RE: SCDOT Contract ID 3559650 – Old Wire Road West over Wolf Creek –Marlboro
County

Dear Ms. Dukes:

The South Carolina Department of Transportation will be replacing the Old Wire Road West Bridge over Wolf Creek.

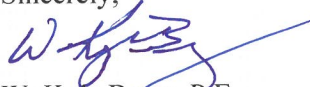

This bridge was closed due to previous flood damage. All traffic will be detoured along a posted detour route using Ebenezer Road, Grant Mill Road, and Knollock Road. We have included a map of the project outlining the affected area and the detour route.

The bridge closure and detour is tentatively scheduled to begin on April 15, 2024 and is expected to be completed by July 31, 2025.

Local commuters, farmers, schools, and businesses will be impacted by this project.

If you have any questions, you may contact Resident Construction Engineer Daniel Flowers at 843.395.1674.

Sincerely,

W. Kyle Berry, P.E.
District Five Engineering Administrator
