

ORDINANCE # 12-A OF THE BOARD OF PINCONNING TOWNSHIP
FOR THE BAY COUNTY AUTHORIZING THE USE OF FIRE HYDRANTS

WHEREAS, the Board of County Road Commissioners for Bay County has been designated as a county agency to provide water and sewer services for the County of Bay by the Bay County Board of Commissioners pursuant to statute and,

WHEREAS the use of fire hydrants by unauthorized persons has resulted in water being consumed without payment and damages to hydrants and waterlines and,

WHEREAS the Board of County Road Commissioners for the County of Bay desires to regulate the use and operation of the fire hydrants by authorized personnel and by personnel from the Department of Water and Sewer.

THEREFORE BE IT RESOLVED by the Board of County Road Commissioners for Bay County that except for firemen using water from said hydrants for fire fighting purposes and for the cleaning flushing of said hydrants several times a year for maintenance purposes, fire hydrants shall be operated by the Department of Water and Sewer personnel only.

BE IT FURTHER RESOLVED that the water used for filling pools, flushing culverts and other authorized use for maintenance purposes said water shall be metered from the hydrant by the Department of Water and Sewer personnel and that the party requesting water from the fire hydrants pay all costs for water and labor in advance.

BE IT FURTHER RESOLVED that the party requesting water from the hydrants provide at their own expense conduit from the fire hydrant water meter to place of water use.

BE IT FURTHER RESOLVED that any unauthorized water taken from and/or damages to said hydrants and waterlines by any person or persons,

partnerships or corporations shall be prosecuted by the Township where the offense took place and/or by the Board of County Road Commissioners for Bay County.

Dated this 9th day of July, 1984.
