Happy fall!

It comes with my deepest sadness that my last day is on November 3rd. I have learned so much, I have enjoyed being the Director here. I appreciate the ones that supported me, and I appreciate the laughs. The BINGO calling was always great. Getting to know so many of you was also great and I cherish those moments . I am so excited for my next adventures. I wish nothing but the best for all of you. Thank you to my amazing staff that were always on board with my fun, crazy and silly ideas. You guys are what make the senior center go round. My only hope is you all learned at least something from me, if anything to be successful and be happy.
