PASSAIC COUNTY LAW ENFORCEMENT OFFICERS ADMINISTER NALOXONE IN HALEDON ON SEPTEMBER 24, 2017

HALEDON, NEW JERSEY:

SEPTEMBER 25, 2017

Passaic County Prosecutor Camelia M. Valdes and Haledon Police Chief Angelo J. Daniele announce that law enforcement officers in Passaic County administered Naloxone to one subject on September 24, 2017. Naloxone is a medicine administered by way of spray into the subject's nostrils to counteract an opioid overdose.

Haledon police officers deployed Naloxone at 7:38 p.m. to a 58 year old female, who resides in Haledon, New Jersey. Officers administered one (1) dose of Naloxone and the subject became responsive. Care of the subject was transferred to local emergency medical services.

Since 2014, members of law enforcement in Passaic County have received training in the administration of Naloxone to respond to suspected opiate overdoses. This incident is the one hundred twenty-sixth (126th) Naloxone deployment in Passaic County in 2017.
