#### SUPPLEMENT

Type of Event: Outdoor Dog Festival

Location: The Walk Way in-between Tacoma and Claremont

**Sponsor: Property Owners Association** 

**Telephone:** 860-305-8275 (Zizzamia)

Date and Time: Feb 29, 2020. Time from 10:00 AM - 2:00 PM

9:00 - 10:00 vendor setup

10:30 – 11:00 open time to view vendor booths

11:00 – 11:30 opening act

11:30 – 12:30 dog parade on stage

12:30 – 1:00 photography presentation

1:00 - 2:00 open time to view vendor booths

2:00 - 3:00 vendor breakdown

**Number of Participants:** We estimate there will be fifty (50) dogs and a total of 150 people attending the event.

**Insurance:** Insurance is an outstanding item. We were hoping to secure it through association with the Rotary Club but that has not been confirmed. We may need to purchase it thru the town.

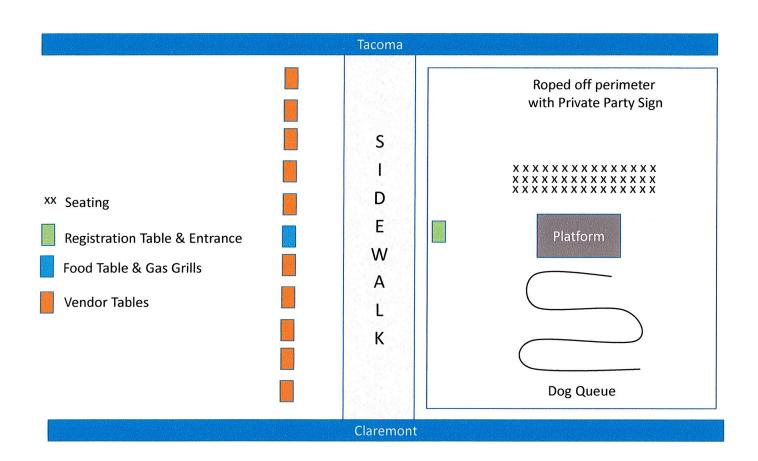

Please indicate any traffic....: Sergeant Langevin has agreed to install two diagonal barriers on Tacoma to allow one car traffic in order to slow the traffic flow. This will provide a level of safety access for people who park in the Town parking lot. We will also need Town Maintenance to deliver the tables and garbage cans to the event at approximately 8AM and pick them up at approximately 3PM. There should be a police presence at the event for safety purposes.

**Parking:** We expect most participants/visitors to walk to the event. But there will also be some parking available at the Town Hall parking lot and at the Community Center parking lot.

#### **High Level Description:**

- We plan to stake/ribbon off the east side of the walkway between Claremont and Tacoma. The area will be marked as "Private Event".
- The west side of the walkway between Claremont and Tacoma will be accessible to everyone and will house the vendor tables and the food concession.
- Alan has said he can donate tables, trash bins, and appropriate resources.
- We will rent chairs and a wooded stage.

- We will secure a sound system for the MC that does not require an electrical cord or extension.
- Vendors will include dog themed businesses, e.g., groomers, trainers, photographers, etc.
- The Sail Fish Marina has agreed to donate the food, beverage, and setups.
- We will have a registration form for anyone who wishes to entire the private event space with a dog.
- We will have a vendor agreement form that defines the responsibilities of the POA and of the vendors.

# Palm Beach Shores DOG FESTIVAL Saturday Feb 29, 2019 Walkway between Tacoma and Claremont Festival Hours: 10:00am-2:00pm

Dear Sponsors and Exhibitors (the "Vendors"),

Thank you for your participation in the Palm Beach Shores first annual DOG FESTIVAL!

