SECURED ASSESSMENT ROLL

2021/22
Notice of SECURED ASSESSMENT ROLL
Pershing County, Nevada ● LAUREEN BASSO-CERINI, ASSESSOR
The 2021-2022 Secured Tax Roll will be available for review pursuant to NRS 361.300(3)(b)

Special note: The 2005 Legislature passed property tax relief due to the extreme increase in market values at that time. The legislation provides that property taxes for owner occupied primary residences and low cost rentals cannot increase more than 3% per year; and all other property not more than 8% per year. The tax cap is applied to the taxes paid from the previous year and not to assessed values. Many homeowners are paying taxes based on older and lower assessed values, such that fluctuations in current assessed values will not have the same corresponding effect on their tax bills. Due to the caps implemented by the 2005 Legislature, tax bills received next July may increase by the 3 or 8 percent caps due to the values established in prior and current years. Assessed values generally have risen for the 2021-22 roll based on improved market conditions. Property taxes will likely be increasing by the cap factor due to the valuation changes. Exceptions to the property tax cap are made for new construction and new parcels. These parcels are not capped during the year of their initial valuation. If you have a question on which property tax cap applies to your property(s), please call our office. The other tax relief available may be provided to those qualifying for a property tax exemption. Please read the information under Tax Exemptions to see if you may qualify.

Nevada Revised Statute (NRS) 361.300 requires a list of all taxpayers' secured property to be made available at the Assessor's Office in Lovelock or on the Assessor's website at http://www.pershingcountynv.gov. In addition, assessment notices are mailed to each property owner with value changes comparing values with those of the prior tax year.

The valuation of unsecured property, e.g., manufactured homes, aircraft, commercial personal property, etc., is developed throughout the year and, therefore, does not appear on the secured tax roll. The Nevada Department of Taxation does the billing, collection and distribution of all taxes for inter-county properties that also do not appear on the secured tax role.

QUESTIONS AND ANSWERS ABOUT YOUR ASSESSMENT

What is the role of the Assessor's Office? The Assessor's Office is required by Nevada law to discover, list and value all property within the county for tax purposes in accordance with Nevada Law. Per NRS 361.227, the total taxable value must not exceed a property's most probable sale price in a competitive market. NRS 361.225 requires that the assessed value be 35% of the taxable value calculated in accordance with NRS 361.227. We encourage you to visit our office or the assessor's website at http://www.pershingcountynv.gov and clicking on *On-line Property Records* link for your property data and comparable sales.
The Assessor does not make the laws which affect property owners. The guidelines for assessment and the tax rates are approved by the Nevada Tax Commission. The tax laws are made by the Nevada Legislature.

How is my tax computed? Your assessed value, which is 35% of your total taxable value, is multiplied by your tax district's tax rate to determine the amount of tax due. This amount is reduced by any abatement the property qualifies for under the 2005 tax relief legislation.

TAX DISTRICT	TAX RATE
1-City of Lovelock	3.6592
2-Pershing County	3.0968
3-City of Imlay	3.2468

How is the value of my property determined? Land value is based on the market value of similar vacant land sales as well as other market information that would indicate a land valuation. The value of the buildings and other items added to the property is based on the replacement cost new less 1.5% depreciation per each year of age. Personal property values are based on acquisition cost less depreciation dependent on the life of the asset.

How the Tax Rate is Determined?
The tax rate is proposed in April of each year based on the budgets prepared by the various local governments: counties, cities, school districts and general or special improvement districts such as fire protection districts, etc. The property tax bill separately states the various rates levied in the county, including any rate levied for debt. The operating rates for the county, each town and each general and special district functions within each county are respectively determined by the County Commission, Town Boards, Improvement Districts and other District Boards to cover the functions for which they are responsible. Those rates may increase, decrease or remain the same, depending on the actions of the elected officials. Other rates, such as the school district operating and indigent fund rates are set in Nevada Revised Statutes. Debt rates are usually voter approved, although local government debt shorter than 10 years is approved by the Department of Taxation and the rate for State debt is set by the legislature.

Prior to the budget hearings held in the third week of May, the County will publish a newspaper ad which identifies any property tax rate increases and the times and places for the different budget hearings. These budget hearings present an opportunity for you to question expenditures and the property tax rates, which will be set to cover the proposed expenditures.

The local government's budget must be adopted no later than June 1. In June of each year, the Nevada Tax Commission approves the property tax rates based on the budgets submitted by the local governments.

The Pershing County Commissioners certify each tax districts rate in June of each year for the following fiscal year. The rates are then applied to the assessed values of the property set by the Pershing County Assessor as of July 1 each year. Taxes are due and payable to the County Treasurer.

