Another summer will be coming to an end and once again we have made great progress in keeping our cemeteries well-kept, with all the rain that we had it was quite a challenge. I would like to thank all the families and volunteers who helped make this possible.

The gates at the Lone Mountain Cemetery have been locked at night to help avoid vandalism within the cemetery. Unfortunately, this has been an ongoing problem, the summer hours are 8AM-8PM. If anyone needs access before 8AM please contact me and we can make arrangements to open the gates earlier.

Our cemetery board and office would like to thank the American Legion for placing flags on the graves of our Veteran's that gave the greatest sacrifice, their lives so that we may live in freedom.

If anyone has concerns pertaining to any of our county cemeteries, please contact me at the above phone numbers and address. Also, if anyone would like to volunteer their time to help. Please file out a volunteer form that can be found on our website. Per county policy each family can maintain their family plots, but to do any other work in or around the cemetery must be approved by the cemetery board.

Once again Thank You and enjoy the rest of your summer.
