Division reserves the right, at its sole and absolute discretion, to change, modify, add, or remove portions of any sentence, clause, phrase, or other portion of this Agreement that conflicts with state law, regulation, or policy. If the change is minor, the Division will notify the Participating Party of the change and such changes will become effective immediately; therefore, please check these terms periodically for changes. If the change is substantive, the Participating Party may be required to execute the Agreement with the adopted changes. Your continued or subsequent use of this Agreement following the posting of minor changes to this Agreement will mean you accept those changes.

E. The waiver of any obligation or condition in this Agreement by a Participating Party shall not be construed as a waiver of any other obligation or condition in this Agreement.

NOTE: On February 26, 2018, this Agreement was modified by the Division of Emergency Management. This document replaces the August 20, 2007 edition of the Statewide Mutual Aid Agreement; however, any and all Agreements previously executed shall remain in full force and effect. Any local government, special district, or educational institution which has yet to execute this Agreement should use the February 26, 2018 edition for the purposes of becoming a signatory.

IN WITNESS WHEREOF, the Participating Parties have duly executed this Agreement on the date specified below:

FEMA's SCHEDULE OF EQUIPMENT RATES
DEPARTMENT OF HOMELAND SECURITY
FEDERAL EMERGENCY MANAGEMENT AGENCY
RECOVERY DIRECTORATE
PUBLIC ASSISTANCE DIVISION
WASHINGTON, DC 20472

The rates on this Schedule of Equipment Rates are for applicant owned equipment in good mechanical condition, complete with all required attachments. Each rate covers all costs eligible under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121, et seq., for ownership and operation of equipment, including depreciation, overhead, all maintenance, field repairs, fuel, lubricants, tires, OSHA equipment and other costs incidental to operation. Standby equipment costs are not eligible.

Equipment must be in actual operation performing eligible work in order for reimbursement to be eligible. LABOR COSTS OF OPERATOR ARE NOT INCLUDED in the rates and should be approved separately from equipment costs.

Information regarding the use of the Schedule is contained in 44 CFR § 206.228 Allowable Costs. Rates for equipment not listed will be furnished by FEMA upon request. Any appeals shall be in accordance with 44 CFR § 206.206 Appeals.

THESE RATES ARE APPLICABLE TO MAJOR DISASTERS AND EMERGENCIES
DECLARED BY THE PRESIDENT ON OR AFTER SEPTEMBER 1, 2017.

To: Palm Beach Shores Town Commission
From: Mayor Myra Koutzen
Re: Approval of One Cent Sales Tax Project Categories
Date: May 21, 2018

Purpose:

The purpose of this memo is to obtain approval from the Commission on the categories of construction projects that could use One Cent Sales Tax Funds.

Background:

November 2016, the voters of Palm Beach County approved adding a penny to the sales tax for 10 years to fund maintenance on infrastructure projects. It was estimated that Palm Beach Shores would receive approximately \$70,000/year for the 10 years. We have been collecting the funds for over a year now but have not used them yet. We review the amount collected at each Commission meeting. To date, we appear to be slightly ahead of the projections. (See the financial report for details.)

An integral part of the proposed sales tax referendum was the creation of citizen oversight committees to ensure that the funds are spent properly on infrastructure. The Palm Beach Shores Commission has authorized our Planning & Zoning Board to act in that capacity on behalf of the Town's residents.

In February 2017, the Commission created the attached list of proposed projects and project categories that qualify for this funding. The Commission never formally accepted this list however and that needs to be done before any of the monies can be spent. It is this list that the P&Z will use to determine if funds were spent appropriately.

Staff Recommendation:

The Commission is requested to review the attached projects list, make any necessary adjustments and then approve the final list. This will be very helpful in the 2018-2019 planning process.