Nevada Taxpayers Association

For further information, the Nevada Taxpayers Association produces an excellent publication entitled *Understanding Nevada's Property Tax System*. It gives a very complete explanation of the property tax system in the State of Nevada. The publication can be found by going to http://www.nevadataxpayers.org/ and clicking on the Publications link.

Why do my taxes change? Taxes change when your tax rate or assessed value changes or due to the abatements passed by the 2005 legislature.

How often can my assessed value change? 20% of the county is physically or visually re-appraised each year. The other 80% is re-costed using current values for existing improvements. Value changes may occur outside of normal re-appraisal cycles when parcels or improvements are either added or changed. Land is subject to reappraisal every year.

What if I believe the market value of my property is less than the appraised value shown or that my property was property? Contact the Assessor's Office to discuss and receive copies of your appraisal. If you still disagree, the Assessor's Office will give you a form to file with the County Board of Equalization no later than January 15, 2021, for a hearing in February, 2021. Persons who are not satisfied with the County Board of Equalization's decision may file an appeal to the State Board of Equalization no later than March 10, 2021. The State Board of Equalization will not consider appeals that have not first been properly submitted to the County Board of Equalization.
Further appeals may be made to the District and Supreme Courts.

What are the installment due dates for the 2021/22 tax bill?

1st installment due:	August 16, 2021
2nd installment due:	October 4, 2021
3rd installment due:	January 3, 2022
4th installment due:	March 7, 2022

For your convenience property tax payments can be made online at:

Why didn't I receive a Personal Property (Manufactured Home, Aircraft, Commercial Business, etc.) tax bill?

If your tax bill amount is less than $10.00 for the fiscal year, the Nevada Tax Commission has determined that you are exempt from taxation per NRS 361.068.

TAX EXEMPTIONS

The State of Nevada offers tax exemptions to eligible surviving spouses, veterans, disabled veterans, and blind individuals. The tax dollar amounts of these exemptions vary depending on the taxing district in which you live.

Surviving Spouse Exemption

The **Surviving spouse** exemption entitles a surviving spouse who is a bona fide resident of the State of Nevada who has not remarried to qualify. **How to apply:** The surviving spouse must bring in their Nevada Drivers' License or Nevada I.D. card and a copy of the death certificate to the Assessor's Office and sign an exemption affidavit.

Veteran's Exemption

The **Veteran exemption** entitles an honorably discharged veteran of the Armed Forces of the United States who is a bona fide resident of the State of Nevada and who has served a minimum of ninety (90) days of qualified active duty to qualify. The exemption may be applied to real or personal property or to the basic government service tax portion of your motor vehicle registration. **Note:** Veterans may pay the exemption amount and elect to donate that portion of their payment to the construction and maintenance of a veteran's retirement home. **How to apply:** Applicants must bring their Nevada Drivers' License or Nevada I.D. card, DD214 with honorable discharge to the Assessor's Office and sign an exemption affidavit.

Disabled Veteran's Exemption

The **Disabled veteran exemption** is provided for veterans who are a bona fide resident of the State of Nevada that have a permanent **service connected disability of at least 60%.** The amount is dependent upon the overall percentage of permanent service-connected disability. The surviving spouse of a disabled veteran who was eligible for this exemption at the time of their death, was married to the applicant for at least 5 years preceding their death, and has not remarried may also qualify for the Disabled Veteran exemption. **How to apply:** Applicants must bring their Nevada Drivers' License or Nevada I.D. card and DD214 showing honorable discharge, entry and discharge dates and Veterans Administration documentation showing a minimum of 60% permanent service-connected disability to the Assessor's Office and sign an exemption affidavit.

Blind Exemption

The **Blind exemption** is available to bona fide residents of the State of Nevada with visual acuity that does not exceed 20/200 in the better eye when corrected, or whose field of vision subtends an angle of 20 degrees or less. The exemption may be applied to real or personal property or to the basic government service tax portion of your motor vehicle registration. **How to Apply:** Applicants must bring their Nevada Drivers' License or Nevada I.D. card and a doctor's statement that the above requirements are met to the Assessor's Office and sign an exemption affidavit.

When should I apply for an exemption? An application to use an exemption on secured (real) property must be made on or before June 15 for the following fiscal tax year. An application to use an exemption on unsecured (personal) property or motor vehicle may be made any time on or before paying the taxes that are due.

I hereby certify that the 2021-22 Pershing County Secured Assessment Roll is complete and open for inspection by interested persons.

Respectfully,

LAUREEN BASSO-CERINI,

PERSHING COUNTY ASSESSOR