#### **Festival & Parking Details:**

- The Dog Festival (the "Festival") will be held on the central green walkway thru town between Tacoma Lane and Claremont Lane.
- The west side of the walkway will be reserved for the vendor space.
- The east side of the walkway will be roped off and reserved for the stage, chairs, etc.
- Traffic on Tacoma Lane will be controlled with two funnel barriers by the Police.
- On the day of the Event, you can park and unload on Claremont or as directed by the Police. Once you unload you should park your vehicle in the town parking lot on Edwards Lane or as otherwise directed by the Police. We will have volunteers available to help the Vendors unload and load before and after the Event. Note there is no parking on any streets in Palm Beach Shores.
- Vendor setup will be between 8AM 9AM and breakdown can begin at 2PM.
- The Palm Beach Shores Property Owners Association (the "POA") can provide the vendor with a table and chairs. Please advise if you will need either one.
- The vendor will need to provide their own dolly for their booth set-up.
- No beverages are to be sold by the vendors.
- Attached is a high-level schematic of the Event space. Vendor placement will be on a first come basis.
- Please advise as to the size requirements for your booth so the POA can ensure you are properly accommodated. The POA reserves the right to negotiate your space requirements as needed.
- Your contacts are: Frank Zizzamia <u>fzizzamia@comcast.net</u> 860-305-8275 and Carol McKenna mckennacarol82@gmail.com **914-318-9848**

#### **Vendor Fees**

• There is no cost to the vendor for their allocated vendor space. We do request a \$50 deposit to reserve your participation that will be fully refunded the day of the Event once the vendor has

- arrived and setup. If the Event is cancelled by the POA the \$50 deposit will be fully refunded to the vendor. Note space will limited to approximately 15 (fifteen) vendors so please secure your reservation as soon as possible.
- You can mail your \$50 refundable deposit to Frank Zizzamia 224 Bravado Lane, Palm Beach Shores, FL 33404. Please make the check out to Palm Beach Shores POA.

If you have any questions regarding the POA Dog Festival please contact either Frank or Carol as listed above.

#### Explanation of Variances:

Police - includes payment to PBSO for November service, does not include final week of pay for officers paid in November.

Dispatch - budget is for only one month, actual does not include last week for dispatchers paid in November. Legislative - simply timing of expenditures

Streets/Storm Sewers - simply timing of expenditures

Debt Service - 1 of 2 payments has been made; the first is interest only, the second will be principal and interest. Community Center - simply timing of expenditures

Risk Management - timing of expenditures. 1st quarter has been paid. FMIT would not adjust the first bill for the PBSO take over.

Re: Request Approval to use Impact Fees

The renovations to the Police and Dispatch building were extensive, including electrical and plumbing work which led to additional costs due to the age of the building. Please approve use of impact fees to cover the costs in excess of the original estimate.

Impact fee funds available:

Police \$ 8,621.47 Public Facilities \$ 17,573.20

Requested approval to use:

Police \$ 8,621.47 Public Facilities \$ 4,118.50

These costs actually occur in 2 fiscal years since the project was completed in October 2019. \$6,268.70 was incurred in FY2019 and would come from the Police Impact Fee Fund. \$6,471.27 was incurred in FY2020 and funded with \$2,352.77 from Police and \$4,118.50 from Public Facilities Impact Fee Funds.

All expenditures of Impact Fee Funds must be approved by the Commission.

November Commission report For activity in October 2019

Mayor and commission:

Attached are the usual stats for the month, unfortunately we were forced to make one arrest involving a violation of a court order involving a domestic violence incident.

As you have noticed our officers are continuing our training with PBSO, this training should be completed about December 7<sup>th</sup> and all officers including myself will return to town that week. PBSO staff has been wonderful and professional to our merging staff, they have and are treating us with friendship and respect.

4 of the current deputies patrolling our town will stay in Palm Beach Shores and complete the usual allotment of 11 law enforcement personnel patrolling our streets 24/7, but augmented by many more.

When the deputy's county wide learned of an opening in our town there was an abundance of deputies wishing to make this their home. PBSO command, Major Mattino, Captain Palenzuela and Lt Hill reviewed all the requests for reassignment and picked only those they knew who would be the best fit for Palm Beach Shores. From everything I have heard to date they have done an excellent job in those choices.

I know we have had some obstacles along with the way into this new journey of law enforcement, but they were handled quickly and are being reevaluated to ensure any fixes are the right ones. The main non-emergency number (561-844-3456) was unable to handle the call volume while it was being tested, in the last few decades we have not received a great many calls at one time which would tax our system and we are still looking into this, but as of now it is working fine as it did before.

With the savings of closing dispatch a void was found at the front desk of the police station, this was filled on Day one by our great Police community aid Vicky. You can find Vicky Monday through Friday 830AM to 430PM, upon the conclusion of my training I will be at the station full time also.

