---

March 1, 2023

Happy New Year, I hope that everyone had a happy and healthy holiday season. Spring is upon us once again so begins the maintenance of our cemeteries to stay ahead of the never-ending battle with weeds.

Please remember that those of you that have loved ones placed in one of our cemeteries that while your help in keeping family plots maintained is greatly appreciated there are guidelines in place of what can and cannot be done. All debris cleared must be removed from the cemetery and surrounding area. There is no dumping of any kind on cemetery property for any reason. So please make sure you bring trash bags to haul off weeds, rocks, branches etc. There will be dumpsters at each cemetery before Memorial Day for your convenience. If anyone would like to do any kind of volunteer work, you must put a request in to the cemetery board and fill out volunteer forms.

March 25, 2023, a plaque will be placed at the Chinese Cemetery by the Clampers who are known for their interest in rural communities and historical land marks. What an honor it is that they choose to honor the Chinese workers that helped to build our railroad and to be a part of our community.

In May we will once again honor our Veteran's that gave of themselves so that we all can enjoy our freedom by placing flags on their graves.

I would like to thank all who help to maintain our cemeteries.

Thank You  
Cheryl Haas  
Cemetery director
