

RESOLUTION FOR THE DESIGN MODIFICATION
FOR THE WHITEFEATHER LANDFILL

WHEREAS, the Whitefeather Landfill (WFL) which is owned and operated by Republic Services of Michigan I, LLC, (Republic) is a licensed Type II, solid waste disposal facility located in Section 2 of Pinconning Township, Bay County, Michigan and is regulated under the Natural Resources and Environmental Protection Act, Public Act 451 of 1994 (PA 451), Part 115, Solid Waste Management, as amended (Part 115), as amended; and

WHEREAS, the WFL provides the Township with certain legally binding assurances concerning the operation of the facility; and

WHEREAS, the Township fully supports the operations (short and long term) of the WFL provided all activities are completed under Part 115; and

WHEREAS, the WFL desires to make a design modification located entirely within the current permitted landfill boundary; and

WHEREAS, the desired design modification will raise the existing permitted grade of cells 7, 8, and 9 and a portion of cells 5 & 6.

WHEREAS, this modification will enhance the design efficiency, soil balance, and storm water management controls for the WFL.

NOW, THEREFORE, BE IT RESOLVED that Pinconning Township hereby approves of the Design Modification to the Whitefeather Landfill; and request that the Bay County Commissioner's provide notification to the State of Michigan Department of Environment that project number 1017185 is consistent with both the Pinconning Township Host Agreement and the Bay County Solid Waste Management Plan.
