April Greetings

Full tilt Spring approaching. We do love saying goodbye to heavy coats, boots, and gloves, don't we? Spring brings baseball, seedlings, daffodils, and new visitors to our bird feeders as the migration continues north for the song birds and water fowl. Another Spring visitor is the black bear. So cute, so hungry, and potentially dangerous. My composter got knocked down already by the hungry critters. Enjoy the wildlife of our beautiful surroundings, but remember these are wild animals and not meant to be fed by their human neighbors.

The budget hearings are all but finished in Harrisburg. The PA Lottery is strong per reports and we are glad to have this valuable funding source for our operations, contracts, and services to older Pike County residents.

April is when we showcase Earth Day. I am a believer that everyday should be Earth Day and we should value our surroundings and care for all of our natural resources. Yes, I have been called a tree hugger a few times. We are excited to be working with the Penn State Master Gardeners this Spring. We are planning on some sprucing up the shrubbery at the Agency and would love some donations of plantings, soil, hydration systems, and elbow grease. Sign up with us by calling or emailing me.

RSVP our Retired Senior and Volunteer Program will be holding their recognition event on April 28th at Lake Ladore in Waymart PA. We are excited to celebrate their accomplishments and honor their service to our older residents.

April is a very Holy month with many celebrations and recognition events. Passover, Easter Holiday, Orthodox Easter, on the 16th and Ramadan will end on Friday 21 April, with the celebratory days of Eid al-Fitr "Festival of Breaking the Fast" on Saturday 22 April or Sunday 23 April. Happy Holidays to all.

FACT

We all live downstream. Our water quality is directly affected by our upstream neighbors, and our choices will impact the water quality for our downstream neighbors.

WHAT CAN YOU DO

- Minimize impervious surfaces.
- Do not remove trees and other plants next to streams, lakes and wetlands.
- Plant native plants to absorb heavy rain falls.
- Direct rain gutters onto lawn or garden.

WHAT IS SHARE?

SHARE is an affordable housing choice that brings together homeowners who want to share their home with home seekers who are looking for housing in exchange for rent, help around the house, or a combination of both. The home seeker receives their own bedroom and agreed upon use of the common areas. Every arrangement is unique depending on the needs, preferences, and abilities of the participants involved.

WHY SHARE A HOME?

Some people like the idea of having another person around the house. Others are looking for an affordable place to live or a way to supplement their income in order to meet household expenses. In some cases, it enables the older adult to remain in their home and community. Homesharing offers the homeowner:

- Income to help with expenses
- A responsible tenant

Homesharing offers the home seeker:

- A private bedroom with agreed upon, shared common spaces
- Affordable rent Homesharing may offer participants help with household tasks or other agreed upon services. It may also offer the home seeker reduced rent in exchange for services.

HOW DOES **SHARE** WORK?

A homeowner and home seeker meet separately with the **SHARE** Housing Counselor to discuss needs and preferences, complete the application, and provide references.

The **SHARE** Housing Counselor will:

- Conduct reference and background checks
- Identify potential home share matches
- Introduce the homeowners and home seekers
- Coordinate the written homesharing agreement
- Oversee trial living periods
- Provide ongoing support during the term of the agreement
- Connect the participants to other community resources.

WHO IS ELIGIBLE?

Older adults, persons with disabilities, veterans, working professionals, college students, individuals at-risk of homelessness, single parents, or people simply wishing to share their lives and homes with others.

If interested, please contact Larisa Yusko at (570) 832-5133 or lyusko@pikepa.org

SHARE participants must be at least 18 years of age and one of the individuals in the match must be over 60.
