### CEMETERY NEWSLETTER

It has been an exciting time for Pershing County and our cemeteries. In 2020 we took ownership of the Unionville Cemetery, placed a big beautiful metal sign made by M&M Metal here in Lovelock, and installed by our road department. Looking to the future we are hoping to add a new section for residents in the area to be able to place their loved ones in Unionville.

For the first time we took part in Wreaths Across America which was a great success. 379 wreaths were placed on our veterans plots within our cemeteries. Looking forward to December so we can once again honor our great veterans.

Memorial Day came and went with the American Legion placing flags on veterans plots in Unionville, Lone Mountain, Big Meadow and the Indian cemetery.

The cemetery office, cemetery board, buildings and grounds and the road department have been working diligently to clean within the cemeteries and the perimeter. Debris has been removed, parking areas cleared and graded, trees trimmed and drip lines repaired. New signage has been placed with the cemetery regulations to help insure that our cemeteries are given the respect that they deserve.

I would like to thank all volunteers that give their time and dedication to helping preserve our cemeteries.

Thank You  
Cheryl Haas  
Cemetery Director