This allows all of our Officers now deputies, to do the most important function of policing that of patrol, prior to the merge the 2 sergeants were busy with various administrative duties and covering shifts. Now all deputies are out ensuring your safety and interacting with residents and visitors alike.

I know it is strange not seeing someone in the police station at night except for the occasional stop by the on-duty deputies for reports and dinner, but the reason for this is above, they are patrolling our streets! If you call the non-emergency number a deputy can be called by police radio and by in car computers. Any crime is assigned to a detective after the case has been reviewed by a supervisor and an analyst.

Our license plate readers are the same as they Sheriffs office uses, and they have attached our license to use them to theirs and are monitored 24/7 just as before. CCTV is up and running and can reviewed for the same amount of time as before. All these things can be tied into the Sheriffs real time crime center.

My cell phone is still the same, all Officers/Deputies' emails prior to the merge will work for at least one year, our newer PBSO emails will be available shortly. Please know, anything I can do to make this change as easy as possible on all our residents I will do, and will be available to talk with anyone as soon as I return.

Please review the town calendar for the upcoming Mayors Youth Council Christmas event in December.

As always, we thank you for your help and support.

#### RE: Zone B and C Redevelopment Options – NEXT STEPS

The Town Commission at a regular meeting held on October 21, 2019 were presented with re-development options in the form of zoning overlays geared toward promoting increased building heights which in turn yield additional tax revenue generating dwelling units. The Commission unanimously directed staff to proceed with applicable code for both Zones B and C.

**Zone B:** This redevelopment overlay as currently proposed includes those parcels in Zone B which front Ocean Avenue. The goal is to create a mixed-use code to allow retail or similar commercial uses on the first floor with one or two residential floor above.

**Zone C:** Parcels supporting this designation are located primarily along Inlet Way and Lake Drive. This overlay will start with code to allow for up to 6 stories inclusive of structured parking. The proposed code language will include incentive based density and intensity increases to ensure a public benefit is secured in return for additional development.

#### **Next Steps:**

**December 2019 & January 2020** - During these two months staff will review the Comprehensive Plan and Zoning code to ensure modifications do not create the need for unintended changes to other codes and local ordinances. Review internally with staff and other consultants and report back to Commission on findings and draft code.

*February 2020* – Set two community charrette meetings to gather community/industry input on the proposed code.

*March 2020* – Revise the proposed code language and prepare final scaled models of buildings which could be constructed based on the new language. Prepare ordinance language and schedule for April P&Z Board (LPA).

*April 2020 LPA* – Prepare presentation and provide a full walk though of proposed Code and seek input and feedback and revise as necessary to prepare for Town Commission.

*May 2020 Town Commission* – Culmination of resident/industry/P&Z feedback into the proposed Code language and present to the Commission for final approval.

Re: Proposed Re-Assignment of Beach Cabana Service

This is to ask the Commission to consider allowing Oceanside Beach Services to fulfill the remainder of the year's contract that the Town has with Cabana Beach Service to provide cabanas and umbrellas on the Town beach.

#### Background

In March, 2017, the Town of Palm Beach Shores issued a Request for Proposal to provide beach cabana chair/umbrella services on the Town beach. Only one company answered the RFP, Cindy Larcher's Cabana Beach & Canvas Services.

Before the contract could be finalized, sadly Cindy passed away. We eventually established a contract with Tracy Larcher and his company, Cabana Beach Service. (See attached contract.)

That contract is for a one-year term with the option of mutually agreed annual one-year extensions. The contract has already been extended once and currently expires on December 31, 2019.

Tracy and Dawn are selling Cabana Beach Service to Oceanside Beach Services. Oceanside currently serves the Marriott Ocean Pointe and the Riviera Municipal Beach. Palm Beach Shores has a contract with Oceanside for beach cleaning services.

As part of the sale, Oceanside has agreed to assume the current Cabana Beach Service contract with our Town under the same terms (see attached letter from Oceanside President, Michael Novatka).

The Town has received no resident complaints about the current beach cabanas. The residents who use them seem to be happy with the service.

#### Recommendation

Staff recommends that the Commission agree to the request to allow Oceanside to assume the existing beach cabana contract starting July 1, 2019. This will give both the Town and Oceanside the opportunity to work together for a few months in order to decide whether we wish to mutually agree to continue another year under the same terms.
